Frank C McCarthy The Old West:

Frank C. McCarthy Frank C. McCarthy, 1981 **Paintings of the Old West by Frank C. McCarthy** Frank C. McCarthy, 1977 **The Art of Frank C. McCarthy** Elmer Kelton, Frank C. McCarthy, 1992 *Elmer Kelton* Judy Alter, James Ward Lee, 2011-03-01

When Elmer Kelton died in the fall of 2009 the literary world lost a consummate writer a man the New York Times called a novelist who brought the sensibility of the old style western to bear on a modern Texas landscape of oil fields and financially troubled ranches Kelton was also a modest kind man always willing to advise a struggling writer or write a blurb for a first time published author or assign publishing rights to his six masterpieces to a small university press TCU Press owes a great debt of gratitude to Kelton and this volume *Elmer Kelton Memories and Essays* attempts to explore just what it is that made Kelton its leading author Editors Judy Alter and James Ward Lee gathered together a group of Kelton aficionados who had either published or taught or sold his books or were simply friends In several meetings they divided up the main themes of Kelton s writing Alter provides the overview of Kelton s career Felton Cochran longtime owner of Cactus Books in San Angelo describes how the friendship between bookstore owner and author grew over the years Ricky Burk pastor of the church from which Kelton was buried talks about the man s influence in his community Kelton s son Steve explains how Kelton s career as journalist permeated his novels Ruth McAdams who has taught Kelton for years explores how he deals with the themes of endurance and change Joyce Roach delicately covers how race and ethnicity figure in Kelton s plots and the development of his unforgettable characters Lee gives readers his inimitable take on the Hewey Calloway Trilogy *The Good Old Boys The Smiling Country and Six Bits a Day* and Bob J Frye takes a wry look at Kelton s use of humor throughout his career The book also contains Kelton s own view of the history of the Western novel a response to revisionist criticism And finally Cochran provides us a list of most not all of Elmer Kelton s extraordinary body of work

Conversations with Texas Writers Frances Leonard, Ramona Cearley, 2010-01-01

Larry McMurtry declares Texas itself doesn t have anything to do with why I write It never did Horton Foote on the other hand says I ve just never had a desire to write about any place else In between those figurative bookends are hundreds of other writers some internationally recognized others just becoming known who draw inspiration and often subject matter from the unique places and people that are Texas To give everyone who is interested in Texas writing a representative sampling of the breadth and vitality of the state s current literary production this volume features conversations with fifty of Texas s most notable established writers and emerging talents The writers included here work in a wide variety of genres novels short stories poetry plays screenplays essays nonfiction and magazine journalism In their conversations with interviewers from the Writers League of Texas and other authors organizations the writers speak of their apprenticeships literary influences working habits connections with their readers and the domestic and public events that have shaped their writing Accompanying the interviews are excerpts from the writers work as well as their photographs biographies and bibliographies

Joe Holley's introductory essay an overview of Texas writing from Cabeza de Vaca's 1542 *Relaci n* to the work of today's generation of writers who are equally at home in Hollywood as in Texas provides the necessary context to appreciate such a diverse collection of literary voices A sampling from the book *This land has been my subject matter* One thing that distinguishes me from the true naturalist is that I've never been able to look at land without thinking of the people who've been on it It's fundamental to me John Graves Writing is a way to keep ourselves more in touch with everything we experience It seems the best gifts and thoughts are given to us when we pause take a deep breath look around see what's there and return to where we were revived Naomi Shihab Nye I've said this many times in print the novel is the middle age genre Very few people have written really good novels when they are young and few people have written really good novels when they are old You just tail off and lose a certain level of concentration Your imaginative energy begins to lag I feel like I'm repeating myself and most writers do repeat themselves Larry McMurtry I was a pretty poor cowhand I grew up on the Macaraw Ranch east of Crane Texas My father tried very hard to make a cowboy out of me but in my case it never seemed to work too well I had more of a literary bent I loved to read and very early on I began to write small stories short stories out of the things I liked to read Elmer Kelton *The Illustrator in America, 1880-1980* Walt Reed, Roger Reed, Society of Illustrators (New York, N.Y.), 1984 A decade by decade exploration of prominent illustrators with each decade introduced by a famous illustrator or historian Walt Reed Ben Eisenstat Harold Von Schmidt Arthur William Brown Norman Rockwell Floyd Davis Al Parker Austin Briggs Bernard Fuchs and Murray Tinkelman *Life in the Saddle* Frank Collinson, 1997-03-01 Englishman Frank Collinson went to Texas in 1872 when he was seventeen to work on Will Noonan's ranch near Castroville He lived the rest of his life in the southwestern United States and at the age of seventy-nine began writing about the Old West he knew and loved He had a flair for writing a phenomenal memory and a passion for truth that is evident in what he wrote and said His writings for *Ranch Romances* his letters and transcriptions of his conversations have been arranged here in roughly chronological order so that their importance for frontier history is readily apparent Collinson ranged the West in his writings as he did in person telling of the last tragic days of buffalo hunting on the Plains clashes between hunters or cowboys and the Plains Indians the character of trail drivers and the definitive nature of violence particularly at gun point J Frank Dobie said of Collinson In the realm of frontier chronicles the writing of educated Englishmen men with the perspective of civilization with imagination and a lust for primitive nature stand out To this class of men belongs Frank Collinson *Monterey Life*, 1988 **The Pony Express** Jean Kinney Williams, 2002-07 A colorful chapter in the history of the Old West Getting the mail to California Two months to get it ready The Pony Express is off Adventure on the job Pony Express bows to telegraph line *Wildlife Art News*, 1993 *Catalog of Copyright Entries. Third Series* Library of Congress. Copyright Office, 1978 *Southwest Art*, 1993 **Twentieth-century Western Writers**, 1982 Lists writers of western fiction with a biography a bibliography of the writer's works and a critical essay on each writer Sometimes
