

THE STORY OF AN HISTORIC LAKESIDE COMMUNITY

# Frederick Law Olmsteds Point Chautauqua

Robert A.M. Stern, David Fishman, Jacob Tilove

#### Frederick Law Olmsteds Point Chautauqua:

Frederick Law Olmsted's Point Chautaugua Edgar C. Conkling, 2024-12-01 Point Chautaugua was designed by renowned landscape architect Frederick Law Olmsted in 1875 on a wooded hillside rising steeply from the shores of Lake Chautauqua The only religious community designed by Olmsted over the years it evolved into a hotel resort and then a lakeside residential community Point Chautaugua was listed on the National Register of Historic Places in 1996 and is now considered one of the masterpieces of America's greatest landscape architect Despite being in continuous use for nearly 150 years Point Chautaugua continues to exhibit the design principles that are hallmarks of Olmsted creations It also poses a striking contrast to the more famous Chautauqua Institution across the lake Olmsted criticized the prosaic grid pattern of streets which he felt denied Institution residents a sense of connection with its lakeside site and found the crowding of buildings at the Institution to be unhealthy Taking a very different approach Olmsted laid out Point Chautauqua with curving streets that follow the landscape and allow residents to enjoy views of the lake and lake breezes Like his earlier designs for Riverside near Chicago Parkside in Buffalo and Tacoma Washington Point Chautauqua anticipated the layout of many twentieth century suburban residential communities This priceless artifact is also a living working community of people making it a rewarding laboratory for students of historic landscape architecture as well as for those who seek the preservation of such Frederick Law Olmsted's Point Chautaugua, 1994 Frederick Law Olmsted's Point Chautaugua, 1994 communities

Chautauqua Lake Region Kathleen Crocker, Jane Currie, 2002 The period from the late 1800s through the mid 1900s is fondly remembered as the heyday of the Chautaugua Lake region in southwestern New York State It was a wondrous era when railroads steamboats and trolleys transported local residents as well as wealthy and socially prominent families from Buffalo Cleveland Pittsburgh Detroit Cincinnati and St Louis to their summertime destinations around Chautaugua Lake Showcased in Chautaugua Lake Region are not only adjacent lakeside communities industries and occupations of the residents but also the exceptional natural beauty of the lake itself its importance to early navigation its recreational attributes and its overall allure as a tourist mecca This pocket museum focuses on the myriad attractions that once dotted the lake s forty two mile shoreline hotels parks camps picnic groves rowing clubs boat liveries fish hatcheries icehouses railroad and trolley depots and steamboat landings Legendary Locals of the Chautauqua Lake Region, New York Kathleen Crocker, Jane Currie, 2013 From founding families in the early 1800s to contemporary conservationists in 2011 this volume celebrates a multitude of individuals who have impacted the Chautauqua Lake region Before the armchair traveler journeys around the lake a sampling of historians and photographers are honored for preserving its past Subsequent chapters showcase the lakeside communities of Mayville Dewittville Point Chautauqua Maple Springs Bemus Point Greenhurst Fluvanna Jamestown Celoron Lakewood Ashville Stow and the Chautauqua Institution Each presents several residents who aided its growth made significant contributions or simply remain of interest for their uniqueness Paradise Planned Robert

A.M. Stern, David Fishman, Jacob Tilove, 2013-12-03 Paradise Planned is the definitive history of the development of the garden suburb a phenomenon that originated in England in the late eighteenth century was quickly adopted in the United State and northern Europe and gradually proliferated throughout the world These bucolic settings offered an ideal lifestyle typically outside the city but accessible by streetcar train and automobile Today the principles of the garden city movement are once again in play as retrofitting the suburbs has become a central issue in planning Strategies are emerging that reflect the goals of garden suburbs in creating metropolitan communities that embrace both the intensity of the city and the tranquility of nature Paradise Planned is the comprehensive encyclopedic record of this movement a vital contribution to architectural and planning history and an essential recourse for guiding the repair of the American townscape Chautaugua Lake Karen E. Livsey, Dorothy E. Levin, 2010 Shortly after settlement began along Chautaugua Lake steamboats furnished transportation and the first hotel catered to visiting hunters and fishermen Families escaping the summers in the city soon followed to enjoy the cool healthy air Chautauqua Institution and Point Chautauqua both began as religious assembly grounds Celoron Park often called the Coney Island of the West and later Midway Park provided entertainment for families and attracted thousands of visitors who traveled by trolley and steamboat in the summer Local residents and visitors alike enjoyed the parks picnic groves and assorted resorts along the lake A century later fish are still caught boats still ply the waters and families continue to enjoy everything Chautaugua Lake has to offer The Papers of Frederick Law **Olmsted** Frederick Law Olmsted, 2007-03-06 The Olmsted Papers project is supported by the National Endowment for the Humanities the National Historical Publications and Records Commission the National Trust for the Humanities the National Association for Olmsted Parks as well as private foundations and individuals Clear Skies, Deep Water Beth Peyton, 2014-01-30 After a year of devastating personal and financial loss Beth Peyton and her husband Jeff moved to the hamlet of Maple Springs New York on Chautaugua Lake to pick up the pieces of their lives certain to be in a place that they loved and certain of nothing else As they worked to restore a neglected old house the community the beauty of the lake and the old fashioned sensibility of the place comforted them While Peyton's story traces the couple's progress toward recovery it also includes tales of the silly colorful and warm characters who became their neighbors and friends Whether it s the mystery of Emil and Betty's lost blue plate dead bodies in the water or memories of karaoke at the Village Casino Clear Skies Deep Water is a testament to the healing power of rituals friendships the beauty of the natural world and the possibility of grace Filled with nostalgia about an America that has slipped or is slipping away it will resonate with anyone who has searched for meaning and home The Encyclopedia of New York State Peter Eisenstadt, 2005-05-19 The Encyclopedia of New York State is one of the most complete works on the Empire State to be published in a half century In nearly 2 000 pages and 4 000 signed entries this single volume captures the impressive complexity of New York State as a historic crossroads of people and ideas as a cradle of abolitionism and feminism and as an apex of modern urban suburban and rural life The

Encyclopedia is packed with fascinating details from fields ranging from sociology and geography to history Did you know that Manhattan's Lower East Side was once the most populated neighborhood in the world but Hamilton County in the Adirondacks is the least densely populated county east of the Mississippi New York is the only state to border both the Great Lakes and the Atlantic Ocean the Erie Canal opened New York City to rich farmland upstate and to the west Entries by experts chronicle New York's varied areas politics and persuasions with a cornucopia of subjects from environmentalism to higher education to railroads weaving the state s diverse regions and peoples into one idea of New York State Lavishly illustrated with 500 photographs and figures 120 maps and 140 tables the Encyclopedia is key to understanding the state s past present and future It is a crucial reference for students teachers historians and business people for New Yorkers of all persuasions and for anyone interested in finding out more about New York State **Authors & Artists for Young Adults** Dwayne D. Hayes, 2004-06 With Authors Artists for Young Adults teens have a source where they can discover fascinating and entertaining facts about the writers artists film directors graphic novelists and other creative personalities that most interest them International in scope each volume contains 20 25 entries offering personal behind the scenes information portraits movie stills bibliographies a cumulative index and more For table of contents or other volume specific information see the entry for the volume US-20/Broadway (Transit Road to Lancaster East Village Line) Reconstruction ,1999

Frederick Law Olmsted Library of Congress. Manuscript Division, 1963 The Columbia Gazetteer of the World: A to G Saul Bernard Cohen, 2008 A geographical encyclopedia of world place names contains alphabetized entries with detailed statistics on location name pronunciation topography history and economic and cultural points of interest Olmsted Charles E. Beveridge, Paul Rocheleau, 1998 Traces the life of the influential landscape architect and looks at his designs for public parks The Improvement of Boulder, Colorado Frederick Law Olmsted, 1910 Iamestown & Chautauqua County B. Dolores Thompson, 1984 Weekly Florists' Review Gilbert Leonard Grant, 1920 Experiencing Olmsted The Cultural Landscape Foundation, Charles Birnbaum, Dena Tasse-Winter, Arleyn Levee, 2022-10-04 200 Iconic Landscapes That Define North America Frederick Law Olmsted is the father of American landscape architecture His firm and the successor firms that sprung from it worked through the nineteenth and twentieth centuries to shape some of our most beloved green spaces including national state and city parks suburban neighborhoods and academic campuses He is most famous for creating New York's Central and Prospect Parks Stanford University's campus and the Capitol Grounds What is less known and surprising about his legacy is that he worked widely across North America By highlighting 200 iconic landscapes many of which are still open to the public today Experiencing Olmsted brings a fresh approach to the firms work and philosophy It highlights not only grand city parks but also other public venues born out of a desire for social equity Olmsted was an early voice for parks as democratic spaces that could be reached on foot by a large percentage of any city s populace He viewed parks as restorative places what he termed the lungs of a city Brimming with contemporary and archival

photography as well as original drawings and plans this truly remarkable record brings these places to vivid life **All Creatures** Robert E. Kohler,2013-10-31 We humans share Earth with 1 4 million known species and millions more species that are still unrecorded Yet we know surprisingly little about the practical work that produced the vast inventory we have to date of our fellow creatures How were these multitudinous creatures collected recorded and named When and by whom Here a distinguished historian of science tells the story of the modern discovery of biodiversity Robert Kohler argues that the work begun by Linnaeus culminated around 1900 when collecting and inventory were organized on a grand scale in natural history surveys Supported by governments museums and universities biologists launched hundreds of collecting expeditions to every corner of the world Kohler conveys to readers the experience and feel of expeditionary travel the customs and rhythms of collectors daily work and its special pleasures and pains A novel twist in this story is that survey collecting was rooted not just in science but also in new customs of outdoor recreation such as hiking camping and sport hunting These popular pursuits engendered a wide scientific interest in animals and plants and inspired wealthy nature goers to pay for expeditions The modern discovery of biodiversity became a reality when scientists desire to know intersected with the culture of outdoor vacationing General readers as well as scholars will find this book fascinating

## Frederick Law Olmsteds Point Chautauqua Book Review: Unveiling the Power of Words

In some sort of driven by information and connectivity, the ability of words has be much more evident than ever. They have the capacity to inspire, provoke, and ignite change.
