renowned author of books for young readers including the classic *Freaky Friday* and in a final grand turn a doyenne of philanthropy and the chairman of the Juilliard School But in telling these stories with copious annotations contradictions and interruptions from Jesse Green the chief theater critic of The New York Times Shy also tells another about a woman liberating herself from disapproving parents and pervasive sexism to find art and romance on her own terms Whether writing for Judy Holliday or Rin Tin Tin dating Hal Prince or falling for Stephen Sondheim over a game of chess at thirteen Rodgers grabbed every chance possible and then some Both an eyewitness report from the golden age of American musical theater and a tale of a woman striving for a meaningful life Shy is above all a chance to sit at the feet of the kind of woman they don't make anymore and never did They make themselves
