Florence And Its University During The Early Renaibance:

Florence and Its University During the Early Renaissance Jonathan Davies, 1998 Challenging traditional interpretations of the Florentine Renaissance this book uses a wide range of newly found sources to reveal the important role of the University of Florence in the social economic political ecclesiastical and cultural life of the Florentine Republic

Doctors and Medicine in Early Renaissance Florence Katharine Park, 2014-07-14 Katharine Park has written a social intellectual and institutional history of medicine in Florence during the century after the Black Death of 1348 Originally published in 1985 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 The Civic World of Early Renaissance Florence Gene A. Brucker, 2015-03-08 Professor Brucker contends that changes in the social order provide the key to understanding the transition of Florence from a medieval to a Renaissance city In this book he shows how Florentine politics were transformed from corporate to elitist He bases his work on a thorough examination of archival material providing a full socio political history that extends our knowledge of the Renaissance city state and its development. The author describes the restructuring of the political system showing first how the corporate entities that comprised the traditional social order had lost cohesiveness after the Black Death He traces the process of readjustment that began during the guild regime of 1378 1382 and analyzes the impact of foreign affairs During the crisis years of the Visconti wars the distinctive features emerged of an elitist regime whose vitality was demonstrated following the death of Giangaleazzo Visconti and whose membership and style the author discusses in detail Originally published in 1977 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 Scholarly Self-Fashioning and Community in the Early Modern University Richard Kirwan, 2016-04-01 A greater fluidity in social relations and hierarchies was experienced across Europe in the early modern period a consequence of the major political and religious upheavals of the sixteenth and seventeenth centuries At the same time the universities of Europe became increasingly orientated towards serving the territorial state guided by a humanistic approach to learning which stressed its social and political utility It was in these contexts that the notion of the scholar as a distinct social category gained a foothold and the status of the scholarly group as a social elite was firmly established University scholars demonstrated a great energy when

characterizing themselves socially as learned men This book investigates the significance and implications of academic self fashioning throughout Europe in the early modern period It describes a general and growing deliberation in the fashioning of individual communal and categorical academic identity in this period It explores the reasons for this growing self consciousness among scholars and the effects of its expression social and political desired and real in Florentine Tuscany Robert Black, 2007-07-30 Scholarship on pre university education in Italy during the Middle Ages and Renaissance has been dominated by studies of individual towns or by general syntheses of Italy as a whole in contrast this work offers not only an archival study of a region but also attempts to discern crucial local variations on a comparative basis It documents mass literacy in the city of Florence the school curriculum in the individual Florentine subject towns as well as in the city of Florence itself the decline of church education and the rise of lay schools the development of communal schools in Florentine Tuscany up to 1400 and teachers schools and pupils in the city of Florence during the fifteenth century The iter italicum and the Northern Netherlands Ad Tervoort, 2004-12-01 The iter italicum the peregrinatio academica to prestigious Italian universities holds a special place in the history of late medieval universities Students from all over Europe flocked to the studia on the peninsula including several well known but how many more unknown scholars and humanists from the Northern Netherlands Nevertheless this group of adventurous students has not yet been honoured with a monograph This volume fills that gap It provides the first comprehensive analysis of the nature of the iter italicum from the Northern Netherlands in the late medieval period Through a systematic investigation of the academic activities background and careers of 640 many hitherto unknown students the author unravels the character of the iter italicum and its place in and contribution to society and culture in this transitional period for the Low Countries Literature and Culture in Late Byzantine Thessalonica Eugenia Russell, 2013-05-23 A cultural history of one of the most important centres of the Hellenistic and Byzantine world History of Universities Mordechai Feingold, 2004-04-08 Volume XIX 1 of History of Universities contains the customary mix of learned articles book reviews conference reports and bibliographical information which makes this publication such an indispensable tool for the historian of higher education Its contributions range widely geographically chronologically and in subject matter The volume is as always a lively combination of original research and invaluable reference material Hebrew Bible / Old Testament: The History of Its Interpretation Magne Sæbø, Michael Fishbane, Jean Louis Ska, 2008-01-23 Dieser Band setzt das groe internationale Standardwerk zur Rezeption der Hebr ischen Bibel des Alten Testaments das christliche und j dische Fachleute aus der ganzen Welt vereint fort Es stellt die alttestamentliche Exegese von den Anf ngen innerbiblischer Schriftdeutung bis zur gegenw rtigen Forschung umfassend dar Dieser Band widmet sich der Zeitspanne zwischen Renaissance und Aufkl rung 1300 1800 Kurienuniversität und stadtrömische Universität von ca. 1300 bis 1471 Brigide Schwarz, 2012-12-10 Amongst the oldest universities that of the Roman curia is the Great Unkown little is known of the university of Rome and of Avignon till 1378 To compensate the loss of

sources materials mainly from the Vatican were intensively analysed and a prosopography of the dons and students 694 biograms in annex drawn up Some results all three were legal universities of the southern type The curial university was itinerant it was continued at the general councils Only when the curia resided there untroubled the local schools of Rome and Avignon became great international universities and different forms of association with the curial university were tried on Rome was sought after by students from all over Europe for study of legal theory whereas praxis was learned at the papal court Another attraction of Rome were the possibilities of attaining higher academic grades without much ceremony first in theology later also in law Senza Vestimenta: The Literary Tradition of Trecento Song Lauren Jennings, 2016-04-01 The metaphor of marriage often describes the relationship between poetry and music in both medieval and modern writing While the troubadours stand out for their tendency to blur the distinction between speaking and singing between poetry and song a certain degree of semantic slippage extends into the realm of Italian literature through the use of genre names like canzone sonetto and ballata Yet paradoxically scholars have traditionally identified a divorce between music and poetry as the defining feature of early Italian lyric Senza Vestimenta reintegrates poetic and musical traditions in late medieval Italy through a fresh evaluation of more than fifty literary sources transmitting Trecento song texts These manuscripts have been long noted by musicologists but until now they have been used to bolster rather than to debunk the notion that so called poesia per musica was relegated to the margins of poetic production Jennings revises this view by exploring how scribes and readers interacted with song as a fundamentally interdisciplinary art form within a broad range of literary settings Her study sheds light on the broader cultural world surrounding the reception of the Italian ars nova repertoire by uncovering new diverse readers ranging from wealthy merchants to modest artisans Art of Renaissance Florence Scott Nethersole, 2019-01-15 In this vivid account Scott Nethersole examines the remarkable period of cultural artistic and intellectual blossoming in Florence from 1400 to 1520 the period traditionally known as the Early and High Renaissance He looks at the city and its art with fresh eyes presenting the well known within a wider context of cultural reference Key works of art from painting sculpture and architecture to illuminated manuscripts by artists such as Michelangelo Donatello Botticelli and Brunelleschi are showcased alongside the unexpected and less familiar The European World 1500-1800 Beat Kümin, 2017-12-18 The European World 1500 1800 provides a concise and authoritative textbook for the centuries between the Renaissance and the French Revolution It presents early modern Europe not as a mere transition phase but a dynamic period worth studying in its own right Written by an experienced team of specialists and derived from a successful undergraduate course it offers a student friendly introduction to all major themes and processes of early modern history This third edition features greatly expanded coverage of The Wider World with added chapters on relations with the Ottoman empire European settlement overseas and the global exchange of goods Other new content includes an overview of early modern medicine and comprehensive timelines for each of the thematic parts Specially designed to assist learning The

European World 1500 1800 features expert surveys of key topics written by an international group of historians suggestions for seminar discussion and further reading extracts from primary sources and generous illustrations including maps a glossary of key terms and concepts a full index of persons places and subjects and a much enhanced companion website offering colour images direct access to primary materials and interactive features which highlight key events and locations discussed in the volume The European World 1500 1800 will be essential reading for all students embarking on the discovery of the early modern period For support with the early modern historiographical debates see the partnering volume Interpreting Early Modern Europe Edited by C Scott Dixon and Beat Kumin https www routledge com Interpreting Early Modern Europe Dixon Kumin p book 9781138799011 Humanism in FIfteenth-Century Europe Stephen J. Milner, John Monfasani, John L. Flood, Jacqueline Glomski, Cristina Neagu, Jeremy Lawrance, Craig Taylor, Tom Rutledge, Daniel Wakelin, Oren Margolis, 2012-12-01 Nothing provided Jesuit Foundations and Medici Power, 1532-1621 Kathleen Comerford, 2016-11-07 Jesuit Foundations and Medici Power 1532 1621 focuses on the cooperation between two new foundations the last Medici state and the Society of Jesus spanning nearly a century concentrating on the Jesuit foundations in Florence Siena and Montepulciano As the Medici built and centralized their power in the Grand Duchy of Tuscany they sought to control both the civic and religious behavior of their citizens They found partners in the Jesuits whose educational program helped establish social order and maintain religious orthodoxy Via a detailed investigation of both minor and major Italian Jesuit colleges and of multiple Medici rulers Kathleen M Comerford provides insight into church state cooperation in an age in which both institutions underwent significant changes Plutarch's Lives Noreen Humble, 2010-12-31 Plutarch s Parallel Lives were written to compare famous Greeks and Romans This most obvious aspect of their parallelism is frequently ignored in the drive to mine Plutarch for historical fact However the eleven contributors to the present volume who include most of the world's leading commentators on Plutarch together bring out many ways in which Plutarch invoked aspects of parallelism They show how pervasive and how central the whole notion was to his thinking With new analysis of the synkriseis with discussion of parallels within and across the Lives and in the Moralia with an examination of why the basic parallel structure of the Lives lost its importance in the Renaissance this volume presents fresh ideas on a neglected topic crucial to Plutarch's literary creation The Medieval Origins of the Legal Profession James A. Brundage, 2024-05-31 In the aftermath of sixth century barbarian invasions the legal profession that had grown and flourished during the Roman Empire vanished Nonetheless professional lawyers suddenly reappeared in Western Europe seven hundred years later during the 1230s when church councils and public authorities began to impose a body of ethical obligations on those who practiced law James Brundage's The Medieval Origins of the Legal Profession traces the history of legal practice from its genesis in ancient Rome to its rebirth in the early Middle Ages and eventual resurgence in the courts of the medieval church By the end of the eleventh century Brundage argues renewed interest in Roman law combined with the rise of canon law of the Western

church to trigger a series of consolidations in the profession New legal procedures emerged and formal training for proctors and advocates became necessary in order to practice law in the reorganized church courts Brundage demonstrates that many features that characterize legal advocacy today were already in place by 1250 as lawyers trained in Roman and canon law became professionals in every sense of the term A sweeping examination of the centuries long power struggle between local courts and the Christian church secular rule and religious edict The Medieval Origins of the Legal Profession will be a resource for the professional and the student alike <u>Culture and Power Jonathan Davies, 2009 Traditionally grand ducal Tuscany and its cultural politics have been viewed through the lens of absolutism Based on a wide range of newly found sources and building on recent revisionist scholarship this study uses the universities of Pisa and Siena to expose the contradictions and the tensions which characterised the grand duchy Setting the universities against the diplomatic military administrative economic ecclesiastical and cultural development of the grand duchy it shows how innovation mixed with tradition and local privileges were not only upheld but extended significantly Laus Platonici Philosophi Stephen Clucas, Peter J. Forshaw, Valery Rees, 2011-07-12 Proceedings of a conference held in Sept 2004 at Birkbeck College</u>

Universities: Oxford Bibliographies Online Research Guide Oxford University Press,2010-06-01 This ebook is a selective guide designed to help scholars and students of Islamic studies find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear from books chapters and journal articles to online archives electronic data sets and blogs Written by a leading international authority on the subject the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated related This ebook is a static version of an article from Oxford Bibliographies Online Renaissance and Reformation a dynamic continuously updated online resource designed to provide authoritative guidance through scholarship and other materials relevant to the study of European history and culture between the 14th and 17th centuries Oxford Bibliographies Online covers most subject disciplines within the social science and humanities for more information visit www oxfordbibliographies com

Florence And Its University During The Early Renaibance Introduction

In the digital age, access to information has become easier than ever before. The ability to download Florence And Its University During The Early Renaibance has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Florence And Its University During The Early Renaibance has opened up a world of possibilities. Downloading Florence And Its University During The Early Renaibance provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Florence And Its University During The Early Renaibance has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Florence And Its University During The Early Renaibance. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Florence And Its University During The Early Renaibance. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Florence And Its University During The Early Renaibance, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit

vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Florence And Its University During The Early Renaibance has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Florence And Its University During The Early Renaibance Books

What is a Florence And Its University During The Early Renaibance PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. How do I create a Florence And Its University During The Early Renaibance **PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. How do I edit a Florence And Its University During The Early Renaibance **PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. How do I convert a Florence And Its University During The Early Renaibance PDF to another file format? There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, IPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. How do I password-protect a Florence And Its University **During The Early Renaibance PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression

reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
