Volume 2: 1895-1899 William F. Halloran, 2020-04-14 What an achievement It is a major work The letters taken together with the excellent introductory sections so balanced and judicious and informative what emerges is an amazing picture of William Sharp the man and the writer which explores just how fascinating a figure he is Clearly a major reassessment is due and this book could make it happen Andrew Hook Emeritus Bradley Professor of English and American Literature Glasgow University William Sharp 1855 1905 conducted one of the most audacious literary deceptions of his or any time Sharp was a Scottish poet novelist biographer and editor who in 1893 began to write critically and commercially successful books under the name Fiona Macleod This was far more than just a pseudonym he corresponded as Macleod enlisting his sister to provide the handwriting and address and for more than a decade Fiona Macleod duped not only the general public but such literary luminaries as William Butler Yeats and in America E C Stedman Sharp wrote I feel another self within me now more than ever it is as if I were possessed by a spirit who must speak out This three volume collection brings together Sharp s own correspondence a fascinating trove in its own right by a Victorian man of letters who was on intimate terms with writers including Dante Gabriel Rossetti Walter Pater and George Meredith and the Fiona Macleod letters which bring to life Sharp s intriguing second self With an introduction and detailed notes by William F Halloran this richly rewarding collection offers a wonderful insight into the literary landscape of the time while also investigating a strange and underappreciated phenomenon of late nineteenth century English literature It is essential for scholars of the period and it is an illuminating read for anyone interested in authorship and identity Edinburgh, 2005 **Contested Mountains** Robert A. Lambert, 2001 This is a collection of essays showing that concerns about climate change are far from being a uniquely modern phenomenon It traces the origins of environmental debates about soil erosion deforestation and climate change in the writings of early colonial administrators doctors and missionaries The author traces what is known and what can be inferred about El Nino events centuries before the devastating 1997 1998 effects In a concluding essay he analyzes the general significance of marginal land and its ecology in the history of popular resistance movements The Territorials, 1908-1914 Ray Westlake, 2020-01-31 The Territorials 1908 1914 is a unique comprehensive record of the part time soldiers who made up the Territorial Force that supported the regular army in the years immediately before the outbreak of the First

World War Previously information on the history and organization of these dedicated amateur soldiers has been incomplete and scattered across many sources but now in this invaluable work of reference Ray Westlake provides an accessible introduction to the Territorial Force and a directory of the units raised in each county and each town The origin aims and organization of the Territorial Force are described as well as the terms of service recruitment equipment and training But the bulk of the book consists of details of over 600 Territorial units plus a comprehensive account of every city town or village associated with them Essential information on the all the infantry formations is supplied but also covered are the yeomanry the artillery the engineers the Royal Army Medical Corps and the Army Service Corps Ray Westlakes historical guide of the Territorial Force the forerunner of the present day Territorial Army will be of enduring value to military and family historians

Scotland's Castles Janet Brennan-Inglis,2014-07-07 Scotland s Castles is a beautifully illustrated celebration and account of the renaissance of Scottish castles that has taken place since 1950 Over 100 ruined and derelict buildings from tiny towers to rambling baronial mansions have been restored as homes hotels and holiday lets These restorations have mainly been carried out by new owners without any connections to the land or the family history of the buildings which they bought as ruins Their struggles and triumphs including interviews and first person accounts form the core of the book set in the context of the enormous social political and economic changes of the late twentieth century *Francis Frith's Around Belfast* Henry Hall,Francis Frith,2000 [The British Friend](#) ,1875 *Francis Frith's Victorian & Edwardian Maritime Album* Clive Hardy,2002-07-18 Approximately 150 photographs from the Francis Frith Collection with a maritime theme dating from around 1860 to 1910 [Francis Frith's Devon Churches](#) Martin Dunning,2001 Featuring around 150 detailed photographs from the Frith archive this collection provides a comprehensive look at the churches of Devon It includes extended captions to pictures a full introduction and a voucher for a free mounted print **William Sharp and "Fiona Macleod"** William F. Halloran,2022-02-24 William Sharp 1855 1905 conducted one of the most audacious literary deceptions of his or any time A Scottish poet novelist biographer and editor he began in 1893 to write critically and commercially successful books under the name Fiona Macleod who became far more than a pseudonym Enlisting his sister to provide the Macleod handwriting he used the voluminous Fiona correspondence to fashion a distinctive personality for a talented but remote and publicity shy woman Sometimes she was his cousin and other times his lover and whenever suspicions arose he vehemently denied he was Fiona For more than a decade he duped not only the general public but such literary luminaries as George Meredith Thomas Hardy Henry James William Butler Yeats and E C Stedman Drawing extensively on his letters his wife Elizabeth Sharp s Memoir and accounts by friends and associates this biography provides a lucid and intimate account of William Sharp s life from his rejection of the dour religion of his Scottish boyhood his turn to spiritualism to his role in the Scottish Celtic Revival in the mid nineties The biography illuminates his wide network of close male and female friendships through which he developed advanced ideas about the place of women in society the constraints of marriage the fluidity of

gender identity and the complexity of the human psyche Uniquely this biography reveals the autobiographical content of the writings of Fiona Macleod the remarkable extent to which Sharp used the feminine pseudonym to disguise his telling and retelling the complex story of his extramarital love affair with a beautiful and brilliant woman The biography illuminates not only the talented and conflicted William Sharp but also the cultural landscape of Great Britain in the late nineteenth century From late Pre Raphaelitism through the yellow nineties and on to the excesses of the early twentieth century Sharp dabbled in all the movements that comprised what some have called the Age of Decadence Francis Frith's Hampshire Churches Nick Channer,2001 Features around 100 detailed photographs of the churches of Hampshire from the Frith archive There are extended captions to the pictures and a full introduction is included The price quoted includes a voucher to be redeemed with the publisher for a free mounted print of any view in the book **Francis Frith's English Castles** Clive Hardy,Francis Frith,2001 Approximately 150 photographs from the Francis Frith Collection of a selection of castles spanning over 100 years
