Franz Werfel A Life In Prague Vienna And Hollywood:

Franz Werfel: A Life in Prague, Vienna, and Hollywood Peter Stephan Jungk, 2019-08-18 Czech born playwright novelist and poet Franz Werfel 1890 1945 became internationally famous and a special target of the Nazis after he wrote *The Forty Days of Musa Dagh* the first novel about the Armenian Genocide He later published the Catholic classic *The Song of Bernadette* written after a deeply religious experience in Lourdes a stop on his escape route to the United States through occupied France Born into a wealthy family of Prague Jews Werfel was torn between his Jewish identity and his attraction to Catholicism between high art and popular success He was friends with Franz Kafka and Max Brod in his youth and later and part of a larger Central European intellectual circle that included Sigmund Freud and Martin Buber He married Alma Schindler Mahler Gropius widow of composer Gustav Mahler and ex wife of Bauhaus architect Walter Gropius The couple fled Nazi occupied Vienna in 1938 and became part of the German exile community of California They lived in Beverly Hills where Werfel died a successful Hollywood screenwriter This lovely book is more than a biography a meditation on art history and human life John Simon New York Times Book Review An exemplary biography Edward Timms The Times Literary Supplement Jungk s description of how he researched his subject is highly suspenseful and reads like a detective story *Der Spiegel* This exemplary biography recalls Werfel s career and its vanished settings as part of the cultural history of the West Mr Jungk also provides a searing picture of Werfel s wife the famous Alma Mahler Gropius Werfel The New Yorker This biography ostensibly the story of a life is really a broad panorama of culture and history It is Jungk s genius to seduce us into following him into Werfel s world and to keep us there completely enthralled *Die Welt*

The Vienna I Knew: Memories of a European Childhood Joseph Wechsberg, 2019-08-17 Wechsberg s memoir of pre World War II mittel Europa recounts with charm and irony life in the dying Habsburg Empire family stories of wealth gained and lost the subtleties of coffeehouse culture and the dynamics of Viennese society where one is at the same time an actor his own audience and his own critic His early childhood reads like an idyll so that while other writers may recall the last years of this ancien r gime as constricting Wechsberg remembers them as kindly and easygoing if sometimes philistine and stuffy However his father was killed in action on the Russian front very soon after the start of the First World War and his mother having invested her inheritance in government bonds was impoverished when the government lost the war and was dissolved Yet this is in no way a mournful book young Wechsberg found the pre war years entertaining and his inquiring wry mind makes the post war years equally so His account of a visit in the twenties to rich relatives in Vienna describing his provincial bewilderment at their cosmopolitan luxury is very funny it is also excellent social history and everybody in the story for example the chauffeur whom Wechsberg found the most comprehensible member of the m nage comes alive for us Though Wechsberg can remember himself as a country cousin his memoirs are urbanity itself The New Yorker July 30 1979

Lives of the Novelists Carl Rollyson, 2005-10 Is there a right way to write a literary life In this collection of columns from the New York Sun Carl

Rollyson explores the relationship between narrative and literary analysis Should biographies be written in the style and form of novels How to balance the life and the work How much literary criticism can a biography absorb into its narrative Rollyson proposes a number of apologies for biography including the thought that in the right hands the literary biography is a continuation not only of the writer's work and life In such instances there seems to be a symbiosis between biographer and subject In other cases biographies spearhead the rediscovery of important writers He rejects the idea that literary figures are not good subjects for biography because they are not men and women of action That literary biography is a kind of strip mining a pathography laying bare the subject's life to no good purpose is another canard this book demolishes The pieces here also expose the genre's weak points a proclivity for overstatement and excessive length the failure of biographers to build upon their predecessors' work Rollyson invents a term biographology in order to discuss the biographical tradition

The Right to Heresy: Castellio Against Calvin Stefan Zweig, 2019-08-15 This Plunkett Lake Press eBook is produced by arrangement with Viking an imprint of Penguin Publishing Group a division of Penguin Random House LLC Castellio is a book against zealots of every kind against anything engendering the destruction of this world's divine manifoldness and injuring the humane spirit Why could Castellio not maintain himself against Calvin Stefan Zweig's answers to these questions have permanent and tragic validity it was because the masses pay tribute not only to the power of love but also to that of hatred Followers could always be found for political slogans that established enmity and divisions casting sinister flames of hatred against another religion race or class Those who sacrificed themselves for a future reconciliation of men wrote Stefan Zweig in 1933 could not escape the fact that a torrent of fanaticism rising from the shoals of human instinct would burst all dams and inundate all Castellio a fly against an elephant rose in opposition to Calvin who had condemned Miguel Servet better known as Servetus a true fighter for spiritual freedom to die at the stake To burn a man alive does not defend a doctrine but kills a man said Castellio It was an ever recurring curse that ideologies degenerated into tyranny and brute force Fanaticism indifferent to the material from which it was ignited wanted only to let the accumulated forces of hatred flame forth And Zweig utters these words six years before the outbreak of the Second World War At such apocalyptic turning points when mass delusions determine universal destinies the demon of war bursting the chains of reason hurls itself greedily and joyfully into the world In describing a tragic contest here that of conscience against force Zweig is in his element He illuminates the interesting figure of Servetus who had fought in his own fanatical hysterical manner already as a youth It is characteristic that Servetus was dubbed by his enemies Jew Turk and wicked Spaniard Zweig stressed the self-sacrificing way in which Castellio defended freedom of thought against Calvin becoming the symbol of Conscience against Force And he describes most touchingly the sorrow this genuine hero had to suffer He shows too how free spirits may be endangered by the carelessness with which they choose their fellow wanderers whereas the one-sided totalitarians protected by their rigidity always hold a stone ready to fling at their enemies from Married to Stefan Zweig by Friderike Zweig One

cannot but admire the ardent spirit with which Stefan Zweig has set out to annihilate the doctrines of exclusiveness and restriction in religion and in politics the most spirited book and in certain scholarly respects the most important that Stefan Zweig has yet produced From Stefan Zweig's new book there emerges a new hero for a modern reading public a true historic character rescued from near oblivion and the first modern man who fought the good fight for humanity's right to think its own thoughts and to say them The battle has not yet been decided Lloyd Eshleman The New York Times November 16 1936

The Struggle with the Daemon: Hölderlin, Kleist, Nietzsche Stefan Zweig, 2019-08-15 Stefan Zweig's literary portraits of three tormented giants of German literature Friedrich Hölderlin Heinrich von Kleist and Friedrich Nietzsche contrasts them with Goethe who was anchored in place by profession home and family For Zweig everyone whose nature excels the commonplace everyone whose impulses are creative wrestles inevitably with his daemon which Zweig describes as the incorporation of that tormenting leaven which impels our being towards danger immoderation ecstasy renunciation and even self destruction In these essays Zweig depicts the tragic and sublime lifelong struggle by three great creative minds with their respective daemons

Herzl Amos Elon, 2019-07-31 Born in Budapest to a well to do assimilated Jewish family Theodor Herzl 1860 1904 and his family moved to Vienna when he was 18 He studied law before he began writing plays and pieces of journalism Herzl became the Paris correspondent for Vienna's leading newspaper the Neue Freie Presse and covered the Dreyfus affair which shocked and galvanized him to write The Jewish State An Attempt at a Modern Solution of the Jewish Question published in 1896 After the first Zionist congress of 1897 Herzl wrote in his diary In Basel I founded the Jewish state If I said this aloud today I would be answered by universal laughter Perhaps in five years and certainly in fifty everyone will agree A great dramatic biography Alfred Kazin The New York Times Any reader familiar with the sources can appreciate the brilliance restraint and fidelity of Elon's narrative the excitement of events and the quality of their prime mover come through admirably The New Republic You could not put the book down without admiring Theodor Herzl's courage and practical achievements his romance turned into a Congress a bank a diplomacy Bernard Avishai The New Yorker A quite astonishing portrait positively rewarding Kirkus Reviews Elon's 1975 biography of Herzl vividly portrayed the man with all his quirks inventiveness and shortcomings Lawrence Joffe The Guardian considered one of the best biographies to date of Zionist founder Theodor Herzl Benjamin Spier Jerusalem Post arguably the best biography ever written of the founding father of Zionism Theodore Herzl Tom Segev Haaretz A fascinating book it has the fascination of a novel on the grand scale Arthur Miller Washington Post A skillfully written human look at the man whose life reads like a novel Miami Herald

Erasmus of Rotterdam Stefan Zweig, 2019-08-15 Hailed as a parable for modern times Erasmus of Rotterdam is the biography of a great humanist who when pressed for a confession of faith said I love freedom and I will not and cannot serve any party At no time does Zweig mention Hitler by name but it is obvious that his biography of a man who tried to remain above the battle and who was torn to pieces by both Lutherans and Catholics was aimed to illustrate the predicament

of a man who refrains from activism and prefers to focus on his work Erasmus believed in a united Europe and thought that Luther was splitting it in two He first tried to reconcile the Pope to Luther's Wittenberg theses then to bring the German Protestants together with the representatives of Rome Zweig portrays a steadfast Erasmus unwilling to let emotion betray the lucidity of his thought who knew he was the most famous intellect of his age and evaded any commitment that would bring a host of enemies down upon his head In Erasmus Zweig may have seen parts of himself adapted from Book of the Times by John Chamberlain The New York Times November 2 1934 Under Zweig's magic pen Erasmus leaps into vital existence The book is a quietly astounding bit of biographical and historical achievement Percy Hutchison The New York Times

Freud by Zweig Stefan Zweig, 2019-08-15 Stefan Zweig 1881-1942 first wrote about Sigmund Freud 1856-1939 as part of Mental Healers Published in Germany in February of 1931 it is one of the earliest studies of Freud's work by a writer outside the psychoanalytic community and is a fresh reminder of the excitement that Freud's revolutionary approach to the psyche engendered in Zweig and his contemporaries Zweig had been sending his writing to Freud for feedback since the first decade of the twentieth century Reading about himself was an ambivalent experience for Freud In his letter of response to this essay Freud wrote I could object that you overemphasize the element of petit bourgeois rectitude in me the fellow is a little more complicated than that but I am probably not wrong in assuming that you were a stranger to psychoanalytical theory prior to the writing of this book It is all the more to your credit therefore that you have absorbed so much of it since

Albert Einstein: Creator and Rebel Banesh Hoffmann, 2019-08-10 Hoffmann does more than convey the emotional impact of Einstein's science on Einstein He tries to make the general reader see the problems that concerned Einstein and understand the kinds of theories he constructed to solve them This calls for scientific popularization of a high order Hoffmann does it very effectively Martin Klein and Robert Merton The New York Times succeeds in catching some of Einstein's wholeness the genius and the human being the scientist and the responsible citizen Peter Bergmann Physics Today What a rewarding and civilizing book for anyone interested in physics its history and the look and smell of the whole era during which relativity and quantum physics established themselves this is one of the few biographies of Einstein that gives an authentic view from close up Gerald Holton The Physics Teacher This book deserves to become a best seller I know of no other book on Einstein that gives so complete and well balanced a picture of that great man Otto Robert Frisch it is the very product of Einstein's brain that most clearly delineates the man and to get that across there is none better than Dr Hoffmann who can write so charmingly that even General Relativity sounds like a fun thing in its very profound simplicity Isaac Asimov Here is an excellent biography of Albert Einstein by a theoretical physicist with broad interests and a deep human understanding Hoffmann builds a remarkably interesting and human picture of an extremely gifted man Louis Green Sky and Telescope

The Impossible Takes Longer Vera Weizmann, 2019-08-16 Vera Chatzman was born on November 27 1881 in the Russian city of Rostov on Don She was a medical student soon to become a pediatrician when in 1906 she married

Chaim Weizmann a chemist already involved in the Zionist movement For the next 46 years of their marriage Vera was his companion hostess critic and adviser with an intimate view of Weizmann s career as scientist diplomat and Jewish leader In this memoir by the wife of a prominent man who held on to her own career Vera Weizmann recounts momentous events in Zionist history and relates her impressions of personalities such as David Ben Gurion Vladimir Ze ev Jabotinsky Albert Einstein Isaiah Berlin Harry Truman L on Blum and Arthur James Balfour The late Vera Weizmann the wife of Israel s first President spent most of her life at the centre of Jewish history and this book evokes vividly if painfully the various crises suffered by the Jewish people before they finally attained Statehood Vera Weizmann s intensity of feelings makes it a moving social document The Observer warm hearted engaging and often wise companion volume to Dr Chaim Weizmann s magnificent Trial and Error Its personal anecdotes will enliven the Doctor s more discreet paragraphs and his carefully measured sentences Sunday Telegraph Vera Weizmann was one of the most remarkable personalities of those who led the great phase of Zionist development This book contains her memories as related to her editor David Tutaev He has succeeded in presenting her vivid self portrait Vera s charm will wit and broad humour are here unmistakable and authentic Christopher Sykes Sunday Times London The memoirs of Mrs Chaim Weizmann are invested with the qualities of character exacting civilized standards and independence of spirit which her collaborator Mr Tutaev remarks upon in his memorial foreword Mrs Weizmann died in 1966 after approving proofs of this book They reveal also that Mrs Weizmann participated in her husband s public life fully and intimately her book is a personal record of the Zionist movement at the highest level Kirkus Reviews In an age dominated by the big battalions the individual with nothing but the moral force of an idea can still make an impact on the world given the will perseverance and character The memoirs of the State of Israel s first First Lady exemplify this truth while presenting a vivid panorama covering eighty five eventful years Affairs of state conversations with Churchill Truman Lloyd George Smuts Orde Wingate rub shoulders with the worries of everyday life proud boasts with frank admissions It is a most personal and revealing document as well as saga of achievement Birmingham Post Like Chaim Weizmann s memoirs Trial and Error it is a book that adds to history and is the story of a miraculous achievement Vera Weizmann records faithfully the principal political events affecting Zionism and Chaim s encounters with the statesmen and people who mattered in several countries She has a talent for remembering good stories and witty conversations Her book supplements the more political memoirs of her husband adding picturesque details of the heroic period of Zionism of the negotiations over years about the Balfour Declaration and of the Jewish English partnership in building the National Home Jewish Chronicle

Acting in Terezín Vlasta Schönová, Helen Epstein, 2019-08-16 An unusual memoir by a professional actress in Ghetto Theresienstadt Vlasta Sch nov or Vava as she was known began her theater career as a teenager before the Nazis occupied Czechoslovakia For a while she was able to continue acting by passing as a non Jew After her deportation to Terez n she performed directed and wrote plays as a prisoner Theater she writes invested her life with meaning and kept her

alive even in the most deadly circumstances Based on a notebook the actress kept Acting in Terez n is translated from the Czech by Vava s cousin Helen Epstein author of Children of the Holocaust and Where She Came From It features seven extraordinary theater posters from the Terez n Memorial s collection Acting in Terez n is excerpted from Vlasta Sch nov s memoir Cht la jsem b t here kou I Wanted to be An Actress published in Prague in 1993 A Hebrew edition was published in Israel in 1991 as Lehiyot Sachkanit To Be an Actress and translated into English by Michelle Fram Cohen Hamilton Books 2010 Both books describe Vava s life before the war in Prague and after the war in Israel A powerful original narrative pungently translated that reveals the vulnerability of women during the Holocaust and shows the reader a broad cast of characters from rescuers with moral convictions to those who sexually abused their charges Eva Fogelman Ph D author of Conscience and Courage Rescuers of Jews During the Holocaust I saw Sch nov perform Cocteau in Terez n in 1943 Today I see the play as a piece of kitsch Then I was mesmerized by her performance I was 18 years old and for an hour or so I was lifted out of the camp environment to somewhere in Paris free Lily Reiser MSW and Terez n survivor As an artist what I find most powerful in this memoir is how Vava transformed impossibly hopeless experience into something not only livable but meaningful through theater Rochelle Rubinstein *Amerigo: A Comedy of Errors in History* Stefan Zweig, 2019-08-10 Stefan Zweig s *Amerigo A Comedy of Errors in History* is the Austrian writer s account of how America got its name This short late work describes how Amerigo Vespucci a man of medium caliber who had never been entrusted with a fleet gave his name to the New World because of a combination of circumstances through error accident and misunderstanding Zweig was living in exile in Brazil when he wrote *Amerigo* shortly before committing suicide in despair over Hitler s conquest of Europe The paradox that Columbus discovered America but failed to recognize it while Vespucci did not discover it but was the first to recognize it as a new continent he wrote illustrates how history will not be reasoned with **Founder: A Portrait of the First Rothschild and His Time** Amos Elon, 2019-08-15 In this short biography of Mayer Amschel Rothschild 1744 1812 historian and journalist Amos Elon describes how the founder of the Rothschild dynasty started out by dealing in rare coins and traveling across Germany while still confined as a Frankfurt Jew to its Judengasse Assisted by his five skilled sons Rothschild subsequently built up a fortune by helping manage the investments of the Landgrave of Hesse circumventing Napoleon s blockade of England and funding Napoleon s eventual defeat This slim charming volume is actually a biographical essay yet it succeeds in snatching its elusive subject from oblivion Ron Chernow *The New York Times* This is a fascinating story *The New York Review of Books* A memorable first biography of a near mythical founding father *Publishers Weekly* A thoroughly researched fascinating and altogether exemplary biography *Kirkus Reviews* Amos Elon s portrait of the man who fathered a dynasty makes fascinating reading for anyone even mildly interested in money and power and their effects on history *Founder* is a rich and colorful examination of Meyer Amschel Rothschild Morley Safer Elon s book is a thoroughly researched and absorbing biography *St Louis Jewish Light* A biography that s a must read for today s entrepreneurs *Houston*

Chronicle **Balzac** Stefan Zweig, 2019-08-09 Zweig devoted ten years of research and writing to Balzac which he regarded as his crowning achievement This late work reads like a picaresque novel with Balzac's quest for a woman with a fortune and recurrent episodes of the author chasing an elusive pot of gold driving the story This biography of one classic author by another is filled with Zweig's characteristic psychological insights He portrays the energy and exuberance of imagination that produced some two thousand characters in *La comédie humaine* as well as the daily details of the coffee chugging writer's life his manic writing schedule method of correcting proofs dealing with publishers and reviewers signing contracts doing marketing and publicity Balzac blends biography and literary history in a highly readable volume that will teach you French cultural history as you laugh out loud Balzac is sure to entertain instruct and charm It is a work of art alive with the teeming life of its model It is true both to facts and to the more elusive psychological and spiritual truth of a man who has remained one of the most mysterious of great creators Henri Peyre Sterling professor of French Literature Yale University *The New York Times*

The Israelis: Founders and Sons Amos Elon, 2019-08-16 Superb The first critical analysis of Israel written from within It's a deliberate act of self-awareness exploring how a people got where they are *Time* The most illuminating even handed candid appraisal of the contemporary Jewish condition yet to appear *Newsweek* A penetrating profound explosive essay analysis of the Israelis and the Jews Elon is that very rare writer of contemporary history who can sincerely and honestly see and sympathize with the irreconcilable forces of so suicidal a death embrace as the Israeli Arab struggle a moving enlightening stimulating book this book is a beacon David Schoenbrun *The New York Times* Amos Elon should be praised he has written the most acute even handed portrait yet of the perennially controversial Israelis he has created a portrait that is as complex as it is palpable Roger Jellinek *The New York Times* An instant bestseller in Hebrew and in English from 1971 it became required reading in schools and mirrored the lives of Israelis *The Guardian* A superb book *The Nation* Amos Elon's *The Israelis* stands out as a uniquely valuable book *Commentary Magazine*

Prisoners Without Trial: Japanese Americans in World War II Roger Daniels, 2019-08-09 Well established on college reading lists *Prisoners Without Trial* presents a concise introduction to a shameful chapter in American history the incarceration of nearly 120 000 Japanese Americans during World War II With a new preface a new epilogue and expanded recommended readings Roger Daniels's updated edition examines a tragic event in our nation's past and thoughtfully asks if it could happen again A concise deft introduction to a shameful chapter in American history the incarceration of nearly 120 000 Japanese Americans during World War II *Publishers Weekly* More proof that good things can come in small packages Daniels tackle's historical issues whose consequences reverberate today Not only does he offer cogent overviews of the issues but he is willing to climb out on a critical limb for instance writing about the incarceration of Japanese Americans during WW II this book has tried to explain how and why the outrage happened That is the role of the historian and his book which is to analyze the past But this historian feels that analyzing the past is not always enough and so he takes on the question of could it happen again and

concludes that there is an American propensity to react against foreigners in the United States during times of external crisis especially when those foreigners have dark skins and that Japanese Americans at least would argue that what has happened before can surely happen again Kirkus Reviews An outstanding resource that provides a clear and concise history of the mass incarceration of Japanese Americans during World War II Alice Yang Murray University of California Santa Cruz Especially in light of the events following September 11 2001 Roger Daniels has done us a great favor In a slender book he tells with the assurance of a master narrator an immense story we all of us ignore at the peril of our freedoms Gary Y Okihiro Columbia University No book could be more timely How as a different immigrant minority is under racial pressure associated with a feared enemy the updated Prisoners Without Trial helps us see clearly what lessons we may draw from the past Paul Spickard author of Japanese Americans In the epilogue to the first edition of Prisoners without Trial Roger Daniels thoughtfully asked Could it happen again Today in post 9 11 America that question has an answer It can and it has Daniels addresses these issues in a revised edition of this classic and he finds the U S government perilously close to repeating with the Arab American population mistakes it made with the Japanese Americans Johanna Miller Lewis University of Arkansas at Little Rock

The Routledge Encyclopedia of Jewish Writers of the Twentieth Century Sorrel Kerbel, 2004-11-23 Now available in paperback for the first time Jewish Writers of the Twentieth Century is both a comprehensive reference resource and a springboard for further study This volume examines canonical Jewish writers less well known authors of Yiddish and Hebrew and emerging Israeli writers includes entries on figures as diverse as Marcel Proust Franz Kafka Tristan Tzara Eugene Ionesco Harold Pinter Tom Stoppard Arthur Miller Saul Bellow Nadine Gordimer and Woody Allen contains introductory essays on Jewish American writing Holocaust literature and memoirs Yiddish writing and Anglo Jewish literature provides a chronology of twentieth century Jewish writers Compiled by expert contributors this book contains over 330 entries on individual authors each consisting of a biography a list of selected publications a scholarly essay on their work and suggestions for further reading

The Shakespeare & Company Actor Training Experience Tina Packer, 2019-08-18 Insights and wisdom from one of America's leading Shakespearean actors and theatrical trainers on how to explore and utilize Shakespeare's work to bring your innate acting talent to surface When each word becomes an experience you become a better actor For the story of how Tina Packer came to the United States and started Shakespeare Company in Lenox Massachusetts read Tina Packer Builds A Theater

Where She Came From: A Daughter's Search for Her Mother's History Helen Epstein, 2019-08-09 A sequel to the groundbreaking Children of the Holocaust Where She Came From is a daughter's memoir of her mother's family Drawing on her journalistic training Helen Epstein demonstrates how documentary research can unearth family history and bridge the historical chasm of the Shoah This book is at once a memoir a family history and a social history of Central European Jews of the 19th and 20th centuries The three generations of women she portrays are dressmakers the fashion salon a refuge and a rare institution where women could speak What we so coldly call

acculturation is a major theme of Helen Epstein's rich and absorbing new book *Where She Came From*. In the guise of a family memoir she brilliantly evokes Jewish life in the Czech lands. Epstein is unsparing in her examination of the trials of transplantation and unlike many family biographers who are in thrall to their characters she steps out of the frame to observe herself. Ruth Gay, *New York Times Book Review*. In Epstein's expert and sensitive hands truth becomes not only stranger than fiction but more magnetic, wise and powerful. Gloria Steinem. Helen Epstein's literary pilgrimage to her past will enrich our quest for memory and understanding. Written with her superb talent of storytelling her tale is profoundly human. Elie Wiesel.

Lone Wolf: A Biography of Vladimir (Ze'ev) Jabotinsky Shmuel Katz, 2019-07-31 Shmuel Katz's detailed and comprehensive biography of Vladimir Jabotinsky 1880-1940 is an unabashedly partisan defense of one of the most complex Zionists of the early 20th century. Jabotinsky was a Russian poet, playwright, journalist and novelist as well as the founder of Revisionist Zionism and of Betar. His oratory in many languages was legendary. Katz first heard him speak in South Africa in the early part of the 20th century and was so impressed that he dropped out of university to work for Revisionist Zionism. Katz recounts Jabotinsky's efforts to create the Jewish Legion during World War I, traces the history of Jewish relations with the British during the time of the Palestine Mandate, describes Jabotinsky's role in the defense of the Jewish Yishuv and in organizing the *Af Al Pi* illegal Jewish immigration to Palestine before World War II. He paints a vivid mural of competing Jewish personalities, factions and ideologies in the decades before the establishment of Israel. Shmuel Katz has written an intelligent journalistic account of Jabotinsky's life and was able to use a substantial amount of previously unavailable material, particularly British archival documents. Although Katz clearly has tremendous respect and affection for Jabotinsky, he does not hesitate to criticize him, for example for his ineffectiveness as a fundraiser. *Lone Wolf*'s greatest strength is its comprehensive breadth. Every major event and many minor incidents are extensively covered. Furthermore, Katz has taken the rather unorthodox move of including verbatim large sections of Jabotinsky's original speeches and writings. Paul Radensky, *HN*. So scholarly and yet totally gripping we must be everlastingly grateful to Shmuel Katz for so masterfully giving Jabotinsky's memory fresh life. This book is quiet, calm and while certainly partisan without a single shrill note may one day help to direct the course of Israel's seemingly endless argument with itself. Midge Decter, *Commentary Magazine*. Dr. Katz's monumental and superb biography is a balanced, detailed story of a lion and not a wolf. Ze'ev in Hebrew means a wolf and this is the reason why the title is *Lone Wolf*. Jewish Post.

Adopting the Song of Expression: An Mental Symphony within **Franz Werfel A Life In Prague Vienna And Hollywood**

In some sort of eaten by displays and the ceaseless chatter of instantaneous transmission, the melodic splendor and psychological symphony produced by the prepared word frequently diminish into the backdrop, eclipsed by the persistent sound and distractions that permeate our lives.
