Flowers On Granite One Woman's Odyssey Through Psychoanalysis:

The Intimate Edges of Psychotherapy for Complex Trauma Rebecca Klott, Richard Raubolt, Loray Daws, 2025-09-01 The Intimate Edges of Psychotherapy for Complex Trauma is a personal account of an analysis spanning more than 20 years written by practicing psychoanalysts This book is the first to document an on going analysis where both analyst and analysand are seasoned psychologists capable of articulating the relational analytic process theoretically and personally Rebecca Klott shares a narrative of complex severe sexual and emotional trauma with commentary provided by her analyst Richard Raubolt Klott and Raubolt create an embodied dialogue exposing what treatment is like for both the severely traumatized patient and the clinician tasked with helping the patient work toward healing Through this intimate vantage point the reader journeys with both patient and clinician as they encounter the breakdowns and breakthroughs that are a part of the process of healing The Intimate Edges of Psychotherapy for Complex Trauma will be essential reading for clinicians trainees and students in the fields of psychoanalysis psychoanalytic psychotherapy counseling social work and counseling and clinical psychology Resolving Impasses in Therapeutic Relationships Sue Nathanson Elkind, 1992-09-04

This book focuses on problematic situations in therapy mpasses wounding and ruptures Based on the author's extensive clinical experience with therapists and patients in impasses as well as her survey questionnaire of other therapists Elkind views impasses wounding and ruptures as unavoidable pivotal events in therapeutic relationships She offers numerous vignettes of consultations she has provided to patients and therapists grappling with a diverse range of problems Elkind introduces uniquely humanizing theoretical concepts such as primary vulnerability and problematic relational modes to provide a framework for understanding and working with relational knots between therapists and patients Shouldn't I Be Feeling Better By Now? Yvonne Bates, 2005-11-20 Around one in four clients of counselling and therapy either deteriorate in treatment or show no signs of recovery Why does therapy fail this significant proportion of vulnerable people and what can be done about it This ground breaking volume assembles the first ever collection of client critiques of therapy as a way of kick starting an urgently needed debate Including contributions from a range of internationally respected therapists the book identifies areas of concern and seeks to provide constructive solutions for the future Nominated for the Mind Book of the Year Award 2006 **Flowers on Granite** Dorte von Drigalski, 1989-12 *Flowers on Granite* Dörte von Drigalski, 1986

New Books on Women and Feminism, 1988 *Canadian Journal of Psychiatry*, 1987 **Against Therapy** Jeffrey Moussaieff Masson, 1994 In this book the author suggests that the techniques and aims of psychotherapy are open to abuse He regards it as self evident that the therapist makes demands on the patient that cannot be fulfilled and that the financial exigencies of the relationship are open to corruption Masson sets out to show that abuse of one form or another is built into the very fabric of psychotherapy that it is the nature of therapy to distort another person's reality and that since it is the therapist's task to change people and that this can only be done according to the therapists own notions and prejudices the

psychological process is necessarily corrupt The author delves into the practices of many well known therapists Beginning with cases from the 19th century when patients could be incarcerated while patently sane he goes on to attack Jung as well as practitioners like Fritz Perls and Carl Rogers attempting to demonstrate that whether the approach is confrontational or sympathetic a benign despotism is not better than a malign one Masson has also written *The Assault on Truth* Freud's *Suppression of the Seduction Theory* *The Oceanic Feeling* *The Origins of Religious Sentiment in Ancient India* *A Dark Science* *Women Sexuality and Psychiatry in the Nineteenth Century* and *The Complete Letters of Sigmund Freud to Wilhelm Fliess 1887-1904* **Finding Help** Nan J.
