Franz Wohlfahrt - 60 Studies, Op. 45 Complete Franz Wohlfahrt, 2004-02 *60 Studies, Op. 45 Complete* Franz Wohlfahrt, Franz Wohlfahrt 60 Studies Op 45 Complete Books 1 and 2 for Violin The study of the violin presents certain difficulties for beginners which are frequently the cause of a sudden abatement in the pupil's zeal and ambition even before he has mastered the first rudiments The blame for this is commonly laid on the teacher who is called incapable or negligent losing sight of the fact that the pupil began his studies without the slightest notion not merely of the difficulties to be encountered but also of the regular and assiduous industry indispensable for surmounting them It is important therefore to smooth these first asperities by showing their utility and making them agreeable to this end my Violin Method was published and the present Exercises have been written which latter may be considered as forming a supplement to the former If practised carefully and intelligently they will serve as a solid foundation for the technique of any player ambitious to become an artist

with the two other violin technique books in this volume Hrimaly s book Jan Hrimaly Scale Studies for Violin of scales scale based exercises is a classic of violin technique teachings Hrimaly was an in uential Czechoslovakian teacher and violinist He was associated with the Moscow Conservatory for forty six years These are his progressive scale studies in 10 sections The many different scales and arpeggios are a great teaching for all levels and will never be outgrown by the student Kreutzer s book Rodolphe Kreutzer 42 Studies Etudes or Caprices for the Violin is a must have for serious violin students For intermediate to early advanced violinists the famous exercises are standard repertoire The compilation of the 3 complete books is comprised of scans of pre 1923 sheet music by various music publishers Overall it s a warts and all although we have cleaned up and digitally enhanced as much as possible reproduction of some very old manuscripts so there are some minor printing imperfections owing to the age and quality of these original manuscripts We hope you get a lot of benefit from performing the many various exercises in this book and with consistent practice takes your piano playing technique skills to a new level
