Handbook to Life in Prehistoric Europe Jane McIntosh, 2009 For most of Europe's long past we have no writing no named individuals no recorded deeds This means that its history is almost entirely that of the ordinary individual the hunter gatherer farmer or metallurgist rather than the king Evidence of privileged elites and material splendor is not lacking however The skills and expertise of prehistoric Europeans were often employed in the production of exquisite jewelry elaborately woven cloth beautifully made tools and finely wrought weapons Though the palaces that have attracted excavators in other lands are absent there are few monuments elsewhere in the world to rival Europe's massive megalithic tombs or great stone circles And though individuals preserve their anonymity and many of their secrets modern technology has made it possible to reveal parts of their life history in astonishing detail *Handbook to Life in Prehistoric Europe* gathers the results of recent archaeological discoveries and scholarly research into a single accessible volume Organized thematically the handbook covers all aspects of life in prehistoric Europe including the geography of the continent settlement trade and transport industry and crafts religion death and burial warfare language the arts and more Complemented with more than 75 illustrations and maps the result is a fascinating introduction to the 7 000 year period that immediately preceded the Roman Empire **Ways of the World: A Brief Global History with Sources** Robert W. The Gospels and Christian Life in History and Practice Richard Valantasis, Douglas K. Bleyl, Dennis C. Haugh, 2009-06-15 *The Gospels and Christian Life* reads the four canonical Gospels as handbooks for religious formation through communal practices The book focuses on the communities that produced each gospel the dynamic energy each gospel displays for creating and sustaining community life the different interpretations of the person of Jesus and the different systems of organization and leadership each gospel promulgated The authors carefully describe the social context of each Gospel and delineate the practices the texts prescribe Each gospel has an imaginative portal an introductory chapter

introducing the necessary background for understanding the social intellectual and religious setting for each gospel Their reading of each Gospel builds on these foundations to illustrate the nature and scope of the community s practices Their work starts from the assumption that the communities did not look to the Gospels for biographical data on the life of Jesus to offer the reader a powerful reading of each Gospel community its unique practices and the way people were trained to become members of it This book is aimed at undergraduate and graduate teachers and students pastors and the general audience eager for new ways to understand the New Testament

Matthew: An Introduction and Study Guide Elaine M. Wainwright, 2017-01-12 Recent decades have seen significant shifts in biblical scholarship opening up a range of ways of engaging the biblical narrative both methodologically the tools and techniques for engaging the text and hermeneutically the perspectives that inform an interpreter s approach to the text and to the interpretative task It is these shifts that give shape to this introduction and study guide so that students encounter not only the text of Matthew itself but also its rich lode of recent interpretation Among aspects of 1st century life brought to the fore by current social scientific methodology are kinship the honor and shame culture and masculinity Gender is another interpretative lens that has characterized the study of the Gospel of Matthew in recent decades and the Guide provides pathways through this rich literature The guide to Matthew concludes with the most recent turn of the hermeneutical lens namely an ecological perspective on what is perhaps the best known text in Matthew the Beatitudes This final chapter is an example of how we can enter an old and familiar text like the Gospel of Matthew from yet another new critical direction

Empire Ways Bernard Porter, 2015-10-30 The British Empire was an astonishingly complex and varied

phenomenon not to be reduced to any of the simple generalisations or theories that are often taken to characterise it One way of illustrating this and so conveying some of the subtle flavour of the thing itself is to descend from the over arching to the particular and describe and discuss aspects of it in detail This book by the well known imperial historian Bernard Porter ranges among a wide range of the events and personalities that shaped or were shaped by British imperialism or by its decline in the post war years These include chapters on science drugs battles proconsuls an odd assortment of imperialists including Kipling Lady Hester Stanhope and TE Lawrence architecture music the role of MI6 and the reputation of the Empire since its demise Together the chapters inform explain provoke and occasionally amuse but above all they demonstrate the kaleidoscopic variety and ambivalence of Britain s imperial history **Matthew and the Margins** Warren Carter,2000 A controversial take on the Gospel of Matthew applies the text to history and discusses its implications for political power and spirituality Original *The Short American Century* Andrew J. This story provides an intriguing glimpse into the life of its protagonist Sevyn from her humble beginnings growing up in the Cabrini Green housing projects of Chicago all the way to her current status as a billionaire transgender businesswoman living in an opulent mansion in Dubai The narrative seamlessly jumps between the present and flashes back to Sevyn s childhood painting a picture of how she has risen from nothing to achieve immense success against all odds From the very first chapter the author establishes Sevyn as a strong driven woman who hasn t let her past hold her back We find her waking up beside her loving husband Rich in their sprawling Dubai estate but even amid this life of luxury the scent of coffee and bacon takes her back to memories of her grandmother s kitchen in Cabrini Green These glimpses into Sevyn s childhood highlight the grit and resilience she developed early on traits that would serve her well on her journey Despite everything she endured growing up in such an impoverished environment she has never stopped believing in herself or her ability to make her dreams a reality After reconnecting with memories of her family and upbringing over breakfast Sevyn begins to open up to Rich about her history hinting at secrets from her past that will alter their understanding of who she is This sets the stage for what is sure to be a revealing tale of Sevyn s journey of self discovery and empowerment I m eager to learn more about the obstacles she had to overcome to reach her current position of wealth and influence Her determination to keep striving despite facing adversity serves as an inspiration That night Sevyn has another taping of her show SS Diaries though she neglects practicing her monologue as ghosts from her past resurface Through the description of her silhouette dancing in the mirror fragments cast by the chandelier the author builds an evocative sense of the inner turmoil Sevyn feels as her demons emerge But she is able to channel her memories of poverty and homelessness into finding her voice and delivers a passionate speech touching on themes of perseverance that resonates with her massive global audience After filming Sevyn and Rich retreat to the secret cellar chamber of their mansion where in addition to cannabis and music they keep priceless works of art family portraits and evidence of their philanthropic ambitions Sevyn s successful career has clearly provided rich material comforts but her history still haunts her as she gazes at photos reminding her of harsher times Rich remains devotedly by her side supporting her through the resurfacing of painful recollections Their loving relationship established family and hopes for the future offer rays of light amid the shadows of Sevyn s past that continue emerging I m left wanting to know more about the specific hardships she faced and how she was finally able to overcome them Her journey seems sure to inspire with its message of empowerment and achieving the impossible through grit resilience and an unbreakable spirit The author provides vivid sensory details that transport the reader directly into Sevyn s lavish yet conflicted world From the scents and sounds that transport her back to her childhood to the reflection of her quivering form in the mirrors as trauma resurfaces one can

feel the visceral experience of Sevnyn s memories and emotions The interweaving of flashbacks with the present day also builds engaging dramatic tension making me eager to watch as more of Sevnyn s history is revealed piece by piece Both Sevnyn and Rich come across as complex multilayered characters and I appreciate the glimpses into Rich s background and support of Sevnyn that help balance the focus on her experiences Their caring partnership serves as a strong foundation that clearly played a role in helping Sevnyn achieve all she has Her determination to keep growing in her philanthropy work despite struggles with her past shows an evolved character who wants to use her platform to help others facing similar adversity In summary this novel introduction draws the reader deeply into Sevnyn s intriguing world through vivid sensory storytelling and bits of mystery surrounding her past Both the present day scenes of luxury and the historical flashes back to harder times feel richly realized Sevnyn emerges as a compelling protagonist whose journey of perseverance through challenge upon challenge promises to hold inspiration I look forward to seeing how the author continues to peel back the layers on Sevnyn s history while advancing the engaging plotlines of her marriage career and philanthropic ambitions This shows great promise as a story of empowerment and overcoming the odds through grit and resilience
