DRAY PRESCOT: 8 FLIERS OF ANTARES

THE SCIENCE FICTION

Fliers Of Antares Antares

John Clute, John Grant

Fliers Of Antares Antares:

Fliers of Antares Jessica A. Salmonson, 1975-04-15 Fliers of Antares Alan Burt Akers, 1975 In order to return to his princess and homeland Dray Prescott must discover how the aircraft of Havilfar operates *The Spikatur Cycle* Alan Burt Akers, 2011-03-01 Four hundred light years from Earth Kregen is a marvelous world peopled by wonderful beings filled with light and clamor and furor of life lived to the hilt But Kregen has its darker side where horror and terror bind innocent people where sorceries rend reason where injustice denies light The Spikatur Cycle brings Prescott closer to the realization of many of his dreams He is determined to do what he feels is laid upon him but he finds it is not so easy particularly when the Empress Delia and his comrades are determined to keep him out of trouble But he is Dray Prescott Lord of Strombor and Krozair of Zy and that canny old leem hunter will not be prevented from buckling up the brave old scarlet breechclout and hurtling off beneath the Moons of Kregen into fresh headlong adventure with a sword in his fist The marvelous adventures of Dray Prescott on Kregen the world of wonders that orbits the twin suns of Antares in Scorpio have become a science fiction saga to rival and perhaps surpass the works of Edgar Rice Burroughs and others of the heroic fantasy band Beasts of Antares Dray Prescott lone Earthman once a pawn of cosmic powers rallies the warriors of Vallia for a final stand against the foes that encircle them Then in an act of true Prescott bravado undertakes single handed to rescue three old friends from slavery in a distant land The beasts of Antares are many and terrifying but Prescott does not belong to the faint hearted and he will need every ounce of courage this time Rebel of Antares At last Prescott has come in sight of his goal to overthrow the slavers and their evil empires that he shares with the Star Lords On the island kingdom of Hyrklana his course now seems clear overthrow its decadent queen lead a rebellion against the cruel Arena and free the princess who is its rightful ruler It is a hard task but for Dray Prescott against whom sorcerers and swordsmen have contended it is the only course he could follow Legions of Antares For too long the iron legions of the evil empress of Hamal have devastated the neighboring lands and islands of Kregen Dray Prescott has battled Empress Thyliss all the way and at long last finds himself nearing the end of his long campaign Gathering about himself old allies and former enemies Dray prepares to challenge the empress at the very doors of her capital city until he discovers that she is about to spring her secret weapon the super science of the mad wizard of Loh Allies of Antares Dray Prescott has made himself into a rallying point of strength on Kregen Now after the worst war between the humanoid lands has finally concluded Prescott again confronts the Star Lords only to learn that the hard won peace is just a transition to a great hemispheric invasion that was even then raiding over the horizon This book contains a glossary of the Spikatur cycle *The Havilfar Cycle II* Alan Burt Akers, 2007-04-01 For the first time ever the books in the Saga of Dray Prescott of Earth and of Kregen are being brought together in omnibus editions In the first Havilfar Cycle omnibus Dray Prescott was launched headlong into a brand new series of adventures upon the planet of Kregen that marvelous and beautiful mystical and terrible world four hundred light years away beneath the Suns of Scorpio Now Hamal

the greatest power in Havilfar is bent on conquest and Prescott hates the Hamalese because he slaved in their diabolical Heavenly Mines His mission is to discover the secrets of the Hamalese airboats for his own people This book contains Bladesman of Antares Avenger of Antares Armada of Antares **The Havilfar Cycle I** Alan Burt Akers,2015-07-08 Together the three books in this volume make up the first part of the Havilfar Cycle of the Saga of Dray Prescott of Earth and of Kregen Dray Prescott is launched headlong into a brand new series of adventures upon the planet of Kregen that marvelous and beautiful mystical and terrible world four hundred light years away beneath the Suns of Scorpio A new life opens for Dray but that new life is cruelly different from all he expected and dreamed hurling him into fresh adventure and danger among peoples and places far removed from those he knows and loves Dray Prescott s saga has been acclaimed as the best planetary adventure series since Burroughs stopped writing about Barsoom Manhounds of Antares Will Dray Prescott be able to remain a prince of proud Vallia or will he become just another human victim of the hunters and manhounds of the mysterious Southern Continent For that is the enigmatic fate that the Star Lords have suddenly confronted him with They want someone freed from the terrified pack of human prey among whom Prescott finds himself But who it is and how it is to be done they have left to Dray to work out Arena of Antares Never a man to leave something half done Dray Prescott knows his task on the mysterious continent of Havilfar is far from complete There are cruel conquerors to be overthrown the pursuit of the manhounds and their masters to continue and there is the dreaded arena Can he survive the life of a gladiator against the killers and monsters of a spoiled queen while the Star Lords wait for his mission to continue Fliers of Antares Dray Prescott confronts his most baffling task while he is a hunted and harried wanderer of the continent of Havilfar That task is to discover the means by which the aircraft of that continent s most advanced civilization operate Prescott is no scientist but fulfill his task he must or he will never return to the princess and homeland he has won So for Dray Prescott there is but one course With a whole continent against him with time itself conspiring to balk him the secrets of an unknown science must be made his *The Jikaida Cycle* Alan Burt Akers,2009 Four hundred light years from Earth Kregen is a marvelous world peopled by wonderful beings filled with light and clamor and furor of life lived to the hilt But Kregen has its darker side where horror and terror bind innocent people where sorceries rend reason where injustice denies light Here in the unforgiving yet rewarding world of Kregen struggling through disaster and triumph Dray Prescott has made his home He has acquired a number of titles and estates but now the people of the island empire of Vallia which has been ripped to shreds by ambitious and mercenary invaders have called on him to lead them to freedom as their emperor Reluctant to accept the imperium he shoulders the burden because rightly or wrongly he sees this as the lesser evil A Life for Kregen Prescott is the unwilling battle arm of the mysterious Star Lords who contend for that planet with the powerful Savanti Yet Prescott s ambitions are his own for he has inherited the remnant of a shattered empire and must fight to bring hope and freedom to all its peoples By his side stands his princess Delia of the Blue Mountains and a band of stalwart companions of many races and

species But arrayed against him are flying armadas armed hordes the wizardry of a super scientist and most shocking of all the fury and steel claws of his own daughter Dayra A Sword for Kregen The most popular game among the many peoples of Kregen is one that resembles chess called Jikaida Jikaida is a battle of wits and war game pieces that suits well the tension charged atmosphere that envelops Dray Prescott Because reconquering Vallia is assuming the aspect of such a game move versus countermove horde against horde But Dray Prescott finds himself no longer in control of the game when he becomes a living chessman on a real life board at the dreaded arena of Jikaida City There every move is accompanied by bloodshed and behind every game might hang the fate of a city an island or even a nation A Fortune for Kregen Fame and fortune may await the winners of the life and death game called Jikaida but for Dray Prescott his triumphs seem to bring only infamy and misfortune Prescott needs to find a way out of his Jikaida City exile for his homeland needs him in its hour of danger But it seems that fate will place him in an even more terrifying game a treasure hunt played out in the illusion webbed catacombs of a haunted valley where desperate men come to find fortunes at the risk of their followers lives and their own sanity A Victory for Kregen The ending of Prescott's stark adventures as a living chess piece in the city of blood games was to be as terrifying as the perils that had gone before Because now that transposed Earthman has to fight his way back to his embattled Vallian homeland across a sky full of danger and a sea full of death And when he returns he will find the combat joined his son at doom's door his troops up against superior odds and a battle he must personally fight that would be two battles in two different places at the same time This edition contains a glossary to the Jikaida cycle

The Krozair Cycle

Alan Burt Akers, 2011-12 Kregen that grim and beautiful marvelous and terrible world four hundred light years away beneath the red and green fires of Antares is a world too rich in passion and action to allow a fighting man like Dray Prescott to rest for long Once more then he is launched into fresh adventures but this time there is a hiatus which might easily break a man of lesser fire and spirit The Tides of Kregen Of all the honours that Dray Prescott Earthman has won during his fabulous adventures on Kregen none are valued by him more than his membership in the Order of the Krozairs of Zy The Krozairs are the highest order of chivalry on that turbulent planet dedicated men warriors of stern convictions and unflinching hearts Thus when the Krozairs in their hour of need called on all their far flung members for aid he should have gone But he could not His return from Earth was blocked by the anger of the mysterious Star Lords And before Dray Prescott can achieve redemption he has two armies opposed to him two warring kingdoms naming him outlaw and only the tides of the seven moons as a weapon Renegade of Kregen Never before in his adventurous career under the double suns of Antares has Dray Prescott been in as desperate a situation as he finds himself on his second entry into the city of Magdag Magdag was the scene of one of Prescott's earliest experiences on Kregen and he recalled it with loathing as a city of power lusting slavers of decadent worshippers of the Green Sun As one who had been initiated into the chivalric order of Krozairs he despises all that the city stood for But now Prescott is an outcast Any Krozair any follower of the Red Sun of his former friends will slay him on

sight For him there is only one way to recover his home his children his self respect He would have to perform an act of valor so extreme so fabulous that its glory would wash away all that now stains his name Only by reaching to the very heart of mighty Magdag could he hope to achieve such a suicidal triumph Krozair of Kregen Dray Prescott has been condemned by his old enemies whose battle color is the green of the sun Grodno For while among these slavers and conquerors of the green searching for a way to turn the tide of war to his own redemption and his friends advantage he had personally encountered the deadly animosity of Grodno s king had betrayed his champion and had shattered all he so carefully worked for But he must soldier on For now in addition to the enormous feat that alone would restore his honor he has a blood vengeance to achieve that overrides everything This edition contains the short story Wizard of Scorpio and a glossary to the Krozair Cycle

The Balintol Cycle I Alan Burt Akers,2015-10-22 Dray Prescott begins an entirely new phase of his adventures on Kregen that magnificent and terrible world four hundred light years from Earth Reared in the harsh conditions of Nelson s Navy Dray Prescott failed to find success on Earth but has succeeded in winning fortune on Kregen He is called the Emperor of Emperors the Emperor of Paz but he himself regards these titles as meaningless Paz is a vast grouping of continents and islands and is inhabited by innumerable races and nations so why should they band together under Prescott The Star Lords themselves have chosen him for this heavy task Intrigue of Antares In this the first book of the Balintol cycle the Star Lords have dispatched Dray Prescott to the town of Amintin in the continent of Balintol Under the streaming mingled lights of the Suns of Scorpio Dray Prescott sets forth on new adventures in the subcontinent of Balintol Gangs of Antares All hell was due to break out in the country of Tolindrin and the city of Oxonium as the capital was likely to receive more than its fair share Dray Prescott is in the middle of it and strangeness unlike any that he has previously encountered awaits him Demons of Antares Dray Prescott s task of uniting the disparate countries so that all Paz can defend itself against the predatory fish headed Shanks from the other side of the world is complicated And the megalomaniac desires of certain princes and nobles who are determined to win the crown of Tolindrin for themselves and who are willing to destroy anyone who gets in their way isn t helping They have hired mercenary armies and allied themselves with the traditional enemies of the country Prescott must travel to Prebaya the capital of Caneldrin and use all his strengths and all his scheming and tricks to achieve his goal with as little bloodshed as possible Savage Scorpio Alan Burt Akers,2007-05-09 Somewhere in the unmapped regions of Kregen beneath the two suns of Antares alpha star of the Constellation Scorpio lies the hidden city of the Savanti The Savanti were the ones responsible for tearing Dray Prescott away from his native Earth for their struggle against the Star Lords And Dray had long sought the locale of his original landing because it would help solve the mystery of his transition Now the time had come when the search must be completed without delay for the father of his beloved Delia was a victim of assassins and only the Savanti could undo the evil that could shatter all that Dray held dear in his second planetary homeland Savage Scorpio is the thrilling novel of a mission that would involve powerful forces far beyond all Prescott s personal desires The

Lohvian Cycle II Alan Burt Akers, 2014-07-17 On the magnificent and mysterious beautiful and terrible world of Kregen a planet orbiting Antares four hundred light years from Earth much may be achieved and much lost Far more than merely a strong sword arm is required for victory Far more than a cunning and devious brain is needed to secure success Having won his princess Delia of Delphond Delia of the Blue Mountains and having become the Emperor of Vallia with Delia at his side as Empress Dray Prescott has renounced the crown and throne Any thoughts of a quiet life are foolish as he well knows Among the many problems besetting him the most important are uniting the lands of Paz and beating off the viciously hostile raiders from over the curve of the sea the feared and hated Shanks Scorpio Ablaze Under the twin sun Antares the planet Kregen is a world of wonder and terror of beauty and horror Now in the streaming mingled lights of the Suns of Scorpio Prescott slave of the Shanks takes up the Krozair brand to attempt to save his friends who are about to be killed by the vicious Shank lord Next he must rally the coalition of forces from Vallia Hamel and Tsungfaril to expel the Shanks from Tarankar But things rarely go according to plan on Kregen Scorpio Drums The forces of Paz have driven off the Shanks and the mysterious Carazaar from the city of Taranjin People are beginning to call Dray Prescott the Emperor of Emperors the Emperor of Paz As he enters the city to assist in the rout of the Shanks and their slaving allies the whiptailed Katakis to his horror he sees Delia being carried off by a group of the slavers galloping off astride zorcas Frenziedly he charges after them Scorpio Triumph Many expeditions have ventured below the City of Eternal Twilight into the Realm of the Drums in search of one of the rubies of the Skantiklar A Wizard of Loh Na Si Fantong is collecting the rubies and it is believed he wants them for no good purpose He has succeeded in obtaining a ruby and vanishes into the maze of tunnels under the city Not really convinced of the importance of the Skantiklar Prescott has to go in pursuit Alone he threads his way through the labyrinth already feeling he will never catch Na Si Fantong This edition includes a glossary to the Lohvian cycle **Captive Scorpio** Alan Burt Akers, 2007-05-23 Dray Prescott Earthman of Kregen that wonderful world circling the twin suns of Antares had risen high in the empire of Vallia but luck could not always sustain him When at last all the forces opposed to his lands his princess his emperor and to him personally converged it was to produce the darkest hour of his long career For treason struck at the court while rebel armies marched from the backlands the war fleets of enemy nations were aloft and the uncanny wizardry of a master scientist launched a spell of doom for all Prescott held dear With his back to the wall Dray Prescott faced that time of peril with unflinching will until the cruelest blow of all was struck his warrior daughter Dayra rode in the vanguard of his foes *Renegade of Kregen* Alan Burt Akers, 2007-04-04 Never before in his adventurous career under the double suns of Antares had Dray Prescott been in as desperate a situation as he found himself on his second entry into the city of Magdag Magdag had been the scene of one of Prescott's earliest experiences on Kregen and he recalled it with loathing as a city of power lusting slavers of decadent worshippers of the Green Sun As one who had been initiated into the chivalric order of Krozairs he despised all that that city stood for But now Prescott was an outcast Any Krozair any follower of the Red Sun of

his former friends would slay him on sight For him there was only one way to recover his home his children his self respect He would have to perform an act of valor so extreme so fabulous that its glory would wash away all that now stained his name Only by reaching to the very heart of mighty Magdag could he hope to achieve such a suicidal triumph **Scorpio Reborn** Alan Burt Akers,2008-01-01 Sent by the Star Lords to save a life from a fire Dray Prescott finds himself utterly helpless in a strange land Confused and unable to move he is cared for by Mevancy a woman with a strange and wonderful secret But why have the Star Lords left him there Who is he expected to protect and how is he supposed to do it Flying a kite one moment battling through an inferno the next Prescott is flung headlong into fresh adventures under the mingled streaming lights of the Suns of Scorpio Scorpio Reborn is the thirty eighth book in the epic fifty two book saga of Dray Prescott of Earth and of Kregen by Kenneth Bulmer writing as Alan Burt Akers and begins a new cycle of adventures The series continues with Scorpio Assassin **The Encyclopedia of Fantasy** John Clute,John Grant,1999-03-15 Like its companion volume The Encyclopedia of Science Fiction this massive reference of 4 000 entries covers all aspects of fantasy from literature to art *The Balintol Cycle II* Alan Burt Akers,2015-11-05 If you are prepared to hurl yourself into adventure to face peril with a brave heart to risk all then the marvelous world of Kregen offers you everything you have ever dreamed For Dray Prescott the challenges are enormous His task is to unite the sub continent of Balintol against the Shanks but the megalomaniac striving for power of various factions looks set to send Balintol up in flames Scourge of Antares Prescott has uncovered some of the details of a plot by the cultists of the religion of Dokerty to turn ordinary men and women into receptacles for demons who then destroy wantonly until the frail human body can no longer support the intolerable demonic forces Now he has escaped from the Dokerty temple with a mysterious young woman Veda They are fleeing for their lives as the Suns of Scorpio descend into night Challenge of Antares Born in 1775 Dray Prescott joined the Royal Navy as a boy when his father died from the sting of a scorpion and his mother followed soon after Life in Nelson s Navy harsh intolerant formed and molded him He has been consistently passed over for promotion even though he has fought his way from the lower deck through the hawsehole to the quarterdeck He considers himself a failure Just recently he has been experiencing unsettling dreams Wrath of Antares The rulers of the countries of Balintol and the people trying to usurp them appear to care only for their own ambitions Having saved the Illusionist of Winlan and preserved the Wall that retains the demon monsters created by Khon the Mak s Dokerty priests Prescott now realizes to his profound horror that the phantom of his wife Delia he saw buried by falling rock was no apparition Includes a glossary of the entire Balintol cycle *Science Fiction and Fantasy Literature, 1975-1991* R. Reginald,Mary Wickizer Burgess,Daryl Furumi Mallett,1992 Science fiction constitutes one of the largest and most widely read genres in literature and this reference provides bibliographical data on some 20 000 science fiction fantasy and horror fiction books as well as nonfiction monographs about the literature A companion to Reginald s Science Fiction and Fantasy Literature 1700 1974 Gale 1979 the present volume is alphabetically arranged by approximately

10 000 author names The entry for each individual work includes title publisher date and place published number of pages hardbound or paperback format and type of book novel anthology etc Where appropriate entries also provide translation notes series information pseudonyms and remarks on special features such as celebrity introductions Includes indexes of titles series awards and doubles for locating volumes containing two novels Annotation copyright by Book News Inc Portland OR

Seg the Bowman Alan Burt Akers,2007-11-01 Dray Prescott s fighting comrade Seg is the finest archer in two worlds Seg is a wild and reckless fellow courageous in the face of any adversity and this is the account of his greatest challenge On an enemy island Seg becomes knight protector of the mysterious lady Milsa and by her side he beats off frightful beasts and inhuman foemen intent on blocking her path to a rightful royal inheritance This edition includes a glossary of the Pandahem cycle Seg the Bowman is the thirty second book in the epic fifty two book saga of Dray Prescott of Earth and of Kregen by Kenneth Bulmer writing as Alan Burt Akers The series continues with Werewolves of Kregen

Warrior of Scorpio Alan Burt Akers,2005-12-01 Once again in the grip of the Star Lords of the Constellation Scorpio Dray Prescott finds himself torn from the battles of the Inner Sea for a mission in the air For it is now his mission to carry his beloved Delia by airboat to that far kingdom Vallia from whence she had come But the route lay across the gaunt mountains and the shadowy jungles of the Hostile Territories and there Dray will be plunged among stranger peoples and more fantastic challenges than even his Kregen princess has known Warrior of Scorpio is the third book in the epic saga of Dray Prescott of Earth and of Kregen

Murder on Kregen Alan Burt Akers,2014-10-09 Volume fifty one in the saga of Dray Prescott of Earth and of Kregen and the first book of the Spectre Cycle A new page turns in the unruly life of Dray Prescott and all his strengths and inner resources will be required to confront fresh problems and perils The Star Lords furthering their mysterious ends demand that he unite all the continents and islands of Paz as an emperor This task is beset with innumerable difficulties So join Dray Prescott as he rides south from the port city of Zandikar on the inner sea of the continent of Turismond the Eye of the World with his blade comrade Seg Segutorio and the Princesses Velia and Didi of Vallia Of course as is the nature of Kregen they face unexpected peril

The Tides of Kregen Alan Burt Akers,2006-03-29 Of all the honours that Dray Prescott Earthman had won during his fabulous adventures on Kregen none were valued by him more than his membership in the Order of the Krozairs of Zy The Krozairs are the highest order of chivalry on that turbulent planet dedicated men warriors of stern convictions and unflinching hearts And Prescott had been ordained a Krozair back at the dawn of his career Thus when the Krozairs in their hour of need called on all their far flung members for aid he should have gone But he could not His return from Earth was blocked by the anger of the mysterious Star Lords Before Dray Prescott could achieve redemption he had two armies opposed to him two warring kingdoms naming him outlaw and only the tides of the seven moons as a weapon

Right here, we have countless books **Fliers Of Antares Antares** and collections to check out. We additionally manage to pay for variant types and with type of the books to browse.
