Argentina Chile Peru Spain Bosnia Herzegovina Greece Rwanda Cambodia and Korea Contributors analyze the role of exhumations in transitional justice from the steps of interviewing eyewitnesses and survivors to the painstaking forensic recovery and comparison of DNA profiles This innovative volume demonstrates that contemporary exhumations are as much a source of personal historical and criminal evidence as instruments of redress for victims through legal accountability and memory politics Contributors Zo Crossland Francisco Ferrndiz Luis Fondebrider Iosif Kovras Heonik Kwon Isaias Rojas Perez Antonius C G M Robben Elena Lesley Katerina Stefatos Francesc Torres Sarah Wagner Richard Ashby Wilson **Tank** Patrick Wright, 2003 The history of the tank and its contributions throughout history **Dreams of Waking** Vincent Barletta, Mark L. Bajus, Cici Malik, 2022-12-22 In this anthology Vincent Barletta Mark L Bajus and Cici Malik treat the Iberian lyric in the late Middle Ages and early modernity as a deeply multilingual transnational genre that needs to break away from the old essentialist ideas about language geography and identity in order to be understood properly More and more scholars and students are recognizing the limitations of single language nationalist and period bound canons and are looking for different ways to approach the study of literature The Iberian Peninsula is an excellent site for this approach where the history and politics of the region along with its creative literature need to be read and studied together with the way the works were composed by poets and eventually consumed by readers With a generous selection of more than one hundred poems from thirty three poets Dreams of Waking is unique in its coverage of the three main languages Catalan Portuguese and Spanish and lyrical styles employed by peninsular poets It contains new translations of canonical poems but also translations of many poems that have never before been edited or translated Brief headnotes provide essential details of the poets lives and a general introduction by the volume editors shows how the poems and languages fruitfully intersect With helpful annotations to the poetry as well as a selected bibliography containing the most important editions and translations from all three of the main Iberian languages this volume will be an indispensable tool for both specialists and students in comparative literature **Francesc Torres; 2) the head of the dragon (anthology).** J.G.
