Fraser Darlings Islands:

Fraser Darling's Islands John Morton Boyd, 1986 **Exploring Environmental History** T. C Smout, 2011-08-16 This volume brings together the best of T C Smout's recent articles and contributions to books and journals on the topic of environmental history

Ecocriticism and the Island Pippa Marland, 2022-12-19 Islands have long been the subject of cultural fascination but in recent decades they have exerted an increasingly powerful centrifugal force sending writers to the outer edges of the British Irish archipelago in search of inspiration and insight Drawing on contemporary ecocritical approaches island studies and emergent archipelagic perspectives *Ecocriticism and the Island* explores a wide selection of island themed creative non fiction Through a combination of textual analysis and where possible original interviews and archival research Pippa Marland offers new insights into the work of Tim Robinson Brenda Chamberlain Christine Evans W G Sebald Stephen Watts Amy Liptrot Kathleen Jamie Adam Nicolson Robert Macfarlane and David Gange In assessing the ways in which these authors negotiate existing cultural tropes of the island while offering their own distinctive articulations of islandness this book represents an important intervention into island literary studies At the same time it contributes to the development of an archipelagic strand of ecocriticism one that offers a valuable perspective on human environmental relationships in an Anthropocene context

Spatializing the History of Ecology Raf de Bont, Jens Lachmund, 2017-06-26 This book advances a spatial perspective on the history of ecology Intrigued by broader debates in the humanities on the spatial turn the authors contribute to a more explicit and systematic development of spatial thinking in the history of ecology exploring to which extent a spatial perspective can shed new light on the history of ecological science and using ecology as a critical site to gain broader insights into the history of the environment in the nineteenth and twentieth centuries

Island Going Robert Atkinson, 2017-07-05 In July 1935 Robert Atkinson and John Ainslie set out on an ornithological search for the rare Leach's Fork tailed Petrel Their quest was to last for twelve years and took them from their Oxford base to many of the remote and often deserted islands off the north west coast of Scotland *Island Going* is the account of their adventure Not only is it packed with marvellous descriptions of the wildlife and landscapes of the islands as well as the journey itself it also paints a vivid portrait of the way of life of the islanders and their history and traditions

A History of the Highland Clearances Eric Richards, 2020-08-05 First published in 1985 *A History of the Highland Clearances* Volume 2 explores the various types of communal and intellectual responses contemporary and retrospective to the experience of the clearances The first section considers the legacy of the two hundred years debate about the Highland problem and the place of the clearances therein The second section assesses the scale range and timing of the emigrations of the Highlanders as well as some of the motivations The third section contemplates the direct popular response to the clearances the collective memory and the tradition of physical resistance The fourth section is about the career trial and reputation of Patrick Sellar which together embodied much of the social history ruling ideas and the necessary mythology of the clearances The final section

considers the fundamental economic problem of the Highlands in the age of the clearances and the moral and economic alternatives that faced the community the landlords and the nation

Outer Hebrides Mark Rowe,2025-06-19 This new thoroughly updated third edition

of Bradt's Outer Hebrides is the only up to date guidebook to focus solely on Scotland's Western Isles the islands of Lewis Harris St Kilda Berneray North Uist Benbecula South Uist Eriskay Barra and Vatersay Informed and intimate this guidebook is ideal for people who travel with curious minds to discover places of great cultural historical and wildlife interest The Outer Hebrides is an archipelago of 15 inhabited islands and more than 50 others that are free of human footprint It is perfect for a staycation where you can get off the beaten track switching off from the modern world Huge variations in landscape are found across the islands from Lewisian gneiss which dates back almost three billion years to rugged Harris with its magnificent almost unbroken sands running down its western flanks and the undulating flatness and jagged sea lochs of the Uists Here Gaelic is increasingly spoken driven both by a strong sense of regional identity but also unexpectedly boosted by commitment from many incomers Ancient monuments abound from enigmatic 2 000 year old brochs to Tobha Mor the earliest Christian site on the Outer Hebrides Here too are the Standing Stones of Callanish where a vibrant new visitor centre opens in 2025 and the Uig peninsula where the Lewis Chessmen were uncovered nearly 200 years ago Nature lovers can watch stunning seabird colonies birds of prey seals and red deer or become absorbed in the machair grassy coastal zones that are transformed into glorious carpets of wildflowers in late spring and summer Walkers have an impressive choice of routes while cyclists can enjoy the new Hebridean Way cycle trail Alongside providing all the practical details you could ever need experienced journalist Mark Rowe contextualises your visit with detailed and enlightening background information from geography and geology to art and architecture via extensive coverage of wildlife New elements of this third edition include advice on camping and campervanning a round up of deserted villages and first malt whisky produced on Harris Whatever floats your boat Bradt's Outer Hebrides is your perfect travel companion *The Living World* Samantha Walton, 2020-12-10

Harnessing new enthusiasm for Nan Shepherd's writing *The Living World* asks how literature might help us reimagine humanity's place on earth in the midst of our ecological crisis The first book to examine Shepherd's writing through an ecocritical lens it reveals forgotten details about the scientific political and philosophical climate of early twentieth century Scotland and offers new insights into Shepherd's distinctive environmental thought More than this this book reveals how Shepherd's ways of relating to complex interconnected ecologies predate many of the core themes and concerns of the multi disciplinary environmental humanities and may inform their future development Broken down into chapters focusing on themes of place ecology environmentalism Deep Time vital matter and selfhood *The Living World* offers the first integrated study of Shepherd's writing and legacy making the work of this philosopher feminist amateur ecologist geologist and innovative modernist accessible and relevant to a new community of readers **Scottish Sea Kayaking** Doug Cooper, George Reid, 2005 A selection of fifty great sea voyages around the mainland of Scotland and the Western Isles At last here it is Scotland's first guidebook for sea kayakers wishing to explore its amazing coastline and magical islands It brings together a selection of fifty great sea voyages around the mainland of Scotland from the Mull of Galloway in the SW to St Abb

s Head on the east coast as well as voyages in the Western Isles ranging from day trips to three day journeys Illustrated with superb colour photographs and useful maps throughout it is a practical guide to help you select and plan trips It will provide inspiration for future voyages and a souvenir of journeys undertaken As well as providing essential information on where to start and finish distances times and tidal information the book does much to stimulate and inform our interest in the environment we are passing through It is full of facts and anecdotes about local history geology scenery seabirds and sea mammals A fascinating read and an inspirational book *Pabay* Christopher A. Whatley, 2019-07-18 The tiny diamond shaped island of Pabay lies in Skye s Inner Sound just two and a half miles from the bustling village of Broadford One of five Hebridean islands of that name it derives from the Norse *papa ey* meaning island of the priest Many visitors since the first holy men built their chapel there have felt that Pabay is a deeply spiritual place and one of wonder These include the great 19th century geologists Hugh Miller and Archibald Geikie for whom the island s rocks and fossil laden shales revealed much about the nature of Creation itself Len and Margaret Whatley moved to Pabay from the Midlands and lived there from 1950 until 1970 Leaving a landlocked life in Birmingham for the emptiness of an uninhabited island was a brave and challenging move for which nothing could have prepared them Christopher Whatley their nephew was a regular visitor to Pabay whilst they lived there In this book based on archival research oral interviews memory and personal experience he explores the history of this tiny island jewel and the people for whom it has been home to create a vivid picture of the trials tribulations and joys of island life *Nature* Sir Norman Lockyer, 1939 *The Hebrides* Paul Murton, 2024-07-04 Paul Murton has spent half a lifetime exploring some of the most beautiful islands in the world the Hebrides He has travelled the length and breadth of the Scotland s rugged six thousand mile coast line and sailed to over eighty islands In this new and updated edition of his acclaimed book Paul visits each of the Hebridean islands in turn introducing their myths and legends history culture and extraordinary natural beauty In addition he also meets the people who live there and learns their story He has met crofters fishermen tweed weavers Gaelic singers clan chiefs artists postmen and bus drivers people from every walk of life who make the islands tick This blend of the contemporary and the traditional creates a vivid account of the Hebrides and serves as unique guide to the less well known aspects of life among the islands **A History of English Georgic Writing** Paddy Bullard, 2022-12-15 The interconnected themes of land and labour were a common recourse for English literary writers between the sixteenth and twentieth centuries and in the twenty first they have become pressing again in the work of nature writers environmentalists poets novelists and dramatists Written by a team of sixteen subject specialists this volume surveys the literature of rural working lives and landscapes written in English between 1500 and the present day offering a range of scholarly perspectives on the georgic tradition with insights from literary criticism historical scholarship classics post colonial studies rural studies and ecocriticism Providing an overview of the current scholarship in georgic literature and criticism this collection argues that the work of people and animals in farming communities and the land as it is understood

through that work has provided writers in English with one of their most complex and enduring themes Love of Country Madeleine Bunting, 2017-04-11 Excellent Almost the perfect marriage of travelogue to the inner landscape of political ideas and cultural reflections a super read New Statesman Few landscapes are as striking as that of the Hebrides the hundreds of small islands that speckle the waters off Scotland's northwest coast The jagged rocky cliffs and roiling waves serve as a reminder of the islands dramatic geological history Facing the Atlantic the Hebrides were at the center of ancient shipping routes and have a remarkable cultural history After years of hearing about Scotland as a place interwoven with the story of her family Madeleine Bunting went to see for herself this place so full of history Over six years Bunting returned again and again to the Hebrides fascinated by the question of what it means to belong there With great sensitivity she takes readers through the Hebrides history of dispossession and displacement a history that can be understood only in the context of Britain's imperial past and she shows how the Hebrides have been repeatedly used to define and imagine Britain Love of Country is a revelatory journey through one of the world's most remote beautiful landscapes that encourages us to think of the many identities we wear as we walk our paths A remarkably thorough digest of the many histories of the Hebrides Wall Street Journal Moving and wonderful Both the author and reader of this book end up losing themselves not just in politics and history and the details of nature but a sense of wonder The Guardian Makes you feel you are there even if you have just left Observer Best Books of the Year Understanding the Cultures of Fishing Communities James R. McGoodwin, Food and Agriculture Organization of the United Nations, 2001-01-01 Small scale fishing accounts for almost 95% of the world's fishing and it has been estimated that small scale fishing activities support the livelihoods of more than 200 million people worldwide The purpose of this document is to help fisheries officials gain a clearer understanding of the cultures of small scale fishing communities It is hoped this will enable the development of more successful management policies and practices and empower people in such communities to improve their livelihoods The document highlights the importance of sustaining the rights of access to resources and the integration of cultural considerations into fisheries management policies It includes six case studies from distinct cultural regions of the world
