Lower extremities John Blair Deaver, 1926 Poliomyelitis in all its aspects John Ruhräh, 1917 A Nation Within Ezra Rosser, 2021-10-07 Examines land use patterns and economic development on the Navajo Nation telling a story about resource exploitation and tribal sovereignty *1919* Simon Webb, 2016-10-30 The little known true story of rioting and rebellion among British veterans and workers after the end of World War I On the August Bank Holiday of 1919 the government in London dispatched warships to the northern city of Liverpool in an overwhelming show of force Thousands of troops backed by tanks had been trying without success to suppress disorder on the streets Earlier that year in London a thousand soldiers had marched on Downing Street before being disarmed by a battalion of the Grenadier Guards loyal to the government In Luton that summer the town hall was burned down by rioters before the army was brought in to restore order and in Glasgow artillery and tanks were positioned in the center of the city to deter what the secretary of state for Scotland described as a Bolshevik uprising Industrial unrest and mutiny in the armed forces combined to produce the fear that Britain was facing the same kind of situation which had led to the Russian Revolution two years earlier Drawing chiefly upon contemporary sources this book describes the sequence of events which looked as though they might be the precursor to a revolution along the lines of those sweeping across Europe at that time To some observers it seemed only a matter of time before Britain transformed itself from a constitutional monarchy into a Soviet Republic An extraordinary tale Battlefield The Complete Guide to Healing Arthritis Deborah Mitchell, 2011-03-29 The most comprehensive up to date information available on Osteoarthritis Rheumatoid Arthritis and Gout A to Z lists of prescription medications herbal remedies natural supplements surgical treatments physical therapies and alternative options Proven techniques for relieving muscle and joint pain stretching exercises aerobics Tai Chi yoga strength training occupational therapy and more Alternative complimentary therapies acupuncture acupressure chiropractic electrical stimulation hypnosis low level laser and more Essential advice on joint replacement surgical options health care providers causes and risk factors work disability pregnancy sex and other key issues Plus a complete easy to follow program of diet and exercise that will help relieve your pain and restore your quality of life **Ocean Liners** Peter Newall, 2018-01-30 A truly comprehensive

Maritime Matters Before the advent of the jet age ocean liners were the principal means of transport around the globe and carried migrants and business people soldiers and administrators families and lone travelers to every corner of the world Though the ocean liner was born on the North Atlantic it soon spread to all the other oceans and in this new book the author addresses this huge global story The account begins with Brunel's Great Eastern and the early Cunarders but with the rise in nationalism and the growth in empires in the latter part of the 19th century and the opening of the Suez Canal in 1869 the colonial powers of Spain France and Germany soon established shipping lines of their own and transpacific routes were opened up by Japanese and American lines The golden age between the two world wars witnessed huge growth in liner traffic to Africa Australia and New Zealand India and the Far East the French colonies and the Dutch East and West Indies but then though there was a postwar revival the breakup of empires and the arrival of mass air travel brought about the swan song of the liner Employing more than 250 stunning photographs the author describes not just the ships and routes but interweaves the technical and design developments covering engines electric light navigation and safety and accommodation A truly unique and evocative book for merchant ship enthusiasts and historians
