*Free Play* Stephen Nachmanovitch, 1991-05-01 *Free Play* is about the inner sources of spontaneous creation. It is about why we create and what we learn when we do. It is about the flow of unhindered creative energy, the joy of making art in all its varied forms. An international bestseller and beloved classic, *Free Play* is an inspiring and provocative book directed toward people in any field who want to contact, honor, and strengthen their own creative powers. It reveals how inspiration arises within us, how that inspiration may be blocked, derailed, or obscured, and how finally it can be liberated. How we can be liberated to speak or sing, write or paint, dance or play with our own authentic voice. Stephen Nachmanovitch, a pioneer in free improvisation, integrates material from a wide variety of sources among the arts, sciences, and spiritual traditions of humanity, drawing on unusual quotes, amusing and illuminating anecdotes, and original metaphors. The whole enterprise of improvisation in life and art, of recovering free play and awakening creativity, is about being true to ourselves and our visions. *Free Play* brings us into direct active contact with boundless creative energies that we may not even know we had.

*Cultivating Sacred Space* Elizabeth Murray,1997 Linda Greenlaw hadn t been blue water fishing for ten years since the great events chronicled in The Perfect Storm and The Hungry Ocean when an old friend offered her the captaincy on his boat Seahawk for a season of swordfishing She took the bait of course and thus opened a new chapter in a life that had already seen enough adventure for three lifetimes The Seahawk turns out to be the rustiest of buckets with sprung busted and ancient equipment guaranteed to fail at any critical moment Life is never dull out on the Grand Banks and no one is better at capturing the flavor and details of the wild ride that is swordfishing from the technical complexities of longline fishing and the nuances of reading the weather and waves to the sheer beauty of the open water The trip is full of surprises a bit harder and saltier than I had hoped for but none more unexpected than when the boat s lines inadvertently drift across the Canadian border and she lands in jail Seaworthy is about nature human and other about learning what you can control and what you do when fate takes matters out of your control It s about how a middle aged woman who sets a high bar for herself copes with challenge and change and frustration about the struggle to succeed or fail on your own terms and above all about learning how to find your true self when you re caught between land and sea
