Mandyczewski, Henry Sandwith
Drinker**

Franz Schubert Die Schone Mullerin Winterreise:

Franz Schubert Arnold Feil, Rolf Vollmann, 1996 **Schubert: Die Schöne Müllerin** Susan Youens, 1992-08-28 This is a guide to both the music and the poetry of Schubert's much loved song cycle set to poems by the Prussian poet Wilhelm Müller. Composed in 1823, this work is one of the greatest masterpieces of the song repertoire. The genesis of both the poetry and the music composed soon after Schubert discovered that he had contracted syphilis is discussed in the first two chapters. A chapter on the poetry considers Müller's uneasy relationship to the tenets of Romanticism, the influence of Goethe folk poems and medieval poetry on *Die schone Müllerin*, and a reading of each of the poems which are reproduced in German and in English translation. The final chapter provides commentary on each of the twenty songs in the cycle. *Retracing a Winter's Journey* Susan Youens, 2013-01-14 I like these songs better than all the rest and someday you will too. Franz Schubert told the friends who were the first to hear his song cycle *Winterreise*. These lieder have always found admiring audiences, but the poetry he chose to set them to has been widely regarded as weak and trivial. In *Retracing a Winter's Journey*, Susan Youens looks not only at Schubert's music but at the poetry drawn from the works of Wilhelm Müller, who once wrote in his diary perhaps there is a kindred spirit somewhere who will hear the tunes behind the words and give them back to me. Youens maintains that Müller, in depicting the wanderings of the alienated lover, produced poetry that was simple but not simple-minded poetry that embraced simplicity as part of its meaning. In her view, Müller used the ruder folk forms to give his verse greater immediacy to convey more powerfully the wanderer's complex inner state. Youens addresses many different aspects of *Winterreise*: the cultural milieu to which it belonged, the genesis of both the poetry and the music, Schubert's transformation of poetic cycle into music, the philosophical dimension of the work and its musical structure. **Schubert's Winterreise** Franz Schubert, Wilhelm Müller, 2003 This book/CD package guides readers and listeners on a journey through Franz Schubert's *Winterreise* song cycle in which the composer set the poetry of Wilhelm Müller to music. The complete text of the 24 poems is presented in both German and English with 116 b/w photographs of winter scenes on the facing pages. An introductory essay by Susan Youens, musicology U of Notre Dame, offers a critical examination of the song cycle. The music CD features a new recording of *Winterreise* performed by baritone Paul Rowe and pianist Martha Fischer. Oversize 10 25x10 25. Annotation c 2003 Book News Inc. Portland, OR: booknews.com **Franz Schubert** Eusebius Mandyczewski, 1970

Schubert, Müller, and Die Schöne Müllerin Susan Youens, 1997-02-06 The collaboration of Schubert and the poet Wilhelm Müller produced some of the best loved of nineteenth century lieder. In particular, the song cycle *Die schone Müllerin*. Professor Youens shows us how this archetypal tale of love and rejection, which has its origins in medieval romance, Minnesong, and popular German legend, is reflected in the poet's own experience, the realms of art and life intertwining. Professor Youens considers other poets' explorations of the theme of a miller's maid and her suitors and looks at other musical settings of Müller's mill poems. But above all, she examines Müller's permutation of the literary legends as an exploration of

erotic obsession delusion frenzy disillusionment and death and the way in which Schubert crucially altered Miller's vision when the poetic cycle became a musical text

The Cambridge Companion to Schubert's 'Winterreise' Marjorie W. Hirsch, Lisa Feurzeig, 2021-02-04 An accessible multi disciplinary exploration of Franz Schubert's haunting late song cycle *Winterreise* 1827 that combines context and different analytical approaches

Schubert's Dramatic Lieder Marjorie Wing Hirsch, 1993-08-12 This book explores the way in which Schubert revolutionised the Lied transforming folk song into art song through the mixture of dramatic and lyrical vocal genres By introducing dramatic poetry and musical traits within solo song settings he turned the Lied into a highly expressive musical medium capable of conveying the complexities and nuances of the new Romantic poetry In so doing he created an art form which attracted nearly every subsequent composer of the period Schubert's numerous dramatic songs have baffled critics from his day to our own Their unusual stylistic characteristics through composed form progressive tonal structures declamatory vocal lines illustrative accompaniments fly in the face of traditional conceptions of the Lied Dr Hirsch's discussion and analysis of selected dramatic Lieder illuminate Schubert's compositional innovation

Analyses of Nineteenth- and Twentieth-Century Music, 1940-2000 D. J. Hoek, 2007-02-15 The latest volume in the Music Library Association's Index and Bibliography series *Analyses of Nineteenth and Twentieth Century Music 1940-2000* features over 9 000 references to analyses of works by more than 1 000 composers of the nineteenth and twentieth centuries References that address form harmony melody rhythm and other structural elements of musical compositions have been compiled into this valuable resource This update of Arthur Wenk's well known bibliography last published in 1987 includes all the original entries from that work along with additional references to analyses through 2000 International in scope the bibliography covers writings in English French German Italian and other European languages and draws from 167 periodicals as well as important theses dissertations books and *Festschriften* References are arranged alphabetically by composer and include subheadings for specific works and genres This bibliography provides students scholars performers and librarians with broad coverage detailed indexing and ready access to a large and diverse body of analytical literature on nineteenth and twentieth century music

The Age of Beethoven, 1790-1830 Gerald Abraham, 1982 Covers forty years which saw profound changes in music most of them dominated by Beethoven Provides a detailed scholarly critical survey of the music of the period with chapters on French Italian and German opera and on opera in other countries on Beethoven's orchestral and chamber music and of his contemporaries on the concerto on piano music on solo song and on choral music as well as an introductory chapter on general musical conditions of the time

The Unknown Schubert Lorraine Byrne Bodley, 2017-07-05 Franz Schubert 1797-1828 is now rightly recognized as one of the greatest and most original composers of the nineteenth century His keen understanding of poetry and his uncanny ability to translate his profound understanding of human nature into remarkably balanced compositions marks him out from other contemporaries in the field of song Schubert was one of the first major composers to

devote so much time to song and his awareness that this genre was not rated highly in the musical hierarchy did not deter him throughout a short but resolute and hard working career from producing songs that invariably arrest attention and frequently strike a deeply poetic note Schubert did not emerge as a composer until after his death but during his short lifetime his genius flowered prolifically and diversely His reputation was first established among the aristocracy who took the art music of Vienna into their homes which became places of refuge from the musical mediocrity of popular performance More than any other composer Schubert steadily graced Viennese musical life with his songs piano music and chamber compositions Throughout his career he experimented constantly with technique and in his final years began experiments with form The resultant fascinating works were never performed in his lifetime and only in recent years have the nature of his experiments found scholarly favor In *The Unknown Schubert* contributors explore Schubert's radical modernity from a number of perspectives by examining both popular and neglected works Chapters by renowned scholars describe the historical context of his work its relation to the dominant artistic discourses of the early nineteenth century and Schubert's role in the paradigmatic shift to a new perception of song This valuable book seeks to bring Franz Schubert to life exploring his early years as a composer of opera his later years of ill health when he composed in the shadow of death and his efforts to reflect it

Complete song cycles Franz Schubert, Eusebius Mandyczewski, Henry Sandwith Drinker, 1970-01-01 Schubert's three great song cycles reprinted from the definitive Breitkopf & Härtel Schubert Gesamtausgabe Features the beloved songs of *Die schöne Müllerin* 1823 the somber depth and picturesqueness of *Die Winterreise* 1927 and *Schwanengesang* 1828 one of Schubert's last works Includes English translations of the texts by Henry S Drinker [Franz Schubert's Die Schöne Müllerin, Op. 25 and Winterreise, Op. 89 : a Comparative Analysis](#) John Plier, 2006 [The New Grove Schubert](#) Maurice John Edwin Brown, Eric Sams, 1983 Traces the life of Franz Schubert describes the development of his musical career and discusses the composition of his major works [Listening to Art Song](#) Margaret Olson, 2015-05-01 *Listening to Art Song* An Introduction offers an easy to read fresh perspective on the remarkably diverse musical genre of art song As the ultimate expression of the human singing voice song has provided succor and entertainment to humanity in many forms since the dawn of civilization Margaret Olson examines art song's development outlines the elements that comprise it offers ideas on how to effectively listen to it provides brief biographical sketches of key art song composers and lists important recordings in the Italian French German British and American art song traditions By instructing readers in how to evaluate art songs Olson informs and enhances the art song experience for listeners *Listening to Art Song* is the ideal text for any student studying voice or anyone interested in the genre of song

Unfinished Music Richard Kramer, 2012-07-12 *Unfinished Music* explores with subtle insight the uneasy relationship between the finished work and the elusive provocative traces of the profound labors buried in its past

Franz Schubert Graham Johnson, 2014-12-16 This three volume boxed set is the definitive work on Franz Schubert's vocal music with piano A richly illustrated encyclopedia these substantial volumes

contain more than seven hundred song commentaries with parallel text and translations by Richard Wigmore detailed annotations on the songs poetic sources and biographies of one hundred and twenty poets as well as general articles on accompaniment tonality transcriptions singers and more Written by Graham Johnson celebrated accompanist author and the first pianist ever to record all of Schubert s songs and part songs this sumptuous work is a must for performers scholars and all lovers of Schubert lieder

Word and Music Studies: Defining the Field ,2024-09-02 The nineteen interdisciplinary essays assembled in WORD AND MUSIC STUDIES I were first presented in 1997 at the founding conference of the International Association for Word and Music Studies WMA in Graz Austria Diverse in subject matter theoretical orientation critical approach and interpretive strategy they share a keen scholarly interest in contemporary word music reflection Registering the impact of cultural studies on word music relations as manifested in the new musicology and other historicist approaches the volume aims to assess the entire field of word and music studies to define its subject objectives and methodology and to describe the field s state of the art Within the broader context of generic structural performative and ideological considerations concerning the manifold interrelations between literature and music contributors explore wide ranging topics such as the vexing question of terminology e g word and music melopoetics interart intermedial transmedial inquiry into the meaning narrative potential and verbalization of music analysis of texted music the Lied and opera and instrumental music and discussion of individual issues e g ekphrasis musicalization of fiction word music and verbal music and interart loanwords e g narrativity counterpoint and leitmotif

German Lieder in the Nineteenth Century Rufus Hallmark,2009-09-10 German Lieder in the Nineteenth Century provides a detailed introduction to the German lied Beginning with its origin in the literary and musical culture of Germany in the nineteenth century the book covers individual composers including Shubert Schumann Brahms Strauss Mahler and Wolf the literary sources of lieder the historical and conceptual issues of song cycles and issues of musical technique and style in performance practice Written by eminent music scholars in the field each chapter includes detailed musical examples and analysis The second edition has been revised and updated to include the most recent research of each composer and additional musical examples

The Quest for Faithfulness Helmut Hartmann,2019-03-22 An individual s life story can provide insights into the character of a particular nation the events of a specific time period and the hopes and challenges faced by human beings as they strive to live a life that is consistent with the ideals that they espouse This memoir of Helmut Hartmann s first seventy years of life serves such a multifaceted purpose Hartmann was born shortly before Adolf Hitler and the National Socialists gained power in Germany His memories of his childhood include impressions of a society in turmoil and of the persistent suffering experienced by segments of German society particularly the Jewish community In his adult years Hartmann served as a pastor of the Evangelical Church in the German Democratic Republic His account of his diverse pastoral ministry his travels both within and outside the Soviet Bloc countries his engagement with the Communist political leaders and his diligent quest for justice

highlights the religious political economic and social challenges faced by East German citizens while they were ruled by a political regime that was ardently anti religious and eagerly exercised its dictatorial authority Hartmann s memoir invites readers to consider what it means to be a follower of Christ and how their faith might inform their responses to the societal political and economic challenges of their particular time and place

Adopting the Melody of Term: An Mental Symphony within **Franz Schubert Die Schone Mullerin Winterreise**

In a global consumed by screens and the ceaseless chatter of instantaneous conversation, the melodic splendor and psychological symphony produced by the prepared term frequently fade in to the back ground, eclipsed by the constant sound and disruptions that permeate our lives. However, located within the pages of **Franz Schubert Die Schone Mullerin Winterreise** a charming literary treasure filled with raw emotions, lies an immersive symphony waiting to be embraced. Constructed by an elegant musician of language, that interesting masterpiece conducts viewers on a mental trip, well unraveling the hidden melodies and profound affect resonating within each carefully constructed phrase. Within the depths of this emotional assessment, we can examine the book is main harmonies, analyze its enthralling writing style, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
