Emotionally Abusive and Verbally Abusive Relationships Larry Tate, 2015-01-28 Emotional and verbal abuse has devastating consequences. Self-esteem is broken, new and often harmful behaviors are formed, and lives are changed forever, and not for the better. Emotional and verbal abuse affects people from all walks of life. It affects children, the elderly, and impacts both women and men in relationships when one partner victimizes the other. Emotional and verbal abuse is also prevalent in the workplace and many institutions. In fact, in any group of people where one assumes power over the others and exercises it with hurtfulness and cruelty of words, the abuse destroys environments and damages those who are exposed to its torture. In his book entitled Emotionally Abusive and Verbally Abusive Relationships, author Larry Tate discusses in detail the dynamics that are involved behind emotionally abusive and verbally abusive relationships. You will learn about the causes and effects of such toxic relationships, and you will be given concrete solutions that anyone can apply if they or someone that they know encounter such negative relationships. You will also learn the following: How to recognize the signs of an emotional or verbal abuser; Why some people express themselves by abusing others; The impact on children who are verbally and emotionally abused; The toll abuse takes in an intimate relationship; The growing problem of abuse in the workplace and what is being done to protect workers; The prevalence of abuse in educational institutions and what is being done about it; The emotional and verbal abuse of the elderly in society; The potential for effective treatment to change abusive behaviors; Solutions for children and adults caught in abusive relationships; Handling emotional abuse from narcissists, sociopaths, psychopaths, and toxic people. Most importantly, the issue of what is to be done about emotional and verbal abuse will be presented, and how cultural, societal, and neighborhood attitudes impact attitudes towards this problem. Breaking the Cycle of Abuse Beverly Engel, 2015-10-23 This clear, empathetic self-help book is an excellent choice for readers who come from an abusive past and are struggling to make a brighter future. Publishers Weekly: If you were emotionally, physically, or sexually abused as a child or adolescent, or if you experienced neglect or abandonment, it isn't a question of whether you will continue the cycle of abuse, but rather a question of how: whether you will become an abuser or continue to be a victim. In this breakthrough book, Beverly Engel, a leading expert on emotional and sexual abuse, explains how to stop the cycle of abuse once and for all. Her step-by-step program provides the necessary skills for gaining control over emotions, changing negative attitudes, learning healthy ways of communicating, healing the damage from prior abuse, and seeking out support. Throughout, Engel shares many dramatic personal stories, including her own experiences with abusive behavior. Breaking the Cycle of Abuse gives you the power to shatter abusive patterns for good and offers a legacy of hope and healing for you and your family. A beacon of hope for women and men who fear that they will pass the abuse they have suffered on to their children, partners, or employees.
