**Violence against Women of African Descent** Anita Kalunta-Crumpton, 2019-10-11 Africa as a continent which holds strong to its patriarchal cultural principles and practices is known for its blatant display of violent abuse of women including state sanctioned violence and its lax approach to national legislative policies and international treaties against violence against women Using data from Africa the Americas Australia and Europe this edited collection showcases a variety of experiences and perspectives in the international comparative study of violence against women of African ancestry This approach provides the context for examining the problem of violence against women including its policy and practice responses if any as it impacts women of African origin in different parts of the world This book is of value to those interested in African studies criminology gender studies sociology and many more

**School Enrollment Decline in Sub-Saharan Africa** Joseph W. B. Bredie, Girindre K. Beeharry, 1998-01-01 The overarching objective of the World Bank's assistance to Sub-Saharan African countries is poverty reduction through sustained economic growth at a high level and improved social services Past experience shows that a minimum level of educational attainment has been a prerequisite for the success of such a strategy The current level of education development has been low and the development of primary education has stagnated and even declined in some countries since the early 1980s This paper examines the likely causes for deteriorating enrollment rates in Africa It looks at the constraints in the demand for schooling and gives possible reasons for stagnation

**Enterprising Africa** Stephen Dobson, Paul Jones, Daniel Agyapong, Gideon Maas, 2020-12-30 Enterprising Africa explores the future opportunities challenges growth areas and key themes that will shape entrepreneurship in the African continent over the next decade Entrepreneurship can be the key to unlock resilient growth but only if it is driven by both socially productive and growth oriented new businesses The book considers entrepreneurship as an enabler for socio economic growth and development in Africa especially in the context of youth unemployment and increasing youth population for which the traditional and indeed emerging industrial sectors will not be able to produce sufficient jobs to meet demand Organised around three thematic parts Part I covers the notion of inclusive growth and the role that entrepreneurs can play supporting this Part II considers the dynamic between entrepreneurs and the environment since social economic and environmental concerns need to build upon each other rather than vie for recognition Finally Part III offers chapters exploring policy contexts and the wider institutional ecosystems that need to be developed and enhanced to ensure a strong and vibrant

environment for the future entrepreneurs of Africa to thrive Edited and authored by leading experts in the field this fascinating text will be of interest to academics as well as students of International Transformational and Social Entrepreneurship and International and African Business      *Russian Enterprise Reform* Harry G. Broadman, 1998-01-01 To enhance and sustain economic prosperity Russian authorities must improve the business climate so that firms restructure and the private sector thrives within a market environment Meeting this challenge requires actions on several fronts The Russian government asked the World Bank to write policy papers to address this issue This volume contains those policy papers which were then presented at a high level workshop in Moscow The topics include removing impediments to robust interfirm competition such as structural concentration arbitrary regulatory practices and entry barriers strengthening corporate governance incentive systems enhancing the nascent institutional framework for the exercise of creditor rights and implementation of enterprise bankruptcy procedures reducing barter and other nonmonetary forms of business transactions and fostering enterprise restructuring The volume also contains formal comments on these papers presented by senior Russian officials at the workshop
