Debunking the Yule Log Myth Robert E. May,2024-12-01 A powerful new book that corrects a false myth in African American history that Kirkus Reviews calls a thoughtful antidote to white Southern propaganda According to an oft repeated legend during Christmas before the Civil War all enslaved people in the American South enjoyed lengthy vacations of a week or more depending on how long an oversized Yule log burned in their master s fireplace As long as the log held out slaves escaped heavy labor and their masters whips and enjoyed a rare freedom of movement to go and do what they wished as well as gorge themselves on food and drink they never got the rest of the year No wonder they soaked those logs in swamps to make them burn even longer But is it true In this book historian Robert May takes readers on a detective caper as he investigates a story that reaches back to colonial America and continues today May finds no evidence of the Yule log tradition in the historical record instead showing that it originated with pro Confederate Lost Cause propagandists attempting to present the South's prewar system of human bondage in as soft tones as possible Tales about good natured masters and

unresentful slaves jovially sharing Christmases played to this impulse beautifully Debunking the Yule Log Myth does more than correct the historical record It serves as a highly instructive case study in the process of historical mythmaking This captivating tale will appeal to all readers interested in African American history and the long struggle to support white supremacy by creating a mythical antebellum American South St. Dale Sharyn McCrumb, 2006-03-01 The Dale Earnhardt Memorial Pilgrimage is the last trip Judge Bekasu Holifield would have chosen for her vacation But this year it s her sister Justine's turn to make their plans and soon Bekasu's boarding a silver cruise bus for a tour of Southern stock car speedways with Justine their cousin Cayle and a group of strangers all of whose lives have somehow been touched by the legendary racer they never met For Shane McKee the tour is a chance to get married at the speedway with his hero there in spirit New York stockbroker Terence Palmer has made the trip to honor his only link with the father he never knew Rev Bill Knight whose hobby is medieval pilgrimages agrees to chaperone a dying child and finds himself on a strangely familiar journey of faith and devotion Bekasu begins connecting with her fellow travelers in unexpected ways But she's not the only one As the bus rolls down an uncertain road prayers will be answered secrets will be revealed bonds will be forged and no one will leave this journey of self discovery quite the same One of McCrumb's finer achievements Denver Post Rocky Mountain News A wild ride Sharyn McCrumb has done it again Ward Burton winner of the Daytona 500 Cynthia Rowley, Ilene Rosenzweig, 2010-06-22 Every day's a holiday in Swellville But December is the swellest time of all Coauthors of the breakthrough style manuals Swell A Girl s Guide to the Good Life and Home Swell Home Designing Your Dream Pad Cynthia and Ilene now bring their signature mix of spirit and style to holiday time So come on in brush the snow off your boots and knock back some chick nog The Swell girls have been shopping for ideas all year and have their stockings full of ways to rev up the revelry redeck the halls and spruce up your holiday look without resorting to reindeer sweaters No elves required The girls wrap it all up and tie it with a loopy bow And if you don't like it you can always return it Rotarian, 1992-11 Established in 1911 The Rotarian is the official magazine of Rotary International and is circulated worldwide Each issue contains feature articles columns and departments about or of interest to Rotarians Seventeen Nobel Prize winners and 19 Pulitzer Prize winners from Mahatma Ghandi to Kurt Vonnegut Jr have written for the magazine Art & Antiques ,1992 Feb 2008 For collectors of fine and decorative arts The Book of American Traditions Emyl Jenkins, 1996 Celebrating the American spirit and its rich legacy The Book of American Traditions is a treasury of lore stories customs and activities passed down from generation to generation Until now many of these traditions have been lost or forgotten In these pages are hundreds of ideas for keeping cherished traditions alive and starting new ones to share with your family and friends The Book of American Traditions features read aloud stories nostalgic tales fascinating facts quotable lines poems and vignettes and personal recollections from famous and ordinary folk alike that every family member will enjoy To gather the material for this book Emyl Jenkins interviewed hundreds of men women and children across the country who
