Fleshflash And Frank Harris Recreation In Two Actspb1985:

Asian American Playwrights Miles Liu, 2002-05-30 In the late nineteenth century Asian American drama made its debut with the spotlight firmly on the lives and struggles of Asians in North America rather than on the cultures and traditions of the Asian homeland Today Asian American playwrights continue to challenge the limitations of established theatrical conventions and direct popular attention toward issues and experiences that might otherwise be ignored or marginalized While Asian American literature came into full bloom in the last 25 years Asian American drama has yet to receive the kind of critical attention it warrants This reference book serves as a versatile vehicle for exploring the field of Asian American drama from its recorded conception to its present stage Included are alphabetically arranged entries for 52 Asian American dramatists of origins from India Pakistan Vietnam the Philippines Japan Korea and China Each entry includes relevant biographical information that contextualizes the works of a playwright an interpretive description of selected plays that spotlights recurring themes and plots a summary of the playwright's critical reception and a bibliography of primary and secondary works The entries are written by expert contributors and reflect the ethnic diversity of the Asian American community The volume closes with a selected general bibliography which includes anthologies scholarly studies and periodicals

The Columbia Guide to Asian American Literature Since 1945 Guiyou Huang, 2006-08-08 The Columbia Guide to Asian American Literature Since 1945

Words Matter King-Kok Cheung, 2000-02-01 In this age of rapid transition Asian American studies and American studies in general are being reconfigured to reflect global migrations and the diverse populations of the United States Asian American literature in particular has embodied the crisis of identity that is at the heart of larger academic and political debates surrounding diversity and the inclusion and exclusion of immigrant and refugee groups These issues underlie the very principles on which literature culture and art are produced preserved taught and critiqued Words Matter is the first collection of interviews with 20th century Asian American writers The conversations that have been gathered here interviews with twenty writers possessing unique backgrounds perspectives thematic concerns and artistic priorities effectively dispel any easy categorizations of people of Asian descent These writers comment on their own work and speak frankly about aesthetics politics and the challenges they have encountered in pursuing a writing career They address among other issues the expectations attached to the label Asian American the burden of representation shouldered by ethnic artists and the different demands of mainstream and ethnic audiences
