Frank Harris The Life And Loves Of A Scoundrel:

Frank Harris Vincent Brome, 1964 **Frank Harris** Vincent Brome, 1959 **Bookleggers and Smuthounds** Jay A. Gertzman, 2011-09-02 Between the two world wars at a time when both sexual repression and sexual curiosity were commonplace New York was the center of the erotic literature trade in America The market was large and contested encompassing not just what might today be considered pornographic material but also sexually explicit fiction of authors such as James Joyce Theodore Dreiser and D H Lawrence mail order manuals pulp romances and little dirty comics *Bookleggers and Smuthounds* vividly brings to life this significant chapter in American publishing history revealing the subtle symbiotic relationship between the publishers of erotica and the moralists who attached them and how the existence of both groups depended on the enduring appeal of prurience By keeping intact the association of sex with obscenity and shameful silence distributors of erotica simultaneously provided the antivice crusaders with a public enemy Jay Gertzman offers unforgettable portrayals of the pariah capitalists who shaped the industry and of the individuals organizations and government agencies that sought to control them Among the most compelling personalities we meet are the notorious publisher Samuel Roth the Prometheus of the Unprintable and his nemesis John Sumner head of the New York Society for the Suppression of Vice a man aggressive in his pursuit of pornographers and in his quest for a morally united and ethnically homogeneous America **Antique Trader Book Collector's Price Guide** Richard Russell, 2006-07-05 This new edition of *Antique Trader Book Collector's Price Guide* provides readers with the information and values to carve a niche for themselves in a market where rare first editions of Jane Austen's *Emma* and J K Rowling's *Harry Potter and the Philosophers Stone* recently sold at auction for 254 610 dollars and 40 355 dollars respectively Organized in 13 categories including Americana banned paranormal and mystery this guide discusses identifying and grading books and provides collectors with details for identifying and assessing books in 8 000 listings **Six-Guns and Saddle Leather** Ramon Frederick Adams, 1998-02-25 Authoritative guide to everything in print about lawmen and the lawless from Billy the Kid to the painted ladies of frontier cow towns Nearly 2 500 entries taken from newspapers court records and more **Austin Harrison and the English Review** Martha S. Vogeler, 2008 Political and literary journalist Austin Harrison became editor of the *English Review* in 1910 While holding that chair he expanded the publication's literary scope by publishing articles on such issues as women's suffrage parliamentary reform the German threat and Irish home rule But although he edited the *Review* far longer than did its celebrated founder Ford Madox Ford history has long confined him to the shadows of not only his predecessor but also his father the English Positivist Frederic Harrison This first scholarly assessment of Harrison's tenure at the *English Review* from 1910 to 1923 shows him courting controversy establishing reputations winning and losing authors and pushing the limits of the publishable as he made his *Great Adult Review* the most consistently intelligent and challenging monthly of its day Martha Vogeler offers a compelling personal and family narrative and a new perspective on British literary culture

and political journalism in the years just before during and after the First World War Vogeler provides a revealing account of Harrison the editor his writings and opinions his public life and relations as she also traces the complex relationship between a son and his famous father Balancing a scholar's attention to detail and a fine writer's eye for style she relates Harrison's improbable friendships with the notorious Frank Harris and the outrageous Aleister Crowley And she has mined Harrison's correspondence to lend insight into the careers of such writers as Ford Madox Ford D H Lawrence H G Wells Joseph Conrad John Masefield Bernard Shaw Arnold Bennett and Marie Stopes Other figures such as George Gissing Bertrand Russell Lord Northcliffe and important Irish revolutionaries appear in new contexts Ranging widely across literature foreign relations national politics the women's movement censorship and sexuality Vogeler captures the themes of Harrison's era She describes his transformation from Germanophobe before and during World War I to an outspoken critic of the punitive measures against Germany in the Treaty of Versailles She explores the ambiguities in his engagement with modernist aesthetics and in his attempt to escape the shadow of his father while benefiting from his family's wealth and connections Vogeler's assessment of Harrison's books further sharpens our understanding of his ideas about Germany women education and Victorian family life notably his underappreciated tribute rebuke to his father Frederic Harrison Thoughts and Memories This account of Austin Harrison's career allows us to observe a journalist making his way in a highly competitive world and opens up a new window on Britain in the era of the Great War

Themenbereiche werden anhand der Haltung Rudolf Steiners besonders erörtert das ungelöste mitteleuropäische Nationalitätenproblem sowie die Weltordnungsvorstellungen die zu T kriegsauslösend waren oder erst während des Weltkriegs heraufzogen Wie sollte die nächste Zukunft nicht nur der europäischen Menschheit gestaltet werden In diesem Buch erschließen sich viele Hintergrundmotive der einzelnen Weltmächte und es entsteht ein detailliertes Gesamtbild dieser dramatischen Zeit des Umbruchs Djuna, the Life and Times of Djuna Barnes Andrew Field,1983 **Frank Harris: a Study in Black and White** A. I. Tobin, Elmer Gertz,1970 To throw light on the motives movements of a conspicuous literary figure of the last generation two friends of Harris's from Chicago Dr Tobin his authorized biographer Mr Gertz an attorney who was Harris's agent in the latter years of his life have undertaken to sift the truth about Harris to present a portrait of him that will reconcile the most shocking incongruities of his character with some of the fine performances of his pen Messrs Tobin Gertz have done a very good life of him With great skill they disentangle the facts from the cobwebs of fancy that he spun They tell his story simply clearly honestly AMERICAN MERCURY Illus Do What Thou Wilt Lawrence Sutin,2000-09-14 Aleister Crowley was a blustering coward an arrogant misogynistic racist with fascist leanings and a callous user as often threatened by his sexuality as he claimed to be liberated by it But he was also a groundbreaking poet and an iconoclastic visionary whose literary and cultural legacies extend far beyond the limits of his reputation This controversial individual a frightening mixture of egomania and self loathing has inspired passionate but seldom fair assessments by historians Sutin by treating Crowley as a cultural phenomenon and not simply a sorcerer or a charlatan convinces skeptic readers that the self styled Beast remains a fascinating study in eccentricity *Library of Congress Catalog* Library of Congress,1960 A cumulative list of works represented by Library of Congress printed cards **Library of Congress Catalogs** Library of Congress,1964 **Djuna, the Formidable Miss Barnes** Andrew Field,1985 **The Reader's Adviser** ,1968
