Francis Thompson Wilfrid Meynell A 1st Edition:

Poems of Francis Thompson Francis Thompson, 2002-07-04 During the research for her biography of Francis Thompson *Between Heaven and Charing Cross* it became clear to Brigid Boardman that a new edition of his poetry was essential for a full recognition of the range and variety of his work He remains best known for his great poem *The Hound of Heaven* but his work as a whole has never been properly presented All previous editions include the many alterations and deletions that were made to Thompson's work posthumously by Wilfrid Meynell for the edition of 1913 Meynell's aim was to present the poetry in a strictly orthodox Catholic light in a period when fears about Modernism influenced the Church's understanding of literature These anxieties have not served the poetry well Thompson's aim was to be the poet of the return to God and his work expresses the divine presence that he believed permeated all aspects of life This edition finally restores an important English poet to the readers that he so deserves *Poems of Francis Thompson* Bridget Boardman, 2002-04-07 During the research for her biography of Francis Thompson *Between Heaven and Charing Cross* it became clear to Brigid Boardman that a new edition of his poetry was essential for a full recognition of the range and variety of his work He remains best known for his great poem *The Hound of Heaven* but his work as a whole has never been properly presented All previous editions include the many alterations and deletions that were made to Thompson's work posthumously by Wilfrid Meynell for the edition of 1913 Meynell's aim was to present the poetry in a strictly orthodox Catholic light in a period when fears about Modernism influenced the Church's understanding of literature These anxieties have not served the poetry well Thompson's aim was to be the poet of the return to God and his work expresses the divine presence that he believed permeated all aspects of life This edition finally restores an important English poet to the readers that he so deserves A Bookman's Catalogue Vol. 2 M-End T. The inspiring stories of a number of very different characters who used their Christian faith to cope with their experiences of the First World War Jacqueline Wadsworth author of *Letters from the Trenches* While a toxic mixture of nationalism and militarism tore Europe and the wider world apart from 1914 to 1919 there was one factor that united millions of people across all nations that of a Christian faith People interpreted this faith in many different ways Soldiers marched off to war with ringing endorsements from bishops that they were fighting a Godly crusade others preached in churches and tribunal hearings that war was fundamentally against the teachings of Christ Whether Church of England or Nonconformist Catholic or Presbyterian German Lutheran or the American Church of Christ in Christian Union men and women across the globe conceptualized their war through the prism of their belief in a Christian God This book brings together twenty three individual and family case studies some of well known personalities others whose stories have been neglected through the decades Although divided by nation social class political outlook and denomination they were united in their desire to Fight the Good Fight John Broom looks at such beliefs during the first world war the Tommies were always fighting for God the king and their country a fascinating study Books Monthly A detailed study of a usually hidden aspect of wartime social history the topic of Christian faith Fight the Good Fight has been meticulously researched and includes a wealth of previously unpublished material Come Step Back In Time The eighteen nineties; a review of art and ideas at the close of the Holbrook Jackson, 1922 *The Bookseller*, 1913 Official organ of the book trade of the United Kingdom *Bookseller and the Stationery Trades' Journal*, 1910 **Dictionary of National Biography** Sir Sidney Lee, 1912 *Dictionary of National Biography: Neil-Young* Sir Sidney Lee, 1912 **Out of Due Time** Paschal Scotti, 2006-02 Wilfrid Ward 1856-1916 the great biographer of Cardinal Newman was a leading Catholic voice in English society during the early twentieth century Friend to many of its major intellectual figures and a frequent writer in its most prestigious journals he was also the editor of the Dublin Review the leading Catholic journal in the English speaking world Founded by Daniel O'Connell and Nicholas Wiseman in 1836 the Dublin Review was edited by Ward from 1906 to 1916 and under his guidance it entered its golden age attracting the best of England's Catholic writers and much attention outside the household of faith Under his editorship the journal featured well known contributors such as G.K. Chesterton Hilaire Belloc Francis Thompson Alice Meynell Herbert Thurston C.C. Martindale and Robert Hugh Benson Ward's lifetime goal was the reconciliation of the Church with the mind of the age and his editorship of the Dublin was the culmination of his efforts It was a time when the English Catholic Church

had reached a certain maturity and depth that made her universalistic ambitions a real possibility It was also a time of conflict within the Church about how far she could adapt herself to modernity It was while he was editor that the Modernist Crisis erupted a crisis with which he was intimately involved Following the tradition of the great literary quarterlies the journal discussed every aspect of human endeavor and Out of Due Time offers a fine opportunity to view the best of the Catholic mind in an extraordinary period It is a book for both the specialist and the general reader Unsympathetic to extreme views Ward was much misunderstood in his own time and is generally ignored in our own This volume seeks to give him and his work due recognition Paschal Scotti O S B is a teacher in the Portsmouth Abbey School and chairman of the Christian Doctrine Department PRAISE FOR THE BOOK An absorbing study of Wilfrid Ward Scotti is extraordinarily well read in the wider history of his period as well as in Ward s Roman Catholic background the erudition of the work is most impressive especially in its biographical aspect of summarizing briefly the lives of the contributors to the Dublin The work offers an interesting perspective on the public life of England for the period it surveys and a critical view upon the scope and limitations of the Dublin s coverage of it Sheridan Gilley University of Durham Out of Due Time is full of fascinating facts about the intellectual climate of Edwardian and early Georgian England and specifically about the Catholic contribution to that climate as expressed in the pages of the Dublin Review under Wilfred Ward s editorship Joseph Pearce First Things Scotti s study of Ward s editorship gives the reader an absorbing portrait of the era He also uncovers interesting vignettes about many of the now forgotten figures who dominated Church life in the years leading up to the First World War David McLaurin The Tablet Out of Due Time by Dom Paschal Scotti Catholic University of America Press 2006 69 95 is a study of Wilfred Ward and the Dublin Review perhaps the leading Catholic journal in the English speaking world Robert G Lowery Irish Literary Supplement Wilfrid Ward would have good reason to be pleased with this magnificently written and informative examination of his tenure 1906 16 as editor of the Dublin Review the leading Catholic journal in the British Isles After two superb chapters on the earlier life of Ward and the previous history of the journal the author carefully studies its contents in seven chapters extensive excerpts being provided from many of the articles The editing of the book is flawless and the work of
