property such as cottages manor houses inns mills former church properties and farms are discussed In one example research demonstrated that a farm was likely to have been a Domesday manor a fascinating discovery achieved using records accessible to any beginner

Scotland's Castles Janet Brennan-Inglis,2014-07-07 Scotland's Castles is a beautifully illustrated celebration and account of the renaissance of Scottish castles that has taken place since 1950 Over 100 ruined and derelict buildings from tiny towers to rambling baronial mansions have been restored as homes hotels and holiday lets These restorations have mainly been carried out by new owners without any connections to the land or the family history of the buildings which they bought as ruins Their struggles and triumphs including interviews and first person accounts form the core of the book set in the context of the enormous social political and economic changes of the late twentieth century

Teaching Primary Humanities Russell Grigg,2014-05-22 As primary subjects are increasingly being taught on an interdisciplinary level Russell Grigg and Sioned Hughes have created an innovative new text Teaching Primary Humanities This new text explores current debate encourages reflection and provides clear guidance on planning teaching and assessing the humanities from the Early Years to Key Stage 2 Through a blend of theory and real life examples Grigg and Hughes demonstrate the contribution that history geography and religious education can make to enhancing children's thinking literacy numeracy and ICT skills Whether you are a trainee or a practitioner this book will develop your knowledge of how young children's understanding of place time and community can be fostered through a play based curriculum It will also benefit teachers of older children looking to encourage more independent learning in their schools About the authors Dr Russell Grigg is Head of the South West Wales Centre of Teacher Education He is a trained primary inspector for England and Wales He has written widely in the field of history and primary education including Wales in the Victorian Age and Becoming an Outstanding Primary Teacher Dr Sioned Hughes is Senior Lecturer in Initial Teacher Training at the South West Wales Centre of Teacher Education She has published many educational materials especially in primary geography Her work on Patagonia was recognised by the Welsh Books Council as the Bestselling Children's Book in 2011

Architecture in Nineteenth Century Photographs Micheline Nilsen,2011 Revealing that nineteenth century photography goes beyond the functional to reflect the cultural concerns of the time this study proposes that each photographic image of architecture be studied both as a primary visual document and an object of aesthetic inquiry The book offers a socio historical examination of the material considering questions of exoticism gender the art market vernacular architecture and historic preservation never before comprehensively addressed in a single volume

Boconnoc Catherine Lorigan,2017-07-03 The story of the estate at Boconnoc situated near Lostwithiel in south east Cornwall is an extraordinary one As this history demonstrates members of the Cornish families who have owned the estate over many centuries have played important roles within the immediate locality and in national events Catherine Lorigan explores their eventful lives or in many cases deaths dragged over a cliff by greyhounds slain in battle executed for treason or killed in duels She traces how the medieval fortified tower

house evolved into a Georgian mansion discusses how the grounds and gardens have been transformed and examines the relationship of the estate with the agricultural and industrial landscape in which it is set Still family owned and run Boconnoc retains the qualities that give it its magical and timeless ambience while simultaneously it has become a dynamic and successful business for the twenty first century Remains of a Year Bernard F. Carter,2011-06-22 Delightful accounts and keen observations taken during walks and journeys capturing month by month the essence of the seasonal changes taking place over a year in the countryside This eclectic collection of short narratives also encompasses some interesting character portrayals ranging from an impoverished tin miner to an Earl and his family seat along with personal recollections and a goodly dose of nostalgia These imaginatively written narratives have been likened to a series of pictures painted with words embracing such sights as a humble Dartmoor stream where strands of green weed waved like the flowing tresses of a child running in the wind to the sombre grandeur of Glen Coe where dreary clouds were gashed asunder permitting a crimson stain to seep through like blood from a battle wound This is a book to be enjoyed by all who appreciate the countryside and the treasures it reveals if you only take the time to stop and look **Murder at the Inn** James Moore,2015-02-02 In which pub was the notorious murder that led to the Kray twins becoming Britain s most feared gangsters Where is the hostelry in which Jack the Ripper s victims drank How did Burke and Hare befriend their victims in a Scottish watering hole before luring them to their deaths What is the name of the pub where the Lord Lucan mystery first came to light And how did a pub become the scene of the murder that led to Ruth Ellis going to the gallows For centuries the history of beer and pubs has gone hand in hand with some of the nation s most despicable and fascinating crimes Packed with grizzly murders including fascinating little known cases as well as sinister stories of smuggling robbery and sexual intrigue Murder at the Inn is a treasure trove of dark tales linked to the best drinking haunts and historic hotels across the land **Tracing Your House History** Gill Blanchard,2020-01-31 With its practical slant and focus on demystifying unfamiliar property documents this is the perfect introduction to tracing a house history Family Tree Magazine Anyone who wants to find out about the history of their house or their home needs to read this compact practical handbook Whether you live in a manor house or on a planned estate in a laborer s cottage a tied house a Victorian terrace a twentieth century council house or a converted warehouse this is the book for you In a series of concise information filled chapters Gill Blanchard shows you how to trace the history of your house or flat how to gain an insight into the lives of the people who lived in it before you and how to fit it into the wider history of your neighborhood A wealth of historical evidence is available in libraries archives and record offices in books and online and this is the ideal introduction to it Gill Blanchard explores these resources in depth explains their significance and directs the researcher to the most relevant and revealing aspects of them She makes the research process understandable accessible and fun and in the process she demystifies the sometimes obscure language and layout of the documents that researchers will come up against This book is more than a guide to researching the history of your house or a house of

interest It is a font of interest if you are seeking to research and understand the social and domestic lives of people and their communities from early times Federation of Family History Societies **Amongst the Ruins** John Darlington, 2023-04-11

Amongst the Ruins explores the loss of ancient civilizations the collapse of ruling elites and the disappearance of more recent communities and their local traditions Some of these are now sealed under 3 000 year old peat others lost to rising seas or sands and the carcasses of twentieth century buildings which serve as reminders of the destructive power of war These compelling stories of fallen or lost places are brought together through themes of war climate change natural hazards human self destruction and simple economics From the ice of the Arctic fringe through to the desert landscapes of North Africa by way of South America s high mountains and Southeast Asia s urban sprawl Amongst the Ruins charts the rise and fall of places and communities around the world the fascinating characters associated with them and the important events that punctuate their history Exploring wide ranging examples from prehistory to the present day John Darlington challenges us to recognize past failures and identify what we need to do to protect the cultures of our current world
