Franklin D Roosevelt Portrait Of A Great Man:

Franklin D. Roosevelt Gerald White Johnson,1967 Much of this book helps us to understand Roosevelt for he usually did what he had to do Franklin D. Roosevelt Gerald W. Johnson,1967 **The Presidency of Franklin D. Roosevelt** Don Nardo,2015-12-21 Franklin Delano Roosevelt the longest serving president in U S history successfully guided Americans through two of the worst crises ever He succeeded where others had failed in pulling the country back from the brink of collapse during the Great Depression He lifted Americans spirits and turned them away from fear and defeatism Then came the horrors and devastation of World War II The brilliant and courageous Roosevelt proved to be an outstanding commander in chief leading the world to victory over the powers of evil **Gerald W. Johnson** Vincent Fitzpatrick,2002 Fitzpatrick analyzes Johnson s commentary on the Scopes trial denunciation of the Ku Klux Klan defense of President Franklin Roosevelt s New Deal criticism of Senator Joseph McCarthy and battles with the Republican Party during President Eisenhower s two terms He was to borrow his own phrase a disturber of the peace The Great Depression Simon Pierce,2020-07-15 The Great Depression was a time of severe hardship especially in the United States With a quarter of the population out of work families struggled to survive obsessively saving money food and material to reuse or recycle This Depression mentality stuck with many people for the rest of their lives Supplemented by historical photographs annotated quotes and a fact filled timeline this engaging narrative discusses the causes and lingering effects of the Great Depression Discussion questions at the end of each chapter encourage readers to think critically about this period and how it has impacted the world they live in today *Presidential Sheet Music* Danny O. Crew,2001-01-01 Political historians have traditionally interpreted the people and events of each presidential era by studying books periodicals letters diaries and speeches One source of printed material that has not received much scholarly attention is published music much of which has been all but lost in the archives of libraries and museums These two volumes of Presidential Sheet Music present an exhaustive listing of presidential related music in all printed forms with information on each piece **Women and Rhetoric between the Wars** Ann George,M. Elizabeth Weiser,Janet Zepernick,2013-02-25 In *Women and Rhetoric between the Wars* editors Ann George M Elizabeth Weiser and Janet Zepernick have gathered together insightful essays from major scholars on women whose practices and theories helped shape the field of modern rhetoric Examining the period between World War I and World War II this volume sheds light on the forgotten rhetorical work done by the women of that time It also goes beyond recovery to develop new methodologies for future research in the field Collected within are analyses of familiar figures such as Jane Addams Amelia Earhart Helen Keller and Bessie Smith as well as explorations of less well known yet nevertheless influential women such as Zitkala a Jovita Gonz lez and Florence Sabin Contributors evaluate the forces in the civic entertainment and academic scenes that influenced the rhetorical praxis of these women Each essay presents examples of women s rhetoric that move us away from the waves model toward a more accurate understanding of women s multiple diverse rhetorical interventions in public

discourse The collection thus creates a new understanding of historiography the rise of modern rhetorical theory and the role of women professionals after suffrage From celebrities to scientists suffragettes to academics the dynamic women of this volume speak eloquently to the field of rhetoric studies today *Migrant Mother* Don Nardo,2011 Explores and analyzes the historical context and significance of the iconic Dorothea Lange photograph of a migrant mother during the Grea Depression

Roosevelt, 1882-1933** G. Cross,2012-06-06 The importance of Franklin D Roosevelt s thinking on international relations is self evident The truly enormous volume of historical writing on his views regarding U S foreign policy as president is testament to the momentous period during which he held office Yet no consensus has emerged on what these views were was he an

internationalist or nationalist passive or active towards world affairs predominantly an idealist or realist in his philosophy and even whether he was an egregious political opportunist This work offers an original intervention into this controversial debate by carefully examining the neglected development of FDR s views in the years before he became president Using long neglected or misread sources from FDR s early life and career the work provides a timely clarification of a period that has until now been ignored misunderstood or covered only in passing by historians **Best Books for Children, Preschool Through the Middle Grades** Christine Bell Gilbert,1981 *The Complete Guide to Lincoln Cents* David W.
