

FREE WOMAN

The Life and Times of
Victoria Woodhull

EQUAL RIGHTS PARTY

NOMINATION FOR PRESIDENT OF THE U. S.,
In 1872.

by Marion Meade

Free Woman The Life And Times Of Victoria Woodhull

Tom Quirk, Gary Scharnhorst

Free Woman The Life And Times Of Victoria Woodhull:

Free Woman Marion Meade, 2014-04-01 Victoria Woodhull is a historical figure too often ignored and undervalued by historians. Although she never achieved political power, her actions and her presence on the political scene helped begin to change the way Americans thought about the right to vote, particularly women's suffrage, and she set the stage for political emancipations to come throughout the twentieth century. Woodhull was a product of and a revolutionary within the socially conservative Victorian era which predominated in the United States as much as it did in England. She was an anomaly within her time, an unlikely and unconventional woman. She came from a background of poverty, and her careers prior to entering politics included fortune telling, acting, being a stock broker, journalism, and lecturing on women's rights. She ran for president of the United States in 1872. At that time, she had twice been divorced, and she outraged even the feminists of her day by refusing to confine her campaign to the issue of women's suffrage. She advocated a single sexual standard for men and women, legalization of prostitution, reform of the marriage and family institutions, and free love. She shocked a nation largely because her plain speaking was designed to expose the endemic hypocrisy of respectable people in society. Marion Meade has created a vivid picture of the colorful figure that was Victoria Woodhull, but she also fully portrays the era in which she lived in all of its truest and often most unflattering colors. She makes the 1870s read in many ways like the 1970s, not just because Victoria Woodhull was far ahead of her own time, but also because many people in the present era are still culturally behind the times. *Encyclopedia of Women Social Reformers* Helen Rappaport, 2001-12-06 The first comprehensive guide to women activists from every part of the world, illuminating the broad range of women's struggles to reform society from the 18th century to the present. Despite being marginalized, disenfranchised, impoverished, and oppressed, women have always stepped forward in disproportionate numbers to lead movements for social change. This two-volume encyclopedia documents the visions, struggles, and lives of women who have changed the world. This encyclopedia celebrates the lives and achievements of nearly 300 women from around the globe, women who have bravely insisted that the way things are is not the way they have to be. Nadeshda Krupskaya, the wife of Lenin, spearheaded the drive against illiteracy in post-revolutionary Russia. American Dorothy Day founded the Catholic worker movement. Begum Rokeya Hossain organized a girls' school in Calcutta in 1911. Rachel Carson launched the modern environmental movement with her book *Silent Spring*. The stories of these women and the hundreds of others collected here will restore missing pages to our history and inspire a new generation of women to change the world. *Reader's Guide to American History* Peter J. Parish, 2013-06-17 There are so many books on so many aspects of the history of the United States, offering such a wide variety of interpretations that students, teachers, scholars, and librarians often need help and advice on how to find what they want. The Reader's Guide to American History is designed to meet that need by adopting a new and constructive approach to the appreciation of this rich historiography. Each of the 600 entries on topics in political, social, and economic history describes and evaluates some 6 to 12

books on the topic providing guidance to the reader on everything from broad surveys and interpretive works to specialized monographs The entries are devoted to events and individuals as well as broader themes and are written by a team of well over 200 contributors all scholars of American history

Women of Liberty Steve J. Shone,2019-10-01 Steve Shone s *Women of Liberty* explores the many overlaps between ten radical feminist and anarchist thinkers Tennie C Claflin Noe It Louise Michel Rose Pesotta Margaret Sanger Elizabeth Cady Stanton Mollie Steimer Lois Waisbrooker Mercy Otis Warren and Victoria C Woodhull In an age of great and understandable dissatisfaction with governments around the world Shone illuminates both the lost wisdom of the anarchists and the considerable contribution of women to intellectual thought

influences that are currently missing from many classes documenting the history of political theory

Women Public Speakers in the United States, 1800-1925 Karlyn Kohrs Campbell,1993-01-26 From the nation s beginnings efforts have been made to silence U S women Yet they spoke This biographical dictionary the first of two companion volumes gives their voices new recognition Selecting thirty seven key orators Karlyn Kohrs Campbell provides entries on a diverse group of women All were ground breakers suffragists the first lawyers ministers physicians labor organizers newspaper editors and publishers historians educators even soldiers The volume opens with Campbell s introduction and then provides extensive essays on each of the women included Each entry begins with brief biographical information and then focuses on the woman s public life in discourse Each entry includes an analysis of the subject s rhetoric Entries conclude with information on primary sources critical works key rhetorical documents and selected sources of historical and biographical information The work is fully indexed

Rebels and Renegades Neil A. Hamilton,2002 First Published in 2003 Routledge is an imprint of Taylor Francis an informa company

Splintered Sisterhood Susan E. Marshall,1997-07-01 When Tennessee became the thirty sixth and final state needed to ratify the Nineteenth Amendment in August 1920 giving women the right to vote one group of women expressed bitter disappointment and vowed to fight against this feminist disease Why this fierce and extended opposition In *Splintered Sisterhood* Susan Marshall argues that the women of the antisuffrage movement mobilized not as threatened homemakers but as influential political strategists Drawing on surviving records of major antisuffrage organizations Marshall makes clear that antisuffrage women organized to protect gendered class interests She shows that many of the most vocal antisuffragists were wealthy educated women who exercised considerable political influence through their personal ties to men in politics as well as by their own positions as leaders of social service committees Under the guise of defending an ideal of true womanhood these powerful women sought to keep the vote from lower class women fearing it would result in an increase in the ignorant vote and in their own displacement from positions of influence This book reveals the increasingly militant style of antisuffrage protest as the conflict over female voting rights escalated *Splintered Sisterhood* adds a missing piece to the history of women s rights activism in the United States and illuminates current issues of antifeminism

Tempest-Tossed Susan Campbell,2019-03-12 The fascinating forgotten story of a daughter of a renowned

American family a suffragette and spiritualist who shocked New England society Debby Applegate Pulitzer Prize winning author of *The Most Famous Man in America* The Biography of Henry Ward Beecher Older sister Harriet Beecher Stowe was the author of *Uncle Tom's Cabin* Brother Henry Ward Beecher was one of the nation's most influential ministers Their sibling Catharine Beecher wrote pivotal works on women's rights and educational reform And then there was Isabella Beecher Hooker a curiously modern nineteenth century figure *Tempest Tossed* is the first full biography of the passionate fascinating youngest daughter of the Fabulous Beechers one of America's most high powered families of the time She was a leader in the suffrage movement and a mover and shaker in Hartford Connecticut's storied Nook Farm neighborhood and salon But there is more to the story to Isabella's character than that An ardent spiritualist Isabella could be off putting perplexing tenacious or charming in daily life Many found her daunting to get to know and stay on comfortable terms with Her wild streak was especially unfavorable in the eyes of Hartford society at the time which valued restraint and duty In this book Pulitzer Prize winning journalist Susan Campbell brings her own unique blend of empathy and unbridled humor to the story of Harriet's younger half sister and her evolution from orthodox Calvinist daughter wife and mother to one of the most influential players in the suffrage movement where this unforgettable woman finally gets her proper due **What American Women Did,**

1789-1920 Linda Miles Coppens, 2015-07-25 This reference book chronicles what American women did from the emergence of the republic through the end of World War I and the passage of the Nineteenth Amendment A broad spectrum of activities are depicted showing their many accomplishments and how their activities affected the world around them It was an era of great transition for all women A who's who of American women and some men those who showed great support or ironically great opposition to women's reform are described one year at a time beginning with 1789 and ending with 1920 Each year's activities are organized into seven possible categories domesticity work education religion the arts the law and politics and joining forces The book is thoroughly indexed [The Rise of Public Woman](#) Glenna Matthews, 2010-04-10 In the 1630s Anne Hutchinson the wife of a Boston merchant and mother of fifteen children defied the Calvinist clergy by holding meetings and espousing a controversial religious stance When asked to stop she did not and as a result of her outspokenness Hutchinson was subjected to two trials then excommunicated and exiled to upstate New York For 200 years Hutchinson was held as the model of an American Jezebel a female transgressor who threatened the community with social chaos and sexual impropriety But as *The Rise of Public Woman* skillfully reveals what was really on trial was not Anne Hutchinson but the expression of public womanhood This richly woven history ranges from the 17th century to the present as it masterfully traces the movement of American women out of the home and into the public sphere Matthews examines the Revolutionary War period when women exercised political strength through the boycott of household goods and Elizabeth Freeman successfully sued for freedom from enslavement in one of the two cases that ended slavery in Massachusetts She follows the expansion of the country west where a developing frontier attracted strong resourceful women and into the growing cities where women

entered public life through employment in factories and offices Matthews illuminates the contributions of such outstanding Civil War women as Mary Ann Mother Bickerdyke who supervised a cattle drive down the banks of the Mississippi so that soldiers would have fresh milk Clara Barton whose humanitarian work on behalf of the International Red Cross led her to become the first American woman to serve as official representative of the federal government and Sojourner Truth an impassioned black orator who devoted herself to emancipation And Matthews brings the narrative through to the 1970s detailing the growing presence of women in American politics from the suffrage marches of the early twentieth century to the courageous stands women took during the civil rights movement of the 1960s A fascinating and perceptive look at women throughout our history *The Rise of Public Woman* offers an important perspective on the changing public role of women in the United States

Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office,1977 *We Shall be Heard* Patricia Scileppi Kennedy,Gloria Hartmann O'Shields,1983 **American Social Leaders and Activists** Neil A. Hamilton,2014-05-14 Profiles more than 285 men and women who fought for social reform and influenced American history

Ladies of the Ticker George Robb,2017-08-16 Long overlooked in histories of finance women played an essential role in areas such as banking and the stock market during the late nineteenth and early twentieth centuries Yet their presence sparked ongoing controversy Hetty Green s golden touch brought her millions but she outraged critics with her rejection of domesticity Progressives like Victoria Woodhull meanwhile saw financial acumen as more important for women than the vote George Robb s pioneering study explores the financial methods accomplishments and careers of three generations of women Plumbing sources from stock brokers ledgers to media coverage Robb reveals the many ways women invested their capital while exploring their differing sources of information approaches to finance interactions with markets and levels of expertise He also rediscovers the forgotten women bankers brokers and speculators who blazed new trails and sparked public outcries over women s unsuitability for the predatory rough and tumble of market capitalism Entertaining and vivid with details

Ladies of the Ticker sheds light on the trailblazers who transformed Wall Street into a place for women s work **Victoria Woodhull's Sexual Revolution** Amanda Frisken,2012-03-06 Victoria Woodhull the first woman to run for president forced her fellow Americans to come to terms with the full meaning of equality after the Civil War A sometime collaborator with Susan B Anthony and Elizabeth Cady Stanton yet never fully accepted into mainstream suffragist circles Woodhull was a flamboyant social reformer who promoted freedom especially freedom from societal constraints over intimate relationships This much we know from the several popular biographies of the nineteenth century activist But what we do not know as Amanda Frisken reveals is how Woodhull manipulated the emerging popular media and fluid political culture of the Reconstruction period in order to accomplish her political goals As an editor and public speaker Woodhull demanded that women and men be held to the same standards in public life Her political theatrics brought the topic of women s sexuality into the public arena shocking critics galvanizing supporters and finally locking opposing camps into bitter conflict over

sexuality and women's rights in marriage A woman who surrendered her own privacy whose life was grist for the mills of a sensation mongering press she made the exposure of others secrets a powerful tool of social change Woodhull's political ambitions became inseparable from her sexual nonconformity yet her skill in using contemporary media kept her revolutionary ideas continually before her peers In this way Woodhull contributed to long term shifts in attitudes about sexuality and the slow liberation of marriage and other social institutions Using contemporary sources such as images from the sporting news Frisken takes a fresh look at the heyday of this controversial women's rights activist discovering Woodhull's previously unrecognized importance in the turbulent climate of Radical Reconstruction and making her a useful lens through which to view the shifting sexual mores of the nineteenth century **The Unruly Life of Woody Allen** Marion Meade,2000 In Meade's view Allen's life has not been well documented This is a biography of the man and his work the recent scandal being put apart She thinks his life is reflected in his movies and is intrigued that admirers of his work have not deserted him American History Through Literature, 1870-1920 Tom Quirk,Gary Scharnhorst,2006 This volume organized from addiction to Ghost stories features articles on works ideas genres aesthetics events places societal values and the history of publishing from 1870 to 1920 **Historical Dictionary of the Gilded Age** Leonard C. Schlup,James Gilbert Ryan,2003 Covers all the people events movements subjects court cases inventions and more that defined the Gilded Age *Book Review Digest* ,1929 Excerpts from and citations to reviews of more than 8 000 books each year drawn from coverage of 109 publications Book Review Digest provides citations to and excerpts of reviews of current juvenile and adult fiction and nonfiction in the English language Reviews of the following types of books are excluded government publications textbooks and technical books in the sciences and law Reviews of books on science for the general reader however are included The reviews originate in a group of selected periodicals in the humanities social sciences and general science published in the United States Canada and Great Britain Publisher Instructor ,1976

Eventually, you will totally discover a additional experience and deed by spending more cash. yet when? get you resign yourself to that you require to acquire those all needs with having significantly cash? Why dont you attempt to acquire something basic in the beginning? Thats something that will guide you to understand even more in the region of the globe, experience, some places, past history, amusement, and a lot more?

It is your completely own period to doing reviewing habit. among guides you could enjoy now is **Free Woman The Life And Times Of Victoria Woodhull** below.
