

Balancing Freedom of Speech & Campus Safety

Free Speech

First Amendment of the U.S. Constitution:

"Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the Government for a redress of grievances."

Campus Safety

The UTK/UTIA community (administration, faculty, staff, police and students) each have a role in creating a campus environment, where every student is safe and can share in an environment conducive to learning.

The messages present in this vandalism advocate murder and sexual assault, promote a disease that as of 2017 affects 37 million people globally, reproduce imagery used historically for the purpose of genocide and run counter to every principle of the UT community.
