## **Empress Is A Man Stories From The Life Of Jose Sarria:**

*The Empress Is a Man* Michael R Gorman, 2014-01-02 You may be familiar with the tremendous life achievements of Jose Sarria an integral player in the gay rights movement but never before have you heard the intimate details of his incredible life as they are portrayed here In *The Empress Is a Man* Stories from the Life of Jose Sarria winner of the Lammy Award in the transgender category Michael Gorman exposes Sarria's life in a frank manner and with a unique storytelling ability that simultaneously causes amusement and sadness Sarria's amazing life story tells of his perseverance to advance the cause of equality for gay citizens At a time when gays were arrested institutionalized and castrated Sarria did not try to hide his beliefs and convictions Sarria was ahead of his time becoming a significant figure in gay history and culture You'll find *The Empress Is a Man* fascinating as you read about the life of this truly courageous outrageous and remarkable man Some of Sarria's experiences and achievements you'll read about include being the first openly gay male to run for political office being one of America's most important female impersonators entertaining throughout the world live and on film positively affecting the gay community founding an extremely successful charity fundraising organization being featured in a PBS documentary serving in the Army in The Battle of the Bulge in WWII Until recently gay and lesbian stories were published in very limited venues and often at great personal risk forcing knowledge of this history to be passed down orally *The Empress Is a Man* reflects this tradition by telling much of the story in Sarria's own words Adding to the enjoyment and originality of this book is a structure similar to the dramatic style of a play or novel Each section ends with an exciting climax although the book is chronological in order *The Empress Is a Man* is an untraditional book about an untraditional man **Dishonorable**

**Passions** William N. Eskridge Jr., 2008-05-01 From the Pentagon to the wedding chapel there are few issues more controversial today than gay rights As William Eskridge persuasively demonstrates in *Dishonorable Passions* there is nothing new about this political and legal obsession The American colonies and the early states prohibited sodomy as the crime against nature but rarely punished such conduct if it took place behind closed doors By the twentieth century America's emerging regulatory state targeted degenerates and later homosexuals The witch hunts of the McCarthy era caught very few Communists but ruined the lives of thousands of homosexuals The nation's sexual revolution of the 1960s fueled a social movement of people seeking repeal of sodomy laws but it was not until the Supreme Court's decision in *Lawrence v Texas* 2003 that private sex between consenting adults was decriminalized With dramatic stories of both the hunted Walt Whitman and Margaret Mead and the hunters Earl Warren and J Edgar Hoover *Dishonorable Passions* reveals how American sodomy laws affected the lives of both homosexual and heterosexual Americans Certain to provoke heated debate *Dishonorable Passions* is a must read for anyone interested in the history of sexuality and its regulation in the United States [Reader's Guide to Lesbian and Gay Studies](#) Timothy Murphy, 2013-10-18 The *Reader's Guide to Lesbian and Gay Studies* surveys the field in some 470 entries on individuals Adrienne Rich arts and cultural studies Dance ethics religion and philosophical issues

**Longtime Companions: Autobiographies of Gay Male Fidelity** provides a sophisticated alternative to anything goes gay literature. Challenging the stereotype that gay men are incapable of lasting and successful relationships, 15 long-term gay couples share slices of their own lives to give you insight into their present relationships while some discuss life after their mates have passed on. You will find that their stories offer an inspirational and richly fulfilling alternative to an empty life of promiscuity that lacks true love. Through a treasury of autobiographical essays, **Longtime Companions** documents how committed gay male unions can be as enduring, nurturing, and diverse as heterosexual marriages and proves that loving commitments and life sharing are not exclusive to heterosexual unions. A celebration of gay diversity, this book offers you insights from contributors of different ages, professions, geographic locations, and attitudes. You will learn the intimate details of the couples' lives, including how they met their partners, how soon they committed to each other, how long the couples have been together (from 14 years to over 50 years), their keys to leading successful, happy lives, the ways in which their relationships fulfill their personal needs and contribute to community life. You will come to realize the true strength of these men's relationships as you share in their struggles within a society that offers them little recognition or support for their successful relationships. Co-editor Alfred Lees explains in the introduction to **Longtime Companions**: "We've all worked diligently to make our partnerships sound nurturing and enduring. We've done this without any social motivation, largely without role models in the face of official disapproval or contempt. We've told our stories here to refute by the simple facts of our experience the grotesque misrepresentation of gays as being incapable of stable, committed relationships. We'll add more."

Through a treasury of autobiographical essays, **Longtime Companions** documents how committed gay male unions can be as enduring, nurturing, and diverse as heterosexual marriages and proves that loving commitment and life sharing are not exclusive to heterosexual unions. A celebration of gay diversity, contributors vary in age, profession, geographic location, and attitudes. You will learn the intimate details of the couples' lives, including how they met their partners, how soon they committed to each other, how they managed to collaborate on successful, fulfilling lives, how some have maintained their commitment as part of an open relationship. You will come to realize the true strength of these men's relationships as you share in their struggles within a society that offers them little recognition or support for their successful relationships. Co-author Alfred Lees explains in the Introduction to **Longtime Companions**: "We've all worked diligently to make our partnerships sound nurturing and enduring. We've done this without any social innovation, largely without role models in the

face of official disapproval or contempt We've told our stories here to refute by the simple facts of our experience the grotesque misrepresentation of gays as being incapable of stable committed relationships *From Toads to Queens* Jacobo Schifter, 2021-02-25 The information in *From Toads to Queens* Transvestism in a Latin American Setting a 2000 Lammy Nominee is crucial to understanding Latin American culture and its relation to HIV prevention You'll find research findings that offer insights into and analysis of the sexual culture and risk factors that place transvestites in the sex trade and their customers at risk of contracting HIV This information could prove valuable to developing preventions and interventions for similar populations in countries all over the world In *From Toads to Queens* transvestites in the sex trade and their customers share fascinating personal accounts from their daily lives including details of their sexual encounters Specifically you will gain insight into sexual practices pay rates in the sex trade types of lovers and sexual partners locations of work conceptions of fashion and beauty among transvestites relations between transvestites the police and gay bashers clients who are heterosexual men drug consumption and unsafe sex From this book you will gain a comprehensive analysis of Latin transvestites how this population questions assumptions about sexual orientation and practice and how they are affected by the HIV AIDS epidemic Most importantly *From Toads to Queens* documents boundary crossing individuals existence and subverts the simplistic division of people into traditional psychiatric categories a crucial first step in devising ways to decrease the rates of HIV infection among specific populations **Military Trade** Steven Zeeland, 2019-07-18 A same sex attraction for soldiers and sailors spans the globe and predates the term homosexual by several thousand years But these days military chasers are likely to be seen as doubly incorrect Most are gay men who pursue straight men And many of them do it in public What continues to motivate so many men to brave arrest violence and the scorn of gay leaders who condemn any non gay homosexual desire as internalized homophobia In *Military Trade* now updated to include an expanded photo insert Steven Zeeland author of *Sailors and Sexual Identity* *The Masculine Marine* and *Barrack Buddies* and *Soldier Lovers* brings together an edgy enlightening and richly entertaining collection of voices with a passion for servicemen including a TV talk show host who pimped Marines to Hollywood stars a heavy metal superstar who dreams of being reincarnated as a Marine boot a woman trapped in a gay man's body who seduces Marines online then dominates them in person with strap on dildos a former Force Recon Marine who complains of being chased by civilians but is now a Marine chaser himself By turns steamy hilarious appalling and deeply moving *Military Trade* challenges assumptions about both chaser and chased and poses pointed questions about the wisdom of those who seek to divide the world into straight and gay The interviews and essays collected in this book suggest that paradoxically for many men the advances of the gay rights movement have actually made it more difficult to form affectional bonds with other men Gay sex has never been more openly advertised But the military love of comrades is something that gay life can't offer *Military Trade* offers groundbreaking insight into the difference between military chasers and uniform fetishists why gay men prefer sailors and Marines over soldiers and airmen

the surprising range of sexual buddy and even love relationships chasers form with servicemen the nuances of trade and civil military male prostitution what has been overlooked in the sex panic debate about men who have sex in public places For anyone interested in queer theory the construction of masculinity or sex between men outside of gay urban culture and for anyone who has ever thrilled at the sight of a man in uniform Military Trade is must reading **Lost Gay Novels** Anthony Slide,2013-04-03 Searching for an introduction to the shadowy intriguing world of early 20th century gay themed fiction In **Lost Gay Novels** respected pop culture historian Anthony Slide resurrects fifty early 20th century American novels with gay themes or characters and discusses them in carefully researched engaging prose Each entry offers you a detailed discussion of plot and characters a summary of contemporary critical reception and biographical information on the often obscure writer In **Lost Gay Novels** another aspect of gay life and society is in the words the author uncloseted providing you with an absorbing glimpse into the world of these nearly forgotten books **Lost Gay Novels** gives you an introduction to authors who aren't usually associated with homosexuality including John Buchan James M Cain and Rex Stout the history of gay publishing in the US and abroad gay themes in novels published between 1917 and 1950 with entries from nearly every year the ways in which the popular culture of the time shaped the authors attitudes toward homosexuality the difficulty of finding detailed biographical information on little known authors If you're interested in gay studies or history or even if you're just looking for a comprehensive guide to titles you've probably never heard of before **Lost Gay Novels** will be a welcome addition to your collection The introduction from author Slide called by the Los Angeles Times a one man publishing phenomenon provides you with an overview to the basics of this landmark collection Themes found in many of the titles include death secrecy and living a double life and in reading the entries you will discover just why these themes are so common As Slide says in his introduction The approach of the novelist toward homosexuality may not always be a positive one but the works are important to an understanding of contemporary attitudes toward gay men and gay society **Lost Gay Novels** will help you further your own understanding of the dynamic relationship between literature and culture and you will finish the book with a greater appreciation of modern American gay fiction **Macho Love** Jacobo Schifter,2014-01-14 **Macho Love** Sex Behind Bars in Central America is the first in depth study of sexual culture and AIDS in Latin prisons Psychologists social workers criminologists and AIDS specialists will discover how the interplay of sexual ideals prostitution manipulation resistance and power relationships among prisoners and some staff are based on money sex drugs and violence **Macho Love** gives you a stirring and emotional look at the various risks and dangers lurking in the Latin American prison culture and discusses how Costa Rican and Central American prisons are improving the situation with new intervention programs Fascinating and informative **Macho Love** explores the dangerous Latin prison culture as it discusses new HIV AIDS prevention programs implemented in some Costa Rican and Central American prisons the frequency and types of prostitution and rape in prison drug and alcohol addiction and their effects on the spread of HIV AIDS an understanding of why

rehabilitation programs fail or succeed the lack of opportunities to work or to study that leaves the inmates vulnerable to the only freedom they have left sex why a cachero or a man who penetrates another man is not considered a homosexual and often refuses to wear a condom which tremendously increases the risk of HIV AIDS Macho Love explores the life threatening sexual culture in prisons to bring you the realities of the Latin prison culture This revealing book examines the different types of relationships which occur in prisons and the factors that place inmates at risk for contracting the HIV virus such as not wearing a condom because of intoxication due to drugs and alcohol Macho Love also shows you how the new HIV AIDS intervention programs in Costa Rica are combatting these serious problems to lower HIV infection rates and avoid the spread of this deadly and dangerous disease **Coming Out Republican** Neil J. Young,2024-04-03 A revelatory and

comprehensive history of the gay Right from incisive political commentator Neil J Young One of the most maligned misunderstood and even mocked constituencies in American politics gay Republicans regularly face condemnation from both the LGBTQ community and their own political party Yet they ve been active and influential for decades Gay conservatives were instrumental for example in ending Don t Ask Don t Tell and securing the legalization of same sex marriage but they also helped lay the groundwork for the rise of Donald Trump In Coming Out Republican political historian and commentator Neil J Young provides the first comprehensive history of the gay Right From the 1950s up to the present day Young excavates the multifarious origins motivations and evolutions of LGBTQ people who found their way to the institutions and networks of modern conservatism Many on the gay Right have championed conservative values like free markets a strong national defense and individual liberty and believed that the Republican Party therefore offered LGBTQ people the best pathway to freedom Meanwhile that same party has actively and repeatedly demonized them With his precise and provocative voice Young details the complicated dynamics of being in and yet never fully accepted into the Republican Party Coming Out Republican provides striking insight into who LGBTQ conservatives are what they want and why many of them continue to align with a party whose rank and file largely seem to hate them As the Republican Party renews its assaults on LGBTQ rights understanding the significant history of the gay Right has never been more critical In the Pink Sue Levin,1999
