small children who were anxiously looking at him Have you come to take us for a ride asked Bunny In one of daddy s boats added Sue who generally waited for her brother to speak first since he was a year older than she Not this time messmates answered Bunker Blue with a laugh calling the children the name one sailor sometimes gives to another Not this time messmates I ve come up to get the ark Oh the ark cried Bunny Did you hear that Sue Bunker has come up to get the ark Oh Oh and Sue fairly squealed in delight Then we ll have a nice ride in that Wait Bunker till I put my doll away and I ll come with you Wait for me And I ll come too added Bunny I can bring my boat with me Tisn t all done yet he added but I can whittle on it when we ride along and then I can sail it when we get to the dock Now avast there and belay messmates cried Bunker Blue with a laugh using some more of the kind of talk he heard among the sailors that came to Mr Brown s dock with boats of fish Wait a minute I didn t say I had come to give you a ride in the ark I just came to get it But you will let us ride won t you Bunker asked Bunny smiling at the tall boy Cause we ll sit just as still as anything added Sue And I won t touch the steering wheel not once promised Bunny I guess you d better not not after you once got almost run away with in the big ark said Bunker I should say not Oh please let us come with you begged Sue We want awful much to ride in the ark Bunker While the two children were talking to the tall boy another little girl had crawled under the fence from the street and was now standing near Bunny and his sister She was Sadie West one of Sue s chums and when she heard Bunny s sister begging for a ride in the ark Sadie said Oh Sue is he going to take your Noah s ark away I wouldn t let him if I were you It isn t Noah s ark at all Sue explained We call the big automobile that we had such a long ride in the ark It looks a little like a Noah s ark but it s bigger and we can all get in it she added Oh exclaimed Sadie I thought Bunker meant he was going to take your little ark and all the wooden animals away she added Not this time said Bunker Blue Your father sent me up Bunny to get the big auto the ark as you call it It s got to be fixed and I m to drive it to the shop over at East Milford That s why I came up Where s your mother I want to tell her I m taking away the ark so she won t think some tramps or some gypsies have run off with it I ll call her Sue said while Bunny kept on brushing the tiny whittlings from his jacket and short trousers And there was a queer look on the face of Bunny Brown
