CAMBRIDGE

# Floating Pound And The Sterling Area 1931 1939

**John Darwin**

## **Floating Pound And The Sterling Area 1931 1939:**

**The Floating Pound and the Sterling Area** Ian M. Drummond, 2008-07-10 Britain's abandonment of the Gold Standard in 1931 raised new economic policy problems both for Britain and for the countries of the Empire who had to decide whether to follow sterling off gold and if so whether to peg their currencies to sterling By exploiting archival material the author casts fresh light on the debates and financial diplomacy of the period and provides a fuller understanding of several key issues the formation of the sterling area the World Economic Conference of 1933 and American concerns about the price and course of sterling

**Commonwealth in the 1980's** A.J.R. Groom, Paul Taylor, 2016-01-23 *Britain and the Sterling Area* Catherine Ruth Schenk, 1994 To complement current work on the British domestic economy in the post war period it is necessary to examine external economic policy Whilst considerable work has been done on Britain's relations with Europe and with America the complexities of the sterling area have remained obscure This volume makes a significant contribution to unravelling the strands of British external economic policy in the post war period

**Britain, America and Rearmament in the 1930s** C. Price, 2001-09-12 This book is the first to challenge current orthodoxy that Chamberlain's appeasement policy before World War Two was justified by Britain's inability to pay for rearmament The book shows that British war potential was actually massive with a solid foundation in the existing Imperial economy Using previously unconsidered and recently declassified documents from British and American archives the author demonstrates that the deliberate and political rejection of rearmament in the hope of eventual American support proved catastrophic for Britain

The International Order of Asia in the 1930s and 1950s Nicholas J. White, 2016-03-03 This book reconsiders the nature and formation of Asia's economic order during the 1930s and 1950s in light of the new historiographical developments in Britain and Japan Recently several Japanese economic historians have offered a new perspective on Asian history arguing that economic growth was fuelled by the phenomenon of intra Asian trade which began to grow rapidly around the turn of the 19th 20th centuries On the other side British imperial historians P J Cain and A G Hopkins have presented their own interpretation of gentlemanly capitalism in which they emphasize the leading role of the service sector rather than that of British industry in assessing the nature of the British presence overseas In order to assess and test these new perspectives this volume addresses three key issues The first is to reconsider the metropolitan peripheral relationship in Asia focusing particularly on the role of the sterling area and its implications for Asian economic development The second is to examine the formation of inter regional trade relations within Asia in the 1930s and their revival and transformation in the 1950s The final issue is the comparison of the international order of Asia of the 1930s with the 1950s and the degree to which the Second World War represented a break point in Asia's economic development Dealing with issues of trade economy nationalism and imperialism this book provides fresh insights into the development of Asia during the mid twentieth century Drawing on the latest scholarship it will prove invaluable to all who wish to better understand the position of countries such as Japan China India Singapore

Malaysia and Korea within the wider international order

**Violence and Colonial Order** Martin Thomas, 2012-09-20 This is a pioneering multi empire account of the relationship between the politics of imperial repression and the economic structures of European colonies between the two World Wars Ranging across colonial Africa Southeast Asia and the Caribbean Martin Thomas explores the structure of local police forces their involvement in colonial labour control and the containment of uprisings and dissent His work sheds new light on broader trends in the direction and intent of colonial state repression It shows that the management of colonial economies particularly in crisis conditions took precedence over individual imperial powers particular methods of rule in determining the forms and functions of colonial police actions The politics of colonial labour thus became central to police work with the depression years marking a watershed not only in local economic conditions but also in the breakdown of the European colonial order more generally

The Lion and the Springbok Ronald Hyam, Peter Henshaw, 2003-05-15 The Lion and the Springbok presents an account of the dynamics and divergences of the uneasy special relationship of Britain and South Africa From the bruising experience of the South African War 1899-1902 to South Africa's withdrawal from the Commonwealth in 1961 the authors chart this relationship in all its political economic cultural and geostrategic aspects All the major disputes are discussed including the struggle for the High Commission Territories the crisis over Seretse Khama's marriage and the transfer of the Simon's Town naval base These issues trace for the most part a continuing deterioration in relations as Afrikaner nationalist identity hardened and South African politics slid into the extremes of apartheid The perceptions each side had of the other after 1948 are examined through representations in the media and an epilogue considers the reasons for the return of the New South Africa to the Commonwealth in 1994

*The Treasury and British Public Policy 1906-1959* G. C. Peden, 2000-03-02 This authoritative history of the Treasury provides a new perspective on public policy making in the twentieth century as it explores the role and functions of the Chancellor of the Exchequer and the consequent implications for the changing role of the Treasury As the central department in British government the Treasury plays a key role in decisions on public expenditure and on raising taxes and loans Professor Peden traces the development of the Treasury's responsibility for managing the national economy and looks at how it became increasingly involved in international relations from the time of the First World War In further examining the relations between ministers and their official advisers this history explores the growing influence of economists in Whitehall

**Empire and Film** Lee Grieveson, Colin McCabe, 2019-07-25 This important new volume reconstructs the forms of production distribution and exhibition of films made in and about the colonies It then ties them to wider theoretical issues about film and liberalism spectacle and political economy representation and rule The result is one of the first volumes to examine how imperial rule is intimately tied to the emergence of documentary as a form and indeed how the history of cinema is at the same time the history of Empire

BRIAN LARKIN Barnard College This superb collection of new scholarship shows how cinema both communicated and aided the imperialist agenda throughout the twentieth century In

doing so it shows film can be understood as one of the tools of empire as much as the technology of weaponry or modes of administration a means of education and indoctrination in the colonies and at home TOM GUNNING University of Chicago At its height in 1919 the British Empire claimed 58 countries 400 million subjects and 14 million square miles of ground Empire and Film brings together leading international scholars to examine the integral role cinema played in the control organisation and governance of this diverse geopolitical space The essays reveal the complex interplay between the political and economic control essential to imperialism and the emergence and development of cinema in the late nineteenth and first half of the twentieth century Contributors address how the production distribution and exhibition of film were utilised by state and industrial and philanthropic institutions to shape the subject positions of coloniser and colonised to demarcate between civilised and primitive and codify difference and to foster a political economy of imperialism that was predicated on distinctions between core and periphery The generic forms of colonial cinema were consequently varied travelogues mapped colonial spaces actuality films re presented spectacles of royal authority and imperial conquest and conflict home movies rendered colonial self representation state financed newsreels and documentaries fostered political and economic control and the education of British and colonial subjects philanthropic and industrial organisations sponsored films to expand Western models of capitalism British and American film companies made films of imperial adventure These films circulated widely in Britain and the empire and were sustained through the establishment of imperial networks of distribution and exhibition including in particular innovative mobile exhibition circuits and non theatrical spaces like schools museums and civic centres Empire and Film is a significant revision to the historical and conceptual frameworks of British cinema history and is a major contribution to the history of cinema as a global form that emerged amid and in dialogue with the global flows of imperialism The book is produced in conjunction with a major website housing freely available digitised archival films and materials relating to British colonial cinema [www.colonialfilm.org.uk](http://www.colonialfilm.org.uk) and a companion volume entitled *Film and the End of Empire* **Scandinavia and the Great Powers 1890-1940** Patrick Salmon,2002-04-11 At the beginning of the twentieth century Scandinavia lay on the margin of European power politics but with the polarisation of international relations in the era of the two world wars Denmark Finland Norway and Sweden became the point where the spheres of influence of three great powers Great Britain Germany and Russia intersected In this book Patrick Salmon uses his extensive research in British German and Scandinavian archives to examine the position of the Nordic countries in the great power rivalries and conflicts of the period 1890 1940 However it does not treat the Nordic countries merely as passive victims It seeks to show that despite the disparity in strength between the great powers and the small states of northern Europe the latter had means of adapting to great power pressures and even influencing the policies of their formidable neighbours British

Protectionism and the International Economy Tim Rooth,1993-03-04 This 2003 book examines the forces behind the British abandonment of free trade in the 1930s *The Empire Project* John Darwin,2009-09-24 The British Empire wrote Adam

Smith has hitherto been not an empire but the project of an empire and John Darwin offers a magisterial global history of the rise and fall of that great imperial project The British Empire he argues was much more than a group of colonies ruled over by a scattering of British expatriates until eventual independence It was above all a global phenomenon Its power derived rather less from the assertion of imperial authority than from the fusing together of three different kinds of empire the settler empire of the white dominions the commercial empire of the City of London and Greater India which contributed markets manpower and military muscle This unprecedented history charts how this intricate imperial web was first strengthened then weakened and finally severed on the rollercoaster of global economic political and geostrategic upheaval on which it rode from beginning to end

**Keynes and His Critics** G. C. Peden, 2004-12-16 These documents published here for the first time present the Treasury's counter arguments during the period when Keynes was developing the ideas that led to the Keynesian revolution in economic policy Economists and historians have tended to assume that Keynes was right and the Treasury was wrong this volume shows that the Treasury anticipated the political problems that would be encountered in putting Keynes's ideas into practice The topics covered include the return to the gold standard unemployment inflation and the international economy This edition complements the Royal Economic Society's Collected Writings of John Maynard Keynes and sheds new light on a formative period in British history

**Politics, Markets, and Grand Strategy** Lars S. Skålnes, 2000 Why do great powers sometimes favor one country over another in the conduct of their foreign economic policies

**Money and Power** P.L. Cottrell, D.E. Mogridge, 1988-06-18 A collection of essays written by students colleagues and friends of Professor Leslie Pressnell in honour of his 65th birthday and his scholarship in the field of financial history The subjects range from monetary history inter relations of finance and financial problems for politicians

*The Genesis of a Policy* Honae Cuffe, 2021-11-16 The years 1921-57 marked a period of immense upheaval for Australia as the nation navigated economic crises the threat of aggressive Japanese expansion and shifting power distributions with the world transitioning from British leadership to that of the US This book offers a reassessment of Australia's foreign policy origins and maturation during these tumultuous years Successive Australian governments carefully observed these global and regional forces The policy that developed in response was an integrated one that is one that sought to balance Australia's particular geopolitical circumstances with great power relationships and in assessing the value of these relationships ensure that the nation's trade security and diplomatic interests were served Amid the economic and strategic uncertainty of the interwar years the Australian government acknowledged the shifting power distributions in the global and Asia Pacific orders and that neither the policies of Britain nor the US completely served the national interest The nation accordingly sought to intervene within the policies of the great powers to ensure its particular interests were secured This geopolitically informed interventionist approach which had its genesis in the 1930s is traced throughout the 1940s and 1950s highlighting Australia's gradual and uneven transition from the British world order to that of the US and the frank assessments made about which

relationship best served Australia's interests The *Genesis of a Policy* identifies a comprehensive and pragmatic approach albeit not always effectively executed in Australian foreign policy tradition that has not been previously examined

Britain's Experience of Empire in the Twentieth Century Andrew Thompson, 2016-11-24 Written by specialists from various fields this edited volume is the first systematic investigation of the impact of imperialism on twentieth century Britain The contributors explore different aspects of Britain's imperial experience as the empire weathered the storms of the two world wars was subsequently dismantled and then apparently was gone How widely was the empire's presence felt in British culture and society What was the place of imperial questions in British party politics Was Britain's status as a global power enhanced or underpinned by the existence of its empire What was the relation of Britain's empire to national identities within the United Kingdom The chapters range widely from social attitudes to empire and the place of the colonies in the public imagination to the implications of imperialism for demography trade party politics and political culture government and foreign policy the churches and civil society and the armed forces The volume also addresses the fascinating yet complex question of how after the formal end of empire the colonial past has continued to impinge upon our post colonial present as contributors reflect upon the diverse ways in which the legacies of empire are interpreted and debated in Britain today

*The International Organization of Credit* Randall D. Germain, 1997-10-13 In this book Randall Germain explores the international organization of credit in a changing world economy At the centre of his analysis is the construction of successive international organisations of credit built around principal financial centres PFCs and constituted by overlapping networks of credit institutions mainly investment commercial and central banks A critical historical approach to international political economy IPE allows Germain to stress both the multiple roles of finance within the world economy and the centrality of financial practices and networks for the construction of monetary order He argues that the private global credit system which replaced Bretton Woods is anchored unevenly across the world's three principal financial centres New York London and Tokyo This balance of power is irrevocably fragmented with respect to relations between states and highly ambiguous in terms of how power is exercised between public authorities and private financial institutions

*Global Politics and Financial Governance* Randall Germain, 2010-11-22 The financial crisis prompted many to ask how financial systems from America and Iceland to Russia and Hungary could have been so misgoverned that their near collapse plunged the entire world into recession Randall Germain assesses what needs to be done and by whom to avoid a repetition of what he calls the great freeze

**Beyond 1917** Thomas W. Zeiler, David K. Ekbladh, Benjamin C. Montoya, 2017-03-27 *Beyond 1917* explores the consequences of the war for the United States and the world and American influence on shaping the legacies of the conflict in the decades after US entry in 1917

## Adopting the Melody of Phrase: An Emotional Symphony within **Floating Pound And The Sterling Area 1931 1939**

In a world taken by displays and the ceaseless chatter of instant conversation, the melodic elegance and emotional symphony produced by the published term often fade into the backdrop, eclipsed by the relentless noise and disruptions that permeate our lives. But, nestled within the pages of **Floating Pound And The Sterling Area 1931 1939** a marvelous fictional prize overflowing with fresh thoughts, lies an immersive symphony waiting to be embraced. Constructed by a masterful musician of language, that captivating masterpiece conducts visitors on an emotional journey, skillfully unraveling the concealed tunes and profound influence resonating within each carefully crafted phrase. Within the depths of the touching analysis, we will examine the book's central harmonies, analyze its enthralling writing model, and surrender ourselves to the profound resonance that echoes in the depths of readers' souls.

### **Floating Pound And The Sterling Area 1931 1939 Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Floating Pound And The Sterling Area 1931 1939 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Floating Pound And The Sterling Area 1931 1939 has opened up a world of possibilities. Downloading Floating Pound And The Sterling Area 1931 1939 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Floating Pound And The Sterling Area 1931 1939 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Floating Pound And The Sterling Area 1931 1939. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Floating Pound And The Sterling Area 1931 1939. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Floating Pound And

The Sterling Area 1931 1939, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Floating Pound And The Sterling Area 1931 1939 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### FAQs About Floating Pound And The Sterling Area 1931 1939 Books

1. Where can I buy Floating Pound And The Sterling Area 1931 1939 books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Floating Pound And The Sterling Area 1931 1939 book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Floating Pound And The Sterling Area 1931 1939 books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.

7. What are Floating Pound And The Sterling Area 1931 1939 audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Floating Pound And The Sterling Area 1931 1939 books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
