Operation Ganga Tarun Pithode, 2023-07-18 As war clouds began to loom over Ukraine thousands of Indian students living there found themselves in a precarious situation Some students left Ukraine in time but many remained in the hope that there would be no war or if there was it would not affect their studies However hope turned into disappointment when all foreign students were advised to leave Operation Ganga was a campaign conducted by the Government of India to evacuate Indian citizens mostly students during the Russia Ukraine War The Government of India appealed to all the countries of Europe the Indian diaspora Indian embassies the corporate world and social and religious organisations to provide all possible support in moving Indian students back home from the troubled area Farish was studying medicine in

Sumi He and his friends were helped by people at the Indian embassy to move through the Ukraine border into Poland From Poland transit and food was provided free of cost by the Indian government The repatriation of Farish is but one success story Tarun Pithode chronicles of the sufferings of the students and their harrowing journeys and the role of the Government of India and numerous Indians in rescuing them

Retirement'S Agony, Adventure, Fun, and Exasperation Cyrus Tahernia, MD,2016-04-07 This book consists of twelve chapters Each chapter portrays a different era of the authors life during his retirement The manuscript actually is a continuation and supplement to a memoir that was published several years ago These chapters demonstrate the tide and ebb of the authors life which the author endured associated with the tumultuous nature of his life manifested by his and his familys numerous health problems These usually but not always pop up during later age coincidental with the retirement period This time describes why he has entitled his book Retirements Agony Adventure Fun and Exasperation This period is associated with some misery as well as the fun and the joyous time of life This span makes him question the meaning of golden age On the other hand it gives him an opportunity to spend more time with his family and doing the things that were not feasible during his hectic personal and professional work The author realized it is of paramount importance to keep himself busy with numerous trips to the exotic parts of this world This is why the author started to make several adventures to write books about the continuous itinerary of his life which entails numerous cruises and trips to exciting events such as his silver and golden anniversary while enjoying watching his grandchildrens a bundle of joys growth and development One caveat about this era of his life is going through a lot of misdiagnosis by esteemed colleagues and being exposed to many unethical jargons and unjustified procedures and experimental tests But we must remember that medical professionals while delivering good care to their patients are poor patients themselves of medical care providers This does not mean that we do not have an access to good mannered well experienced and astute care providers albeit unfortunately not many of them are around at the present time Therefore like a roller coaster he has good and bad and up and down spans of his retirement Our society has gone through an enormous number of changes that we have ever imagined and or predicted a decade ago such as IT and the new discoveries and peculiar behaviors Remember retirement is not the end of life but something we must look forward to Dont retire if you do not have many hobbies and you are enjoying your job This is one of the many reasons the author opted for the title of this manuscript to be Retirements Agony Adventure Fun and Exasperation The author is retired officially but not functionally for he is writing attending different medical conferences doing daily exercises and getting involved in the fascinating knowledge in the field of anthropology Remember for your own sanity you must stay active in society and avoid social isolation which is a killer The author is not only doing quite a bit of research and study about anthropology but also is getting involved in the domains of lifestyle politics and especially domestic and foreign policies This is why he has allocated one of the longest chapters of the book chapter 12 to this subject which comprises contemporary and hot topics of todays events and what

exactly is going on in our beloved country in Europe and especially in the Middle East dilemma and last but not least in the African hemisphere It is concluded that altogether now retirement age is nothing but a number You are only as old as you feel The environment aggravates everything in your retirement from insomnia to indigestion and many other problems but you have to learn how to cope with them **The Romanian Revolution of December 1989** Peter Siani-Davies, 2007 The Romanian Revolution of 1989 was the most spectacularly violent and remains today the most controversial of all the East European upheavals of that year Despite or perhaps because of the media attention the revolution received it remains shrouded in mystery How did the seemingly impregnable Ceausescu regime come to be toppled so swiftly and how did Ion Iliescu and the National Salvation Front come to power Was it by coup d tat Who were the mysterious terrorists who wreaked such havoc on the streets of Bucharest and the other major cities of Romania Were they members of the notorious securitate What was the role of the Soviet Union Blending narrative with analysis Peter Siani Davies seeks to answer these and other questions while placing the events and their immediate aftermath within a wider context Based on fieldwork conducted in Romania and drawing heavily on Romanian sources including television and radio transcripts official documents newspaper reports and interviews this book is the most thorough study of the Romanian Revolution that has appeared in English or any other major European language Recognizing that a definitive history of these events may be impossible Siani Davies focuses on the ways in which participants interpreted the events according to particular scripts and myths of revolution rooted in the Romanian historical experience In the process the author sheds light on the ways in which history and the conflicting retellings of the 1989 events are put to political use in the transitional societies of Eastern Europe **Travels with Vamper** George Critchlow, 2017-12-14 This is a story about Critchlow s solo two month journey into Middle America to celebrate his retirement and reflect on life culture and the past It is a real journey through the West the Bible Belt and Missouri River country in Vamper Critchlow s affectionate name for his 1999 Ford Coachmen camper van But it is also about Critchlow s life journey about race religion the environment and a divided America in the age of Donald Trump Critchlow weaves together people places historical anecdotes political observations legal tales and personal history in a way that helps explain the competing narratives in American society today His journey also tells us something about how a baby boomer might look back and look forward as he moves into his senior years and faces the challenge of retirement **Airways** , 1925
