spectre of terrorism perpetrated by the extremist Sikh leader Jarnail Singh Bhindranwale and his followers once and for all But it left in its wake unsolved political questions that continued to threaten Punjab's stability for years to come How in a brief span of three years did India's dynamic frontier state become a national problem Who was to blame the central government for allowing the crisis to drift despite warnings or the long drawn out Akali agitation or the notorious gang of militants who transformed a holy shrine into a sanctuary for terrorists First published two months after Operation Bluestar The Punjab Story pieces together the complex Punjab jigsaw through the eyes of some of India's most eminent public figures and journalists Writing with the passion and conviction of those who were involved with the drama they present a wide ranging perspective on the past present and future of the Punjab tangle and the truth of many of their conclusions having been borne out by time

Wild Tales from the Wild Saad Bin Jung, 2011-04-06 For the weary urban dweller the verdant Mangala valley near the Bandipur National Park in Karnataka would seem like a haven of peace and tranquility Appearances could not be more deceptive as

Saad Bin Jung discovered after forsaking his life in the city for a stone cottage in the valley. If the surrounding jungles were teeming with wildlife of every variety, the life that the human of the area led was no less wild. Here he recounts the adventures that he had with some of them: the leopard who moved into his cottage, the dining hall cobra, the magnificent Mangala tiger, Torn Ears, the most photographed gaur of his time, and the elephants whom he loved with a passion. Colonel Hathi, Jayaprakash, and even the Rightchipped Tusker with his bullying ways amongst them. Not to be outdone were the members of the Kuruba tribe and other humans: Mr B, the family expert, the elderly manager with a raging libido, the gorgeous foreign girls who almost saw him booted out of the family, who came to share his life at Bush Betta, the wildlife resort that he set up in 1991. Hair-raising and hilarious, these are stories that anyone who has had a taste of the wild or wished that they could will enjoy as much for their drama and comedy as for the many fascinating insights into animal behaviour that they provide. No less compelling is the message between the lines: the grandeur and beauty of India's forests and the need to preserve them at all costs.

Reflected in Water Jerry Pinto, 2006. This is a collection of essays, poems, stories, and extracts from works that bring to life both the natural beauty and the changing social and political ethos of India's smallest state, Goa.

Goa David Abram, 2003. This guide to Goa examines India's best-known resort region. It features a colour introductory section including photographs of the region's highlights from enjoying the sun on Palolem Beach to browsing at Anjuna flea market. The basics section provides all the information you need to prepare your trip, including visas, inoculations, flights, insurance, and safety advice. The main heart of the guide includes evocative accounts of every beach in the state, plus the region's temples, markets, and wildlife sanctuaries from Panjim to Galgibag. There are also lively and reliable reviews of the best places to stay, eat, drink, and party. Coverage has also been given to sights in the neighbouring state of Karnataka and the transport hub of Mumbai. Thorough background articles cover Goa's history, religion, and environment, furthering the reader's understanding of the region.

Cozinha de Goa Fatima da Silva Gracias, 2011. Goans love their food. In this tiny region, East did meet West on the dining table. Goan cuisine contains alluring Christian, Hindu, and Muslim strands. It is an interesting fusion from several cultures: Arab, Portuguese, Brazilian, French, African, Chinese, Malaysian, British, Anglo-Indian, and Konkani. This book offers an encyclopedic vision of a cuisine with a global touch: how it was, how it is, and how it came to be. P 4 of cover.
