**This Is the BBC** Simon J. Potter, 2022 Founded in 1922, over the last century the BBC has become Britain's most influential broadcaster. Its programmes have been part of everyday life in the UK and around the world, from *It's That Man Again* to *Life on Earth*, *Doctor Who* and *EastEnders*, reflecting social change and reshaping our culture. However, the BBC now faces significant challenges which may even jeopardize its continued existence. This new book draws out these issues and looks at how similar threats, including hostile governments, management failures and transformative new technologies, were met and overcome in the past. For one hundred years the BBC has justified its existence on the basis that it speaks to and for the nation, uniting the country and projecting British influence overseas. However, in a more diverse and divided Britain, many question whether we still need this sort of broadcaster. New global competitors and digital technologies, and deep funding cuts, threaten the Corporation's ability to play its traditional role. By exploring the BBC's past, Potter helps us think more clearly about its future. Book jacket

**Refugee Tales: Volume III** Monica Ali, Lisa Appignanesi, David Constantine, Bernardine Evaristo, Patrick Gale, Abdulrazak Gurnah, David Herd, Emma Parsons, Ian Sansom, Jonathan Skinner, Gillian Slovo, Lytton Smith, Roma Tearne, Jonathan Wittenberg, 2019-06-27 With nationalism and the far right on the rise across Europe and North America, there has never been a more important moment to face up to what we in Britain are doing to those who seek sanctuary. Still, the UK detains people indefinitely under immigration rules. Bail hearings go unrecorded, people are picked up without notice, individuals feel abandoned in detention centres with no way of knowing when they will be released. In *Refugee Tales III* we read the stories of people who have been through this process, many of whom have yet to see their cases resolved and who live in fear that at any moment they might be detained again. Poets, novelists and writers have once again collaborated with people who have experienced detention, their tales appearing alongside first-hand accounts by people who themselves have been detained. What we hear in these stories are the realities of the hostile environment, the human costs of a system that disregards rights, that denies freedoms and suspends lives. We hear

so many of the wrong words about refugees ugly limiting unimaginative words that it feels like a gift to find here so many of the right words which allow us to better understand the lives around us and our own lives too Kamila Shamsie All profits go to the Gatwick Detainee Welfare Group and Kent Help for Refugees **School Library Journal** ,1994 **Raising Generation Rx** Linda M.
