Frances Countess Lloyd George More Than A Mistress:

Frances, Countess Lloyd George Ruth Longford, 1996 **Lloyd George** Richard Wilkinson, 2018-01-30 David Lloyd George left a profound political legacy despite being described by the wife of his successor Herbert Asquith as a gambler without foresight. He is of course best known as the Prime Minister who led Britain to victory in World War I but his contribution to domestic politics was similarly impressive. As Chancellor of the Exchequer he introduced pensions and national insurance against sickness and unemployment while as Prime Minister he extended democracy by giving votes to women. Yet Lloyd George was compromised by his flaws as a human being. Vain, cruel, capricious and dishonest at times, his notoriously corrupt nature threatened to damage the British political system. Providing a unique new perspective on one of the most phenomenally talented but also one of the most phenomenally flawed of British Prime Ministers, this book will be essential reading for anyone interested in modern British politics and history.

The Unknown Lloyd George Travis L. Crosby, 2014-01-24 David Lloyd George is widely regarded as one of the most effective British prime ministers of the twentieth century. A dynamic speaker and committed social reformer, he led Britain successfully through the devastation of World War I and had a powerful impact on international politics. In the post-war peace treaties, he sought a just rather than a vengeful settlement for the defeated powers in an attempt to preserve a peaceful international order. Whilst Lloyd George's achievements were undoubtedly substantial, his political record was not entirely without blemish and in his personal life he was a fascinating and complex character. Renowned as a womaniser after 1913, he retained two separate households, one with his wife and one with his mistress, his former private secretary. Based on extensive research, Travis L. Crosby provides a fresh appraisal of the life of one of Britain's most conflicted politicians.

Lloyd George John Grigg, 2013-11-07 John Grigg's four-volume life of Lloyd George is one of the great political biographies. This, the final volume, opens with Lloyd George's succession to the Premiership in December 1916 when Britain faced starvation and defeat through the German U-boat campaign; its allies, France, Russia, and Italy, were tottering; the Liberal Party was bitterly divided and unrest in Ireland was growing. Worst of all, military chiefs regarded themselves as at least the equals of the government. To resolve these crises required ruthlessness, political genius, and leadership of the highest order. In this thrilling book, we see one of Britain's most resourceful Prime Ministers in brilliant action, steering his country to victory. It is a tragedy John Grigg didn't live to complete his magnum opus, but what exists is a masterpiece. Faber Finds is reissuing the four volumes: *The Young Lloyd George*, *Lloyd George: The People's Champion 1902-1911*, *Lloyd George: From Peace to War 1912-1916*, and *Lloyd George: War Leader 1916-1918*. With this volume, Grigg crowns the edifice of one of the great biographies of our time. Anthony Howard, *Sunday Times*. A fitting climax to a path-breaking study. John Campbell, *Independent*. Books of the Year. Superb, the fullest account we shall ever have of Lloyd George's career as a wartime Prime Minister. It is a fascinating story and is told with panache, vigour, clarity, and impartiality. By a great biographer, it brings out as never before the brilliance of Lloyd George's finest hour. Robert Blake

Evening Standard A major publishing event Grigg mingles factual precision high interest value and judgements which are mostly as wise as they are forthright Roy Jenkins Sunday Telegraph Books of the Year Gripping essential This wonderful biography clear and authoritative every page a lesson in how to write narrative history well up to its preceding volumes recreates both a time of acute national danger and an extraordinary man Max Egremont Financial Times

Life under British Colonial Rule Godfrey Mwakikagile, 2018-05-08 This work focuses on life under British colonial rule in Tanganyika and Southern Rhodesia An African from Tanganyika now Tanzania shares his experiences A British administrator who worked in colonial Tanganyika and in Southern Rhodesia also shares his It is a work of shared memories although a generation apart the British administrator being old enough to be a father to the African colonial subject who remembers not only the good times but also some of the injustices he and others suffered during that period Both perspectives complementing each other shed some light on how life was in colonial Tanganyika for the indigenous people and for the British settlers and colonial rulers as well It was a critical period in the history of Tanganyika and for the future of the country which came to be known as Tanzania after uniting with Zanzibar in 1964 It was also a critical period in the history of Southern Rhodesia which tragically descended into war only a few years later because of the injustices Africans suffered at the hands of their rulers the white settlers who monopolised power The work is also important in another respect It is a primary source of information The two individuals who have written about their experiences during those days were witnesses to history They lived in those countries They know what happened And they have written about it for others to know how life was during some of the most critical years in the history of British colonial rule in Africa

Sex, Sects and Society Russell Davies, 2018-03-28 This book will provide an educational and entertaining read It will explain the contradictions and complexities of the Welsh national identity This book will reveal the hardships and horrors of some people's lives It will reveal how religion and superstition ebbed and flowed together

Rewriting the First World War Andrew Suttie, 2005-12-16 This book assesses Lloyd George's attempt to shape the history of 1914-18 through his War Memoirs His account of the British conduct of the war focused on the generals incompetence their obsession with the Western Front and their refusal to consider alternatives to the costly trench warfare in France and Belgium Yet as War Minister and Prime Minister Lloyd George presided over the bloody offensives of 1916-17 and had earlier taken a leading role in mobilising industrial resources to provide the weapons which made them possible

Rewriting the First World War examines how Lloyd George addressed this paradox

Reginald McKenna Martin Farr, 2004-04-30 Reginald McKenna has never been the subject of scholarly attention This was partly due to his own preference for appearing at the periphery of events even when ostensibly at the centre and the absence of a significant collection of private papers This new book redresses the neglect of this major statesman and financier partly through the natural advance of historical research and partly by the discoveries of missing archival material McKenna's role is now illuminated by his own reflections and by the correspondence of friends and

colleagues including Asquith Churchill Keynes Baldwin Bonar Law MacDonald and Chamberlain McKenna's presence at the hub of political life in the first half of the century is now clear in the radical Liberal governments of 1905-16 where he acted as a lightning conductor for the party during the war where he served as the Prime Minister's deputy and the principal voice for restraint in the conduct of the war and as chairman of the world's largest bank where until his death in office aged eighty he prompted progressive policies to deal with the issues of war debt trade mass unemployment and the return to gold **A**

Liberal Chronicle in Peace and War Cameron Hazlehurst, Christine Woodland, 2023-05-19 Jack Pease was at the heart of the British Liberal government from 1908 to 1915 holding the position of Chief Whip through two general elections and a member of the Cabinet confronting domestic tumult international tensions and war Pease was an unassuming participant in the deliberations of a unique gathering of political talent His journals as President of the Board of Education from 1911 to the formation of the coalition ministry in 1915 are a closely observed unvarnished record of what he saw and heard in Downing St and Westminster constitutional and Home Rule crises industrial conflict electoral reform women's suffrage controversies struggles over budgets naval estimates and foreign policy Despite his Quaker beliefs Pease committed to supporting war against Germany and his troubled conscience is laid bare in letters to his wife and friends Replete with intimate portraits of his revered chief H H Asquith and the Prime Minister's social circle the journals also provide evocative observations of the contest of ideas arguments and moods of prominent contemporaries especially David Lloyd George as Chancellor of the Exchequer Winston Churchill as Home Secretary then First Lord of the Admiralty and Lord Kitchener as Secretary of State for War Pease's candid accounts augmented by the diaries and letters of others privy to Cabinet policy secrets and personal rivalries reveal the stories not told in the Prime Minister's reports to the King Together with the editors' biographical introduction extensive explanatory commentaries and bibliographical guidance Pease's text provides a uniquely comprehensive understanding of Asquith's Liberal government in peace and war **The Flags Changed at Midnight**

Michael Longford, 2001 Towards Independence of Tanganyika An eye witness account of the life of a colonial official Michael Longford Arriving in Tanganyika in 1951 he was licensed as a lay reader by the first African Anglican Bishop in Tanganyika and through his work at Government House saw Tanganyika's rapid and harmonious progress to Independence in December 1961 **Clementine** Sonia Purnell, 2016-10-25 Engrossing the first formal biography of a woman who has heretofore been

relegated to the sidelines The New York Times From the author of the New York Times bestseller A Woman of No Importance a long overdue tribute to the extraordinary woman who was Winston Churchill's closest confidante fiercest critic and shrewdest advisor that captures the intimate dynamic of one of history's most fateful marriages Late in life Winston Churchill claimed that victory in the Second World War would have been impossible without the woman who stood by his side for fifty seven turbulent years Why then do we know so little about her In this landmark biography a finalist for the Plutarch prize Sonia Purnell finally gives Clementine Churchill her due Born into impecunious aristocracy the young Clementine Hozier was

the target of cruel snobbery Many wondered why Winston married her when the prime minister's daughter was desperate for his attention Yet their marriage proved to be an exceptional partnership You know Winston confided to FDR I tell Clemmie everything Through the ups and downs of his tumultuous career in the tense days when he stood against Chamberlain and the many months when he helped inspire his fellow countrymen and women to keep strong and carry on Clementine made her husband's career her mission at the expense of her family her health and fatefully of her children Any real consideration of Winston Churchill is incomplete without an understanding of their relationship Clementine is both the first real biography of this remarkable woman and a fascinating look inside their private world Sonia Purnell has at long last given Clementine Churchill the biography she deserves Sensitive yet clear-eyed Clementine tells the fascinating story of a complex woman struggling to maintain her own identity while serving as the conscience and principal adviser to one of the most important figures in history I was enthralled all the way through Lynne Olson bestselling author of *Citizens of London* **Lloyd**

George Papers at the National Library of Wales and Other Repositories J. Graham Jones, 2001 *Cylchgrawn Llyfrgell Genedlaethol Cymru* National Library of Wales, 2006 The Pain and the Privilege Ffion Hague, 2008 With exclusive access to papers long out of the public realm the wife of William Hague focuses on the life of David Lloyd George prime minister devoted public servant and habitual womaniser **Transactions** Caernarvonshire Historical Society, 2006

An Historian in Peace and War T.G. Otte, 2016-04-15 The First World War and subsequent peace settlement shaped the course of the twentieth century and the profound significance of these events were not lost on Harold Temperley whose diaries are presented here An established scholar and later one of Britain's foremost modern and diplomatic historians Temperley enlisted in the army at the outbreak of the war in August 1914 Invalided home from the Dardanelles campaign in 1915 he spent the remainder of the war and its aftermath as a general staff officer in military intelligence Here he played a significant role in preparing British strategy for the eventual peace conference and in finalising several post war boundaries in Eastern Europe Later in the 1920s and 1930s Temperley was to co edit the British diplomatic documents on the origins of the war and the vicissitudes of modern Great Power politics were to be his principal preoccupation Beginning in June 1916 the diary presents a more or less daily record of Temperley's activities and observations throughout the war and subsequent peace negotiations As a professional historian he appreciated the significance of eyewitness accounts and if Temperley was not at the very heart of Allied decision making during those years he certainly had a ringside seat Trained to observe accurately he recorded the concerns and confusions of wartime conscious always of the historical significance of what he observed As a result there are few sources that match Temperley's diary which presents a fascinating and unique perspective upon the politics and diplomacy of the First World War and its aftermath **Royal Historical Society Annual**

Bibliography of British and Irish History Royal historical society (GB)., 1998 The Royal Historical Society's Annual Bibliography of British and Irish History provides a comprehensive and authoritative survey of books and articles on

historical topics published in a single calendar year The volume covers all periods of British and Irish history from Roman Britain to the late twentieth century and also includes a section on imperial and commonwealth history It is the most complete and up to date bibliography of its type and an indispensable tool for historians
