

The background of the entire cover is a photograph of two figures in traditional Japanese court attire (red and white robes) walking in the rain. They are holding large, light pink umbrellas. The rain is visible as white streaks against the dark background. The figures are walking on a wet, reflective surface, possibly a stone path or courtyard.

Flight Paths Of The Emperor:

Flight Paths of the Emperor Steven Heighton, 2010-10-08 Set mainly in the psychologically insulated communities of expatriate teachers in Osaka Japan these fourteen stories seek to understand issues of national or personal honour and the problematic importance of family Heighton also examines subtly related themes like death age marriage war and poetry while hinting at autobiography throughout Sophisticated passionate and elegantly told this collection first published in 1992 was nominated for the 1992 Ontario Trillium Book Award and brought Steven Heighton much national acclaim *This is Our Writing* T. F. Rigelhof, 2000 Punctuate his title as you like but T F Rigelhof considers *This is Our Writing* a declaration an enquiry and an exclamation As a writer of half a dozen a reviewer of dozens upon dozens and as a reader of a multitude more books Terry Rigelhof knows much about writing in Canada In these eleven essays he asks what is best in what has been written by Canadians in the twentieth century He examines selected works of some writers whose accomplishments need serious revaluation What are the real achievements of Robertson Davies Carole Corbeil Mavis Gallant Mordecai Richler Hugh Hood Leonard Cohen and George Grant Rigelhof comes up with a list that will surprise some and dismay others This is a book for readers who have always known in their heart of hearts that Robertson Davies was an egregious windbag and that underneath the inspired silliness of their carefully contrived and managed public images Mordecai Richler and Leonard Cohen have produced three of the most intelligent novels we have In a sequence of interlocking personal essays Rigelhof explores living a writerly life in Canada at the end of the twentieth century The text is fortified by a dozen photographs all but one previously unpublished by Gabor Szilasi one of Canada's greatest active documentary photographers **The Porcupine's Quill Reader** Tim Inkster, John Metcalf, 1996 The Porcupine's Quill Reader celebrates and promotes the work of a small publishing house in the village of Erin Ontario The fact that authors published here have had four Governor General Award nominations in four years suggest that editor John Metcalf and publisher Tim Inkster must be doing something right The Reader contains 20 short stories and assorted gossip anecdotes and photographs of the authors giving readings and socializing And yes this creates a feeling of being the voyeur at the family picnic and yes you might wonder why you would want to be a voyeur there of all places Inkster has long been known for quality book design and treats readers to brief arcane chats about typeface selection and paper size Interesting if you like knowing why some books look and feel so much better than others easy to skip if you don't The Emperor's Revenge Clive Cussler, Boyd Morrison, 2016 When a violent bank heist during the Monaco Grand Prix decimates the Corporation's accounts Juan joins forces with an old friend from his days in the CIA so they can track down a rogue hacker and a ruthless former Ukrainian naval officer It is only after the hunt begins that the enormity of the plan comes into focus the bank theft is just the first step in a plot that will result in the deaths of millions and bring the world's economies to a standstill The catalyst for the scheme A document stolen during Napoleon's disastrous invasion of Russia and two hundred years later it may be the thing that brings Europe to its knees **Aleutian World War**

II National Historic Area Calendar Compendium Francis Broderick, 2017 Beginning in 2006 the Aleutian World War II National Historic Area has produced calendars with each month focused on an illustrated history related to the program's interpretative themes Each year the calendars interwove and built upon the two main themes of the national historic area the Aleutian military campaign and the Unangax Aleut experience of World War II The calendar stories also reflected the program's focus on the natural environment as well as historic preservation both in reference to Unangax culture and history and to the military campaign The calendars also explored previously unknown sides of World War II Aleutian experience including primary research on the personal histories of soldiers and civilians in the Aleutian Islands This calendar compendium draws from a wide range of histories from the 2011 through 2016 calendars Introduction *The Emperor's New Road* Jonathan E. Hillman, 2020-09-29 A prominent authority on China's Belt and Road Initiative reveals the global risks lurking within Beijing's project of the century China's Belt and Road Initiative is the world's most ambitious and misunderstood geoeconomic vision To carry out President Xi Jinping's flagship foreign policy effort China promises to spend over one trillion dollars for new ports railways fiber optic cables power plants and other connections The plan touches more than one hundred and thirty countries and has expanded into the Arctic cyberspace and even outer space Beijing says that it is promoting global development but Washington warns that it is charting a path to global dominance Taking readers on a journey to China's projects in Asia Europe and Africa Jonathan E Hillman reveals how this grand vision is unfolding As China pushes beyond its borders and deep into dangerous territory it is repeating the mistakes of the great powers that came before it Hillman argues If China succeeds it will remake the world and place itself at the center of everything But Xi may be overreaching all roads do not yet lead to Beijing *THUONG NGUYEN MAP 22* Trinh The Vien, 2025-08-14 *THUONG NGUYEN MAP 22* Falling into the Black Devil Halls formation Meng Chuan did not panic This was also within his expectations Unlike the time and space turbulence entering the Sun Star Core and other dead ends the possibility of them escaping this time was low enough to be ignored This time the tens of thousands of cultivators who had been stopped were already very high and it was also normal for him to be blocked In the outer regions it was very difficult to be lucky forever With my late Heaven and Earth Realm Cloud Mist Dragon Snake Body Technique I can only sense part of the arrays range This array is also exaggeratedly large Meng Chuan calmly analyzed Black Devil Hall in order to block as many cultivators as possible they arranged each array pursuing large range for the sake of range they are willing to sacrifice power *At the Emperor's Pleasure* Richard Graham, 2025-03-31 *At the Emperors Pleasure* follows the young couple Christopher and Topsy Man through the savage battle for Hong Kong and the years of enforced separation she interned in Stanley Camp Hong Kong he as a prisoner of war and forced labourer in Kobe Japan The book is not about Christopher and Topsy Man alone but also of friends and colleagues close to them forced to endure the cruel torture and execution by the Kempeitai Amongst those close to them some of Topsy's friends and colleagues were raped and murdered one was imprisoned within shouting distance of

her husband being tortured then executed by the Kempeitai while another died when their camp was mistakenly bombed by the Allies Topsy was herself the reluctant witness to ritual executions Christopher lost brother officers and many of the Cockney soldiers under his command in the battle for Hong Kong Others drowned in the East China Sea victims of a barbaric but little known mass war crime the sinking of the Lisbon Maru Still others survived the sinking only to succumb to the harsh regime of the POW camp in Japan Perhaps most tragic of all four of Christopher s men came through the battle the Lisbon Maru sinking and cruel imprisonment only to die when the aircraft carrying them to freedom crashed into the sea during a typhoon Like many of their generation who suffered at the hands of the Japanese during the second world war Christopher and Topsy Man rarely spoke of their experience and when they did they were guarded in what they chose to share of it even with those closest to them in their post war lives With privileged access to personal letters diaries and records from the wartime years from memories exchanged with Christopher s and Topsy s contemporaries and from knowledge shared by other historians the author has written a compelling and moving account of the young couple s lives being torn apart by world events in late 1941 **The Routledge Introduction to the Canadian Short Story** Maria Löschnigg,2022-12-30
