**Francis of Assisi** Nicolaas Gerardus Maria van Doornik,Nicolaas Gerardus Maria Doornik,1979      **Francis: A Pope for Our Time** Luis Rosales,Daniel Olivera,2013-11-05 The Catholic Church has been undoubtedly going through a period of profound crisis Endless scandals and conspiracies have plagued the Church in recent years and with resignation of Pope Benedict XVI in February 2013 the Catholic community was left in dire need of direction and spiritual renewal Archbishop Jorge Bergoglio elected to Saint Peter s Throne on March 13 2013 in one of the briefest conclaves in history represents a rekindled sense of hope for the Church s 1 2 billion followers The first Jesuit to occupy the papacy Pope Francis I is also the first pope ever to hail from the Americas and has inspired an enormous sense of pride especially among Latin Americans and his native Argentina Francis A Pope for Our Time The Definitive Biography incisively chronicles Pope Francis ancestry youth call to faith humble beginnings with the Society of Jesus and rise through Argentina s ecclesiastical ranks all the way to the Vatican The book emphasizes His Holiness Jesuit background of humility poverty and service that stands to reform the Vatican s long history of lavish excess and removed otherworldly style of leadership This concise biography also details Jorge Bergoglio s coming of age during the Peronist years the challenges he faced throughout Argentina s brutal military dictatorship as well as his political stance against the progressive policies of the Kirchners Known as the Black Pope for his Jesuit garb the Pope of the Poor and the Third World Pope such monikers exemplify Pope Francis original and primary mandate his pastoral commitment to society s most underprivileged and disenfranchised His dedication to interreligious dialogue accessibility to his community and rejection of pomp in favor of simplicity promises to bring real world leadership to a modern Church desperate to emerge from old world precepts      **Saint Francis of Assisi** Theo H. Zweerman,Edith Goorbergh (A.C. van den),2007 However interesting and important the stories by his contemporaries are there is no better place to discover the most profound inspiration of Saint Francis of Assisi than in his own writings These prayers poems proverbs rules and letters are a gold mine for those who wish to delve into his thoroughly biblical spirituality He reveals himself in them as being someone who was permanently touched and marked by his encounter with Christ In brief the seeker of God who considered his fellow creatures as his brothers and sisters someone who even these days still exerts an unequalled magnetism due to his radical following of Christ However this does not mean that his biblically inspired radiance does not need to be translated to the challenges of modern life This is because the eight centuries separating us from him form a wide chasm In a small way this book endeavours to contribute to the actualisation of Francis charisma a freely chosen life style characterised by having no possessions as well as by courageous service and courteous respect to others What can his biblical art of living signify for the modern individual who jealously guards his or her freedom in a world marked by excessive planning and omnipresent technology and who at the same time is usually not quite sure for whom or for what he or she is actually free      *The Lives of S. Francis of Assisi* Saint Francis (of Assisi),1908      **Walking with Francis of Assisi**

Bruce G. Epperly, 2021-01-12 From a pilgrimage through the streets of Assisi to contemplative walks on the beaches near his home Bruce Epperly has pondered the questions of privilege prayer and social justice while walking with the teachings of Francis of Assisi From his roots in reformation traditions he has a deep understanding of the call Francis received to rebuild the church and the need for constant reformation not only in our personal lives but also in our society and in our religious institutions He knows that change comes from within from listening to the spirit of God as we engage in contemplative listening
