*Michigan Christian Advocate* ,1897      [Christian Companion](#) ,1907      *Calvin's Political Theology and the Public Engagement of the Church* Matthew J. Tuininga,2017-04-06 In Calvin s Political Theology and the Public Engagement of the Church Matthew J Tuininga explores a little appreciated dimension of John Calvin s political thought his two kingdoms theology as a model for constructive Christian participation in liberal society Widely misunderstood as a proto political culture warrior due in part to his often misinterpreted role in controversies over predestination and the heretic Servetus Calvin articulated a thoughtful approach to public life rooted in his understanding of the gospel and its teaching concerning the kingdom of God He staked his ministry in Geneva on his commitment to keeping the church distinct from the state abandoning simplistic approaches that placed one above the other while rejecting the temptations of sectarianism or separatism This revealing analysis of Calvin s vision offers timely guidance for Christians seeking a mode of faithful respectful public engagement in democratic pluralistic communities today      *The Sunday-school Times* ,1887      [Catalog of Copyright Entries.
