**The Canada Company and the Huron Tract, 1826-1853** Robert C. Lee, 2004-08-20 The Canada Company was responsible for the opening and settling of over two million acres of land in Upper Canada Author Robert C Lee focuses his attention on the extensive parcel of land on the shores of Lake Huron that became known as the Huron Tract His comprehensive research explores the underlying forces leading to the formation of the Company the intriguing mix of people charged with responsibilities for the Company and the overall impact of its operations leading to its present day legacy The politics of the day coupled with diverse and colourful personalities such as John Galt Tiger Dunlop William Allan Thomas Mercer Jones Frederick Widder Sir Peregrine Maitland Bishop Macdonnell and Bishop Strachan introduce an interesting blend of vision intrigue mischief and day to day survival strategies that make for compelling reading Add to this the shareholders perspective of the Company versus the settlers perspective and you have a fascinating glimpse of pioneer conditions Included are descriptions of early towns such as Guelph and Goderich as well as background on the Huron Tract township names Robert Lee's outstanding book brings to life the unusual assemblage of characters who were instrumental in the development of Upper Canada's largest private settlement scheme the Huron Tract Their relationships with each other and especially with the Canada Company for which many of them worked make a great

story Lutzen Riedstra Stratford Perth Archivist Robert Lee has vividly recreated the personalities and the political intrigues that were part of the Canada Company's operation the largest one of its type in Ontario's history The most comprehensive work to date on this fascinating era this book is eminently readable and a must have for history lovers Ron Brown author of Ghost Towns of Ontario

**Migration, Mobility and Modernization** David Siddle, 2000-01-01 For almost a hundred years the academic study of migration concentrated on evolving standardised models of migration behaviour based on data from censuses or the registration of births marriages and deaths More recently it has been realised that such models fail to take into account the decision making behind migration and that better understanding will come from study of the behaviour of individuals as well as aggregate numbers In this book the imaginative use of alternative sources for example apprentice books guild and craft records legal and court documents diaries and biographies gives fresh insights into the processes of movement to reveal much more complex circulatory behaviour than the standard models derived from census and registration sources alone have suggested The first chapter confronts the issue of rural mobility in post famine Ireland and is followed by a study centred on Alpine rural families which built impressive networks across pre industrial Western Europe Two chapters focus on the particular characteristics of worker groups mining families of south Lancashire during the period of rapid increase in coal production in the eighteenth century and the organised mobility of skilled labour in nineteenth century central Europe Next an imaginative and rigorous deployment of the techniques of family reconstruction and record linkage embracing a variety of sources vital event registers wills port books apprentice records teases out the migration histories of those who settled in eighteenth century Liverpool There are two chapters on female migrant behaviour drawing attention in the case of eighteenth century Rheims to the opportunities and restrictions on the life of migrant women at different points in their lifecycles and showing how poor women struggled to survive in nineteenth century Dublin The final chapter uses family histories assembled by numerous genealogists and family historians to challenge the orthodox view of direct stepwise migration from a smaller to a larger town in the urban hierarchy

Roland, Jacques Bernier, 2010-11-22 Volume Two of this retrospective bibliography is both a continuation and an expansion of Volume One 1984 It contains references to Canadian medical historical literature published between 1984 and 1998 and also includes much additional material published prior to 1984 Finally it substantially enlarges the content of French language material Every effort has been made to be as inclusive as possible of articles theses book chapters and books both in English and in French relating to the history of medicine No single electronic source can replace this bibliography The contents are divided into three sections The first is a listing of material expressly biographical Section two lists material under a wide variety of subject headings related to medicine and the third is a complete listing of the authors who have contributed these articles Simply organized and easy to use this bibliography will be of value to historians archivists librarians and anyone interested in the history of medicine

**The American Irish** Kevin Kenny, 2014-07-22 The

American Irish A History is the first concise general history of its subject in a generation. It provides a long overdue synthesis of Irish American history from the beginnings of emigration in the early eighteenth century to the present day. While most previous accounts of the subject have concentrated on the nineteenth century and especially the period from the famine 1840s to Irish independence 1920s, *The American Irish A History* incorporates the Ulster Protestant emigration of the eighteenth century and is the first book to include extensive coverage of the twentieth century. Drawing on the most innovative scholarship from both sides of the Atlantic in the last generation, the book offers an extended analysis of the conditions in Ireland that led to mass migration and examines the Irish immigrant experience in the United States in terms of arrival and settlement, social mobility and assimilation, labor, race, gender, politics and nationalism. It is ideal for courses on Irish history, Irish American history and the history of American immigration more generally.

*The Wearing of the Green*  
Mike Cronin, Daryl Adair, 2004-11-23  
The full history of St Patrick's day is captured here for the first time in *The Wearing of the Green*. Illustrated with photos, the book spans the medieval origins steeped in folklore and myth through its turbulent and troubled times when it acted as fuel for fierce political argument and tells the fascinating story of how the celebration of 17th March was transformed from a stuffy dinner for Ireland's elite to one of the world's most public festivals. Looking at more general Irish traditions and Irish communities throughout the world, Mike Cronin and Daryl Adair follow the history of this widely celebrated event, examining how the day has been exploited both politically and commercially, and they explore the shared heritage of the Irish through the development of this unique patriotic holiday. Highly informative for students of history, cultural studies and sociology, and an absolute delight for anyone interested in the fascinating and unique culture of Ireland.

*Charity and the Great Hunger in Ireland*  
Christine Kinealy, 2013-10-10  
The Great Irish Famine was one of the most devastating humanitarian disasters of the nineteenth century. In a period of only five years, Ireland lost approximately 25% of its population through a combination of death and emigration. How could such a tragedy have occurred at the heart of the vast and resource-rich British Empire? *Charity and the Great Hunger in Ireland* explores this question by focusing on a particular and lesser-known aspect of the Famine: that being the extent to which people throughout the world mobilized to provide money, food and clothing to assist the starving Irish. This book considers how helped by developments in transport and communications, newspapers throughout the world reported on the suffering in Ireland, prompting funds to be raised globally on an unprecedented scale. Donations came from as far away as Australia, China, India and South America, and contributors emerged from across the various religious, ethnic, social and gender divides. *Charity and the Great Hunger in Ireland* traces the story of this international aid effort and uses it to reveal previously unconsidered elements in the history of the Famine in Ireland.

*The Cambridge History of Ireland: Volume 3, 1730-1880*  
James Kelly, Thomas Bartlett, 2018-04-26  
The eighteenth and nineteenth centuries were an era of continuity as well as change. Though properly portrayed as the era of Protestant Ascendancy, it embraces two phases: the eighteenth century when that ascendancy was at its peak and the

nineteenth century when the Protestant elite sustained a determined rear guard defence in the face of the emergence of modern Catholic nationalism Employing a chronology that is not bound by traditional datelines this volume moves beyond the familiar political narrative to engage with the economy society population emigration religion language state formation culture art and architecture and the Irish abroad It provides new and original interpretations of a critical phase in the emergence of a modern Ireland that while focused firmly on the island and its traditions moves beyond the nationalist narrative of the twentieth century to provide a history of late early modern Ireland for the twenty first century Displacing Blackness Ted Rutland,2018-01-01 While focused on twentieth century Halifax Displacing Blackness develops broad insights about the possibilities and limitations of modern planning Drawing connections between the history of planning and emerging scholarship in Black Studies Ted Rutland positions anti blackness at the heart of contemporary city making

Irish Canadian Conflict and the Struggle for Irish Independence, 1912-1925 Robert McLaughlin,2013-01-01 McLaughlin's research is highly original demonstrating the extensive role played by Canadians in this fascinating episode of Ireland's history P 4 of cover *The Making of the Mosaic* Ninette Kelley,Michael J. Trebilcock,2010-01-01 A coherent and lively tale that traces in considerable detail the evolution of Canadian immigration policy Christopher G Anderson Journal of Canadian Studies A thorough account of Canada's immigration policies Any reader interested in immigration to Canada now has a one stop source for its history Douglas Fisher Ottawa Sun A closely textured well conceived narrative an ambitious work that is tremendously reader friendly Barbara Lorenzkowski Social History Masterful and meticulously documented J D Blackwell Choice A rich resource for scholars of Canadian immigration John Harles Canadian Journal of Political Science

**Canadians** Roy MacGregor,2008-05-06 Who are we In *Canadians* one of Canada's most intelligent and beloved writers maps our national psyche in a wonderful and ambitious work *Canadians* is an entertaining portrait of this country and its people through its history popular culture literature sport landscape and weather In his pursuit of the Canadian national identity MacGregor has travelled far and wide taking our pulse telling our stories A sparkling blend of historical anecdotal and reflective writing converges in a narrative that is extraordinarily learned in its perceptions and light in its delivery all trademarks of this remarkable writer's work **Military Paternalism, Labour, and the Rideau Canal Project** Robert W. Passfield,2013-10-28 In studies of the Rideau Canal construction project Labour historians have focused on the suffering of the canal workers and have posited that the military deployed troops to suppress labour unrest and were indifferent to the suffering of the workers This book provides a different perspective through placing the canal project within its natural and physical environments and through taking into account cultural factors in examining the labour as it evolved during the construction of the canal Within that broader framework a totally different view emerges with respect to the causes of the suffering experienced by the canal workers and the role of the military on the canal project Moreover the paternalism of Lt Col John By is revealed in his efforts to promote the physical material and moral well being of the canal workers Lastly the

phenomenon of military paternalism is examined further within a Marxist context and in terms of Anglican torism and and Lockean liberalism      Migration and the Making of Ireland Bryan Fanning,2021-11-02 Ireland has been shaped by centuries of emigration as millions escaped poverty famine religious persecution and war But what happens when we reconsider this well worn history by exploring the ways Ireland has also been shaped by immigration From slave markets in Viking Dublin to social media use by modern asylum seekers Migration and the Making of Ireland identifies the political religious and cultural factors that have influenced immigration to Ireland over the span of four centuries A senior scholar of migration and social policy Bryan Fanning offers a rich understanding of the lived experiences of immigrants Using firsthand accounts of those who navigate citizenship entitlements gender rights and religious and cultural differences in Ireland Fanning reveals a key yet understudied aspect of Irish history Engaging and eloquent Migration and the Making of Ireland provides long overdue consideration to those who made new lives in Ireland even as they made Ireland new      **Irish Nationalism and the**

**British State** Brian Jenkins,2006-05-12 Drawing on an immense body of literature and research Brian Jenkins analyses the forces that shaped mid nineteenth century Irish nationalism in Ireland and North America as well as the role of the Roman Catholic Church He outlines the relationship between newly arrived Irish Catholic immigrants and their hosts and the pivotal role of the church in maintaining a sense of exile particularly among those who had fled the famine Jenkins also explores the essential Irishness of the revolutionary movement and the reasons why it did not emerge in the two other nations of the United Kingdom Scotland and Wales      **Anne of Tim Hortons** Herb Wyile,2011-04-25 Anne of Tim Hortons Globalization and the Reshaping of Atlantic Canadian Literature is a study of the work of over twenty contemporary Atlantic Canadian writers that counters the widespread impression of Atlantic Canada as a quaint and backward place By examining their treatment of work culture and history author Herb Wyile highlights how these writers resist the image of Atlantic Canadians as improvident and regressive if charming folk After an introduction that examines the current place of the region within the Canadian federation and the broader context of economic globalization Anne of Tim Hortons explores how Atlantic Canadian writers present a picture of the region that is much more complex and less quaint than the stereotypes through which it is typically viewed Through the works of authors such as Michael Winter Lisa Moore George Elliott Clarke Rita Joe Frank Barry Alistair MacLeod and Bernice Morgan among others the book looks at the changing and increasingly corporate nature of work the cultural diversification and subversive self consciousness of Atlantic Canadian literature and Atlantic Canadian writers often revisionist approach to the region s history What these writers are engaged in the book contends is a kind of collective readjustment of the image of the region Rather than a marginal place stranded outside of time Atlantic Canada in these works is very much caught up in contemporary economic political and cultural developments particularly the broad sweep of economic globalization      John William McCormack Garrison Nelson,2017-03-23 In the first biography of U S House Speaker John W McCormack author Garrison Nelson uncovers previously forgotten FBI files birth and death records

and correspondence long thought lost or buried For such an influential figure McCormack tried to dismiss the past almost erasing his legacy from the public s mind John William McCormack A Political Biography sheds light on the behind the curtain machinations of American politics and the origins of the modern day Democratic party facilitated through McCormack s triumphs McCormack overcame desperate poverty and family tragedy in the Irish ghetto of South Boston to hold the second most powerful position in the nation By reinventing his family history to elude Irish Boston s powerful political gatekeepers McCormack embarked on a 1928 1971 House career and from 1939 71 the longest house leadership career Working with every president from Coolidge to Nixon McCormack s social welfare agenda which included Social Security Medicare and Medicaid immigration reform and civil rights legislation helped commit the nation to the welfare of its most vulnerable citizens By helping create the Austin Boston Connection McCormack reshaped the Democratic Party from a regional southern white Protestant party to one that embraced urban religiously and racially diverse ethnics A man free of prejudice John McCormack was the Boston Brahmin s favorite Irishman the South s favorite northerner and known in Boston as Rabbi John the Jews favorite Catholic

The Sixth Extinction Terry Glavin,2025-08-22 The Sixth Extinction is a haunting account of the age in which we live Ecologists are calling it the Sixth Great Extinction and the world isn t losing just its ecological legacy also vanishing is a vast human legacy of languages and our ways of living seeing and knowing Terry Glavin confirms that we are in the midst of a nearly unprecedented catastrophic vanishing of animals plants and human cultures He argues that the language of environmentalism is inadequate in describing the unraveling of the vast system in which all these extinctions are actually related And he writes that we re no longer gaining knowledge with every generation We re losing it In the face of what he describes as a dark and gathering sameness upon the Earth Glavin embarks on a global journey to meet the very things we re losing a distinct species every ten minutes a unique vegetable variety every six hours an entire language every two weeks and on the way encounters some of the world s wonderful rare things a human sized salmon in Russia a mysterious Sino Tibetan song language a Malayan tiger the last of its kind and a strange tomato that tastes just like black cherry ice cream And he finds hope in the most unlikely places a macaw roost in Costa Rica a small village in Ireland a relic community of Norse whalers in the North Atlantic the vault beneath the Royal Botanical Garden at Kew and the throne room of the Angh of Longwa in the eastern Himalayas A fresh narrative take on the usual doom and gloom environmentalism The Sixth Extinction draws upon zoology biology ecology anthropology and mythology to share the joys hidden within the long human struggle to conserve the world s living things Here we find hope in what s left the absolute and stunning beauty in the Earth s last cultures and creatures

Historical Dictionary of the British Empire Kenneth J. Panton,2015-05-07 For much of the nineteenth and early twentieth centuries Britain was the dominant world power its strength based in large part on its command of an Empire that in the years immediately after World War I encompassed almost one quarter of the earth s land surface and one fifth of its population Writers boasted that the sun never set on British possessions which provided raw

materials that processed in British factories could be re exported as manufactured products to expanding colonial markets The commercial and political might was not based on any grand strategic plan of territorial acquisition however The Empire grew piecemeal shaped by the diplomatic economic and military circumstances of the times and its speedy dismemberment in the mid twentieth century was similarly a reaction to the realities of geopolitics in post World War II conditions Today the Empire has gone but it has left a legacy that remains of great significance in the modern world The Historical Dictionary of the British Empire covers its history through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 700 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about Britain
