Employee Relations Ethics A Special Issue Of Ethics And Behavior

George Saridakis, Cary L. Cooper CBE

Employee Relations Ethics A Special Issue Of Ethics And Behavior:

Employee Relations Ethics Andrew Sikula, Sr., John Sikula, 2000-12-01 This special issue reports on the changing social contract between employers and employees in both the public and private work sectors with a focus on the American experience The concept of Employee Relations Ethics ERE is introduced and defined as Treating employees properly and with respect and dignity The lead article introduces a new theory of management which is employee centered rather than customer driven or stockholder mandate The papers that follow address how the changing nature of the American work force has negatively effected US ERE universities skirt the law and contribute to ERE problems new work trend of working in teams impacts ERE and global competition versus world competition determine and control ERE results The final piece presents an ERE case study explaining the broken covenant between U S military policymakers and American troops during this era of warfare retrenchment and downsizing

Ethics and Values in Industrial-Organizational Psychology Joel Lefkowitz, 2003-10-17 Ethics and Values in Industrial Organizational Psychology is one of the first books to integrate work from the fields of moral philosophy moral psychology IO Psychology and political and social economy as well as business It sets out to provide a framework for moral action and presents practical models for ethical decision making It can serve as a textbook for ethics courses at the graduate and doctoral level in organizational psychology organizational behavior marketing and human resource management It will be a resource to anyone interested in ethics and standards in psychology and business

Values and Ethics of Industrial-Organizational Psychology Joel Lefkowitz, 2023-03-07 This foundational text was one of the first books to integrate work from moral philosophy developmental moral psychology applied psychology political and social economy and political science as well as business scholarship Twenty years on this third edition utilizes ideas from the first two to provide readers with a practical model for ethical decision making and includes examples from IO research and practice as well as current business events The book incorporates diverse perspectives into a framework for taking moral action based on learning points from each chapter Examples and references have been updated throughout and sections on moral psychology economic justice the replicability crisis and open science have been expanded and the radical behavioral challenge to ethical decision making is critiqued In fifteen clearly structured and theory based chapters the author also presents a variety of ethical incidents reported by practicing IO psychologists This is the ideal resource for Ethics and IO courses at the graduate and doctoral level Academics in Organizational Behavior and Human Resource Management will also benefit from this book as well as anyone interested in Ethics in Psychology and Business

The Oxford Handbook of Justice in the Workplace Russell Cropanzano, Maureen L. Ambrose, 2015-06-18 Justice is everyone's concern It plays a critical role in organizational success and promotes the quality of employees working lives For these reasons understanding the nature of justice has become a prominent goal among scholars of organizational behavior As research in organizational justice has proliferated a need has emerged for scholars to integrate literature across disciplines Offering the most thorough

discussion of organizational justice currently available The Oxford Handbook of Justice in the Workplace provides a comprehensive review of empirical and conceptual research addressing this vital topic Reflecting this dynamic and expanding area of research chapters provide cutting edge reviews of selection performance management conflict resolution diversity management organizational climate and other topics integral for promoting organizational success Additionally the book explores major conceptual issues such as interpersonal interaction emotion the structure of justice the motivation for fairness and cross cultural considerations in fairness perceptions The reader will find thorough discussions of legal issues philosophical concerns and human decision making all of which make this the standard reference book for both established scholars and emerging researchers

Antisocial Behavior in Organizations Robert A. Giacalone, Jerald Greenberg, 1997 This intriguing new volume provides an understanding of the various forms of antisocial behavior in the workplace and how they can be identified and managed if not prevented altogether Antisocial Behavior in Organizations includes analysis of the role of frustration in antisocial behavior and discusses issues such as employee revenge aggression lying theft and sabotage Whistle blowing litigation and claiming are also explored as types of behavior that may be considered antisocial even though their stated goal is perhaps prosocial The book concludes by making connections between antisocial behavior and organizational climate addressing the need for modification in the workplace to reduce antisocial behavior Academics students and practitioners in the fields of management industrial organizational psychology sociology social psychology legal studies and criminal justice will appreciate this collection of original essays written by well respected experts

Introducing Employment Relations Steve Williams, 2014 Comprehensive and clearly focused this is a must read text for students of employment relations The accessible writing style is combined with a wealth of contemporary examples allowing the reader to fully engage with the key critical debates surrounding each topic

Handbook of Unethical Work Behavior Robert A. Giacalone, 2012-09-10 Unethical behavior in the workplace affects countless people every year Workers in many organizations are subjected to insidious treatment such as harassment discrimination and bullying However most research and discussion of unethical business behavior has focused solely on its financial and legal effects and not on the health and well being of the individuals working for the organization This handbook has been crafted to address this gap It covers the widest possible range of organizational misbehaviors age race and gender discrimination abuse bullying aggression violence fraud and corruption all with an eye toward the effects on individual and organizational health and well being The Handbook is the first ever single source resource on this important topic

NBS Special Publication, 1977

Seven Moralities of Human Resource Management T. Klikauer, 2014-10-28 Seven Moralities of Human Resource Management analyses morality of HRM from the perspective of American psychologist Laurence Kohlberg This book examines and makes value judgements on whether or not HRM is moral from the viewpoint of Kohlberg's seven stages of morality as a follow up study of the author's 2012 book *Seven Management Moralities*

Responsible Leadership Nicola M.

Pless,Thomas Maak,2012-11-27 These chapters on Responsible Leadership represent the latest thinking on a topic of increasing relevance in a connected world There are many challenges that still remain when it comes to establishing responsible leadership both in theory and practice Whilst offering conceptualisations for the improvement of leadership is a first and perhaps easier response what is more difficult is to facilitate the actual change to happen These chapters will not only generate interest in the emerging domain of studies on responsible leadership but also will pave the way for future research in this area in the years to come Previously Published in the Journal of Business Ethics Volume 98 Supplement 2 2011 **Introduction to Organisational Behaviour** Michael Butler,Ed Rose,2011-01-27 Ideal for anyone studying an introductory module in organisational behaviour Introduction to Organisational Behaviour is a rigorous critique of all essential organisational behaviour topics A comprehensive book with extensive accompanying online resources makes this a must have package for anyone wanting to understand the theory and practice of organisational behaviour Practitioner case studies supporting video interviews where solutions and approaches are discussed review questions at the end of every chapter make this an essential resource Covering organisational behaviour in the context of individuals groups and teams and managing organisations as well as the importance of organisational structures and emerging issues Introduction to Organisational Behaviour gives understanding and guidance on the full spectrum of organisational behaviour issues Supported by extensive online resources including video interviews clips of key skills lecture slides additional tutorial activities and a test bank of multiple choice questions make this a truly integrated print and electronic learning package

Work and Quality of Life Nora P. Reilly, M. Joseph Sirgy, C. Allen Gorman, 2012-05-31 Employees have personal responsibilities as well as responsibilities to their employers. They also have rights. In order to maintain their well-being, employees need opportunities to resolve conflicting obligations. Employees are often torn between the ethical obligations to fulfill both their work and non-work roles, to respect and be respected by their employers and coworkers, to be responsible to the organization while the organization is reciprocally responsible to them, to be afforded some degree of autonomy at work while attending to collaborative goals, to work within a climate of mutual employee management trust, and to voice opinions about work policies, processes, and conditions without fear of retribution. Humanistic organizations can recognize conflicts created by the work environment and provide opportunities to resolve or minimize them. This handbook empirically documents the dilemmas that result from responsibility-based conflicts. The book is organized by sources of dilemmas that fall into three major categories: individual, organizational, internal policies and procedures, and cultural/social forces external to the organization, including an introduction and a final integration of the many ways in which organizations can contribute to positive employee health and well-being. This book is aimed at both academicians and practitioners who are interested in how interventions that stem from industrial and organizational psychology may address ethical dilemmas commonly faced by employees. *Resources in Women's Educational Equity: Special Issue*, 1979. Well-Being and Work P. Dewe, C. Cooper, 2012-03-29 Work and well-being is one of the fastest growing areas of concern to business, public sector, and government. This book looks at the causes of stress in the modern workplace and offers practical advice for managers on how to combat stress in their employees and put in place strategies for developing a healthy workplace.

Eventually, you will very discover a new experience and triumph by spending more cash. still when? complete you consent that you require to acquire those every needs in the manner of having significantly cash? Why dont you attempt to get something basic in the beginning? Thats something that will guide you to understand even more vis--vis the globe, experience, some places, with history, amusement, and a lot more?

It is your utterly own grow old to put on an act reviewing habit. accompanied by guides you could enjoy now is **Employee Relations Ethics A Special Issue Of Ethics And Behavior** below.
