SUMMARY - The E-Myth Revisited: Why Most Small Businesses Don't Work And What To Do About It By Michael E. Gerber Shortcut Edition,2021-06-01 Our summary is short simple and pragmatic It allows you to have the essential ideas of a big book in less than 30 minutes By reading this summary you will discover the secrets of a small business that works and understand why so many startups fail You will also discover that working hard and being an efficient technician is not enough to build a viable business a business needs a vision clear goals and a rigorously defined method to achieve them the franchise model where every business is anchored in a clearly codified concept and operation is a reference

example the core of a company's offering is not the product it seeks to sell but the experience or benefit it offers to the customer a business should not represent the center of its creator's universe but a means to achieve the life he desires and a reflection of the values that animate it Of the number of businesses that are being set up every day many do not manage to survive Yet many are based on interesting ideas and carried by competent and determined people Unfortunately their idea of entrepreneurship is sometimes inadequate A good product and a lot of work is not enough to succeed A company must be built as a true concept which requires vision and method Buy now the summary of this book for the modest price of a cup of coffee

The E-myth Revisited BusinessNews Publishing,2012 This ebook offers a summary of the book *The E Myth Revisited* by Michael E Gerber The entrepreneurial myth is that most small businesses are started by entrepreneurs Not so says Michael E Gerber most are started by technicians who enjoy hands on work and making new products Therefore they are too focused on issues within the business rather than the business as a whole Gerber proposes an ingenious solution to this problem the owner should look upon the business as a prototype that they want to expand in the future In this way the company itself becomes the hands on product

Lifeblood Sam Frowine, 2006-05 There is excitement in the air A young couple is in love The wedding is exquisite Two large families meet and celebrate The festivities go on and on The future holds so much promise Oddly enough in the midst of all the pleasantries there is a cloud present Like oil and water there are two family members who do

not easily mix They are the new bride and her mother in law Their mutual antagonism is a well known but infrequently spoken about syndrome Their clash with one another is classic Despite their lack of preparation for this the individuals find themselves in a real inner war with no easy solution in sight My Son What Have You Done attempts to analyze the many aspects of this conflict including history parents baggage expectations siblings and other surrounding influences The style is analytic objective and logical The book reads lightly and entertainingly The factors from the vantage point of both combatants are laid out allowing the reader to make his or her own evaluation and judgment and to relate to the situations presented Surprisingly My Son What Have You Done moves from its original neutral position and leads rather to strong upbeat and curative conclusions Hopefully its path will be helpful for everyone involved which is the purpose for which this book was written The book includes actual interviews with both mothers in law and daughters in law which run the gamut of feelings experiences and hopes
