Emmett's Birthday Pig:

Emmett's Birthday Pig Mary Stolz, 1909-09 **Emmett's Pig** Mary Stolz, 2004 Emmett loves pigs What he wants most of all is a real pig even though his parents have explained that he can't keep one in the city apartment where they live But as Emmett's birthday draws near he feels his dream may finally come true Mary Stolz's warm story first published in 1959 is a timeless classic Garth Williams's original illustrations appear now in full color with help from renowned artist Rosemary Wells

The Mythology of the Animal Farm in Children's Literature Stacy E. Hoult-Saros, 2016-07-21 The Mythology of the Animal Farm in Children's Literature Over the Fence analyzes the ways in which myths about farmed animals lives are perpetuated in children's materials Specifically this book investigates the use of five recurring thematic devices in about eighty books for young children published during the past five decades The close readings of texts and images draw on a wide range of fields including animal theory psychoanalytic and Marxian literary criticism child development theory histories of farming and domestication and postcolonial theory In spite of the underlying seriousness of the project the material lends itself to humorous and not overly heavy handed explications that provide insight into the complex workings of a literary genre based on the covering up of real animal lives

The Book Tree Elizabeth McCallum, Jane Scott, 2008 Literary habits naturally give way to literary affections Once upon a time a carpenter entered a forest and happened upon a wolf wearing a feathered cap Quick whose side are you on If you don't know we suggest reading a hearty round of fairytales Stories provide a roadmap for life This is because stories are life But oftentimes it's easiest to understand where we are when we can look through other eyes from the perspective of someone else living somewhere else somewhen else For those beginning to read for the first time or those beginning to read again The Book Tree will drop golden apples in your lap until you can climb high enough to pick for yourself

King Emmett the Second Mary Stolz, Garth Williams, 1993-03 Emmett endures the death of his pet pig and his family's move from New York City to Ohio and finally comes to accept the thought of getting another pet
