eventual disease They can also extract a heavy mental and emotional toll on you impacting how you think the choices that you make and the level of success and abundance you are able to achieve Perhaps most damaging of all trapped emotional energies can gather around your heart cutting off your ability to give and receive love The Emotion Code is a powerful and simple way to rid yourself of this unseen baggage Dr Nelson's method gives you the tools to identify and release the trapped emotions in your life eliminating your emotional baggage and opening your heart and body to the positive energies of the world Filled with real world examples from many years of clinical practice The Emotion Code is a distinct and authoritative work that has become a classic on self healing *Emotional Wisdom* Mantak Chia, Dena Saxer, 2009 Chia along with one of his senior instructors presents a powerful program one that integrates traditional Taoist theory and practice for transforming the painful emotions of sadness anger impatience and fear into courage kindness joy and peace **Mastering Emotions** Salome, 2020-04-06 A BOOK THAT OFFERS A UNIQUE PERSPECTIVE ABOUT EMOTIONS Putting happiness aside for a moment did you ever wonder where those painful emotions and feelings come from the ones that suddenly rise to the surface out of nowhere leaving one feeling uncomfortable hurting debilitated or depressed Many form beliefs opinions and judgments about self based on feelings either self imposed or reflected by others that may leave one feeling deep emotional hurt or cause one to re experience uncomfortable memories some traumatic events from the past It may only take words an action of another or simply a reflected reminder to set the process in motion As a result it may cause a repetitive reactive hidden memory pattern to surface one that may have stored imprints of emotional hurt experienced from another time Experiencing inner hurt from childhood the author discovered a way to explore and observe these patterns while re experiencing them coming to recognize them as opportunities of healing and release Ultimately inner truths were discovered of what had been hidden behind the facade that fear hurt and pain covered up and came to experience more glimpses into the beauty and strength hidden beneath it all where true happiness exists Shared is a very personal journal written in free form expressions of what insights were discovered over a 45 year period of exploring and writing about what emotional hurt had to reveal not only learning how to release hurtful moments but coming to realize pain was but a messenger to get one's attention and that it did It became a journey that sometimes took courage and willingness to be as honest and truthful with self as possible but ultimately formed a deeper trust that this was a healing process not a self punishing one Emotional exploration became moments of opportunity not only to realize why the hurt existed but ways to release and heal putting them to rest Behind the facade were reflective insights lessons and pearls of wisdom hidden within emotion previously ignored either not understood or perhaps due to fear or lack of perceiving what hurt carried repeated until having a willingness to step through the fear of what might be discovered They often proved to be unexpressed emotions either ignored or swallowed carrying unresolved issues seeking a solution that could not be found at the moment of the experience or a simple acknowledgment all as wisdom developing experiences This is a journal of expressions of what those revelations had to teach The ultimate rewards were

increasing moments of a peaceful mind inner wisdom and guidance and freedom in coming to know the true self beneath it all The greatest gift was a heart opening more to love and compassion for self and others and also reveals writings of happier moments that began to emerge along the way
