Parenting Without Stress: How to Raise Responsible Kids While Keeping a Life of Your own Dr. Marvin Marshall,2011-01-05 This multiple award winning e book written for anyone working with young people is life changing It shows how to have young people influence themselves to become more responsible by implementing three practices and by using the Raise Responsibility System Bribes in the form of rewards threats and or imposed punishments are not necessary By showing how to promote responsibility rather than aiming at obedience you become more effective improve relationships promote responsibility and reduce stress for all Winner of the Mom s Choice Award Winner of the Eric Hoffer Book Award Winner of the International Book Award Winner of the ForeWord Reviews Book Award Winner of the USA Book News Best Books Award *Children's Literature and British Identity* Rebecca Knuth,2012-04-12 Children s Literature and British Identity Imagining a People and a Nation is the story of the development of English children s literature focusing on how stories inspire children to adhere to the values of society Such English authors as Lewis Carroll J R R Tolkien and J K Rowling have entertained inspired confronted social wrongs and transmitted cultural values functions previously associated with folklore Their stories form a new folklore tradition that grounds personal identity provides social glue and supports a love of England and English values This book examines how this tradition came to fruition *Trained in the Fear of God* Randy Stinson,Timothy Paul Jones, Dr Randy Stinson and Dr Timothy Paul Jones have been the primary architects of the theological foundations for what has become known as family equipping ministry a recognition that the generations need one another and that parents have an inherent responsibility for the discipleship of their children *The Will to Empower* Barbara Cruikshank,2019-06-30 How do liberal democracies produce citizens who are capable of governing themselves In considering this question Barbara Cruikshank rethinks central topics in political theory including the relationship between welfare and citizenship democracy and despotism and subjectivity and subjection Drawing on theories of power and the creation of subjects Cruikshank argues that individuals in a democracy are made into self governing citizens through the small scale and everyday practices of voluntary associations reform movements and social service programs She argues that our empowerment is a measure of our subjection rather than of our autonomy from power Through a close examination of several

contemporary American technologies of citizenship from welfare rights struggles to philanthropic self help schemes to the organized promotion of self esteem awareness she demonstrates how social mobilization reshapes the political in ways largely unrecognized in democratic theory Although the impact of a given reform movement may be minor the techniques it develops for creating citizens far extend the reach of governmental authority Combining a detailed knowledge of social policy and practice with insights from poststructural and feminist theory The Will to Empower shows how democratic citizens and the political are continually recreated
