McElrath,1988 *The Apprenticeship Writings of Frank Norris, 1896-1898* Frank Norris,1996 Frank Norris 1870 1902 has long been recognized by cultural historians as a touchstone figure clearly signaling in 1899 the emergence of an Amer school of Literary Naturalism McTeague A Story of San Francisco secured this honor for him that year as it registered more fully than any previous Amer novel the Darwinian view of life that is the essential characteristic of all subsequent Naturalistic fictions It thus marked as well the rejection of the Victorian Era s habitually idealistic representations of human nature and its basically religious world view offering instead a post metaphysical portrait of the human condition that has remained popular in 20th cent literary and intellectual circles Includes all of the known writings of Norris published between 11 April 1896 and 1897 Illus **A Companion to the American Short Story** Alfred Bendixen,James Nagel,2020-08-24 A COMPANION TO THE AMERICAN SHORT STORY A Companion to the American Short Story traces the development of this versatile literary genre over the past two centuries Written by leading critics in the field and edited by two major scholars it explores a wide range of writers from Edgar Allen Poe and Edith Wharton at the end of the nineteenth century to important modern writers such as Ernest Hemingway William Faulkner F Scott Fitzgerald and Richard Wright Contributions with a broader focus address groups of multiethnic Asian and Jewish writers Each chapter places the short story into context focusing on the interaction of cultural forces and aesthetic principles The Companion takes account of cutting edge approaches to literary studies and contributes to the ongoing redefinition of the American canon embracing genres such as ghost and detective fiction cycles of interrelated short fiction and comic social and political stories The volume also reflects the diverse communities that have adopted this literary form and made it their own featuring entries on a variety of feminist and multicultural traditions This volume presents an important new consideration of the role of the short story in the literary history of American literature **Americans and the California Dream, 1850-1915** Kevin Starr,1986-12-04 Examining California s formative years this innovative study seeks to discover the origins of the California dream and the social psychological and symbolic impact it has had not only on Californians but also on the rest of the country **Seasoned Authors for a New Season** Louis Filler,1980 This collection of essays probes the values in a variety of authors who have had in common the fact of popularity and erstwhile reputation

Why were they esteemed Who esteemed them And what has become of their reputations to readers to the critic himself No writer here has been asked to justify the work of his subject and reports and conclusions about this wide variety of creative writers vary sometimes emphasizing what the critic believes to be enduring qualities in the subject in several cases finding limitations in what that writer has to offer us today *Sport and the Spirit of Play in American Fiction* Christian K. Messenger, 1983-05-31

In this comprehensive and insightful study Christian K Messenger contends that American writers have always created characters at play in the sure knowledge that to be active in sport in America is to be in touch with its people their traditions and their fantasy lives This is the first inclusive critical study of sport in American fiction with chapters on individual authors such as Hawthorne Lardner Fitzgerald Hemingway and Faulkner as well as studies of sport in the literature of the frontier and in boys formula fiction A work of literary criticism *Sport and the Spirit of Play in American Fiction* also draws on the cultural history of American sport and leisure and on a century of American literature **The**

**Routledge Companion to American Literary Journalism** William Dow, Roberta Maguire, 2019-11-13 Taking a thematic approach this new companion provides an interdisciplinary cross cultural and international study of American literary journalism From the work of Frederick Douglass and Walt Whitman to that of Joan Didion and Dorothy Parker literary journalism is a genre that both reveals and shapes American history and identity This volume not only calls attention to literary journalism as a distinctive genre but also provides a critical foundation for future scholarship It brings together cutting edge research from literary journalism scholars examining historical perspectives themes venues and genres across time theoretical approaches and disciplinary intersections and new directions for scholarly inquiry Provoking reconsideration and inquiry while providing new historical interpretations this companion recognizes interacts with and honors the tradition and legacies of American literary journalism scholarship Engaging the work of disciplines such as sociology anthropology African American studies gender studies visual studies media studies and American studies in addition to journalism and literary studies this book is perfect for students and scholars of those disciplines **A Literary History of the American**

**West** Western Literature Association (U.S.), 1987 Literary histories of course do not have a reason for being unless there exists the literature itself This volume perhaps more than others of its kind is an expression of appreciation for the talented and dedicated literary artists who ignored the odds avoided temptations to write for popularity or prestige and chose to write honestly about the American West believing that experiences long known to be of historical importance are also experiences that need and deserve a literature of importance **Facing Facts** David E. Shi, 1996 Shi provides the most comprehensive

history to date of the rise of realism in American culture vividly capturing the character and sweep of this all encompassing movement that ranges from Winslow Homer to the rise of the Ash Can school from Whitman to Henry James to Theodore Dreiser **New Americans** Glen A. Love, 1982 A study of the fiction of five early modern novelists Frank Norris Hamlin Garland Willa Cather Sherwood Anderson and Sinclair Lewis who reflect the conflicting values of a western past and an

urban industrial present      *Dictionary of Midwestern Literature, Volume 1* Philip A. Greasley, 2001-05-30 The Dictionary of Midwestern Literature Volume One surveys the lives and writings of nearly 400 Midwestern authors and identifies some of the most important criticism of their writings The Dictionary is based on the belief that the literature of any region simultaneously captures the experience and influences the worldview of its people reflecting as well as shaping the evolving sense of individual and collective identity meaning and values Volume One presents individual lives and literary orientations and offers a broad survey of the Midwestern experience as expressed by its many diverse peoples over time Philip A Greasley's introduction fills in background information and describes the philosophy focus methodology content and layout of entries as well as criteria for their inclusion An extended lead essay The Origins and Development of the Literature of the Midwest by David D Anderson provides a historical cultural and literary context in which the lives and writings of individual authors can be considered This volume is the first of an ambitious three volume series sponsored by the Society for the Study of Midwestern Literature and created by its members Volume Two will provide similar coverage of non author entries such as sites centers movements influences themes and genres Volume Three will be a literary history of the Midwest One goal of the series is to build understanding of the nature importance and influence of Midwestern writers and literature Another is to provide information on writers from the early years of the Midwestern experience as well as those now emerging who are typically absent from existing reference works
