**François Le Champi** George Sand,1928      *Francois Le Champi (Classic Reprint)* George Sand,2017-10-15 Excerpt from *Francois Le Champi* This story of F rançois le Champi which George Sand tried to tell in a language and a style that should appeal equally well to the Parisian and the peasant seems spe cially well adapted to the needs of those who are near the beginning of their study of the French language It has been edited with that point in view The notes contain as much syntactical explanation as the editor dared include The vocabulary has been prepared with special care The English equivalents of each word have been given with reference in each case to the con texts in which it occurs Abundant equivalents have been given also for the idiomatic expressions Finally at the end of each chapter or chapters of the story a resume in English has been given which the student may turn back into French The editor has sought to gather up in these resumes the most colloquial and usable expressions of the pages from which they are taken The main object however has been not so much to furnish materials for French composition as to exercise the student in scanning rather more closely About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works      **Francois Le Champi** George Sand,1919      [François le Champi](#) George Sand,1895
