Frank Capra The Catastrophe Of Success:

Frank Capra Joseph McBride, 2011-06-02 Moviegoers often assume Frank Capra's life resembled his beloved films such as *Mr Smith Goes to Washington* and *It's a Wonderful Life*. A man of the people faces tremendous odds and by doing the right thing triumphs. But as Joseph McBride reveals in this meticulously researched definitive biography, the reality was far more complex: a true American tragedy. Using newly declassified U.S. government documents about Capra's response to being considered a possible subversive during the post-World War II Red Scare, McBride adds a final chapter to his unforgettable portrait of the man who gave us *It Happened One Night*, *Mr Deeds Goes to Town*, and *Meet John Doe*. **Frank Capra** Joseph McBride, 2011

Frank Capra's Eastern Horizons Elizabeth Rawitsch, 2014-10-16 Frank Capra has long had a reputation as being the quintessential American director: the man who perfectly captured the identity and core values of the United States with a string of classic films in the 1930s and 40s, including *It Happened One Night*, *Mr Smith Goes to Washington*, and *It's a Wonderful Life*. However, as Elizabeth Rawitsch argues, Capra's construction of national identity did not occur within an exclusively national context. She points out that many of his films are actually set in or include sequences set in China, Latin America, the Philippines, and the South Seas. Featuring in-depth textual analysis supported by original archival research, *Frank Capra's Eastern Horizons* explains that Capra's view of what constituted America changed over time, extending its boundaries to embrace countries often far from the United States. Complicating Edward Said's theory of Orientalism as a strict binary in which the West constructs the East as an inferior other, it demonstrates that East and West often intermingle in films such as *The Bitter Tea of General Yen* and in Capra's orientation documentaries for World War II American servicemen. Capra imagined a kind of global community, albeit one with heavy undertones of British and American imperialism. Investigating shifts in what Capra's America has meant over time, both to Capra and to those who have watched and studied his films, this innovative book offers a startlingly fresh perspective on one of the most iconic figures in American film history. **Frank Capra** Frank Capra, 2004

Few Hollywood directors had a higher profile in the 1930s than Frank Capra (1897-1991). He served as president of the Academy of Motion Picture Arts and Sciences and of the Screen Directors Guild. He won three Academy Awards as best director and was widely acclaimed as the man most responsible for making Columbia Pictures a success. This popularity was established and sustained by films that spoke to and for the times: *It Happened One Night*, *Mr Deeds Goes to Town*, *Meet John Doe*, and *Mr Smith Goes to Washington*. These replicated the nation's hopes and dreams for a national community. He worked with some of the brightest stars in Hollywood: James Stewart, Clark Gable, Jean Arthur, Gary Cooper, Barbara Stanwyck, Claudette Colbert, Bette Davis, Donna Reed, and Ann Margret. Capra's interviews express his connection to the national audience and explore his own story. He was a Sicilian immigrant boy who survived rough and tumble beginnings to become Hollywood's most bankable director. In reflecting on his life, almost every one of his films was a parable of acclaim verging on disaster. He spent much of the 1940s in uniform while making films for the War Department. Although Capra was

an optimist World War II and his series of Why We Fight films called his legendary optimism into question His postwar film It s a Wonderful Life 1946 gave an answer to those questions with an astonishing directness Capra never equaled again In 1971 he published his autobiography The Name Above the Title Many of the interviews collected here come from this period when as an elder statesman of motion picture art and history he reflected on his long career The interviews portray the Capra legend vividly and demonstrate why the warm relations between Capra and his audiences continue to inspire acclaim and admiration Leland Poague a professor of English at Iowa State University is the editor of Conversations with Susan Sontag University Press of Mississippi He is the author of Another Frank Capra and The Cinema of Frank Capra An Approach to Film Comedy

modern world and the challenges of postwar America Author Ian Scott provides a unique perspective on Riskin and the ways in which his brilliant pithy style was realized in Capra s enduring films Riskin s impact on cinema extended far beyond these films as he helped spread Hollywood cinema abroad and articulated his vision of a changing America **The Heart of It's a Wonderful Life** Jimmy Hawkins,2025-09-23 You really had a wonderful life Don t you see what a mistake it would be to throw it away CLARENCE In this special book Jimmy Hawkins helps us focus on the true meaning behind the classic holiday movie It s not just the message or its many famous lines but rather the motivation behind the creation of the film and director Frank Capra s unrelenting vision for what it should be As a boy Jimmy played George Bailey s youngest son Tommy And he has spent the eight decades since living out the heart of the story and becoming arguably the world s foremost expert on the movie Filled with unpublished facts that the author has collected about the cast and crew this book gives a clearer understanding of what they all brought to the scripted pages Through excerpts from the screenplay never before seen photos and a lifetime of friendship with both Frank Capra and the stars of the movie Hawkins guides us to discover why this story still touches the spirit decades after its release Because It s a Wonderful Life is not just George Bailey s or Frank Capra s story it s the story of all of us and of many generations to come **Twentieth-Century Anglo-American Relations** J.
