The Quest for the Christ Child in the Later Middle Ages Mary Dzon, 2017-03-09 Beginning in the twelfth century clergy and laity alike started wondering with intensity about the historical and developmental details of Jesus' early life Was the Christ Child like other children whose characteristics and capabilities depended on their age Was he sweet and tender or formidable and powerful Not finding sufficient information in the Gospels which are almost completely silent about Jesus' childhood medieval Christians turned to centuries old apocryphal texts for answers In *The Quest for the Christ Child in the Later Middle Ages* Mary Dzon demonstrates how these apocryphal legends fostered a vibrant and creative medieval piety Popular tales about the Christ Child entertained the laity and at the same time were reviled by some members of the intellectual elite of the church In either case such legends so persistent left their mark on theological devotional and literary texts The Cistercian abbot Aelred of Rievaulx urged his monastic readers to imitate the Christ Child's development through spiritual growth Francis of Assisi encouraged his followers to emulate the Christ Child's poverty and rusticity Thomas Aquinas for his part believed that apocryphal stories about the Christ Child would encourage youths to be presumptuous while Birgitta of Sweden provided pious alternatives in her many Marian revelations Through close readings of such writings Dzon explores the continued transmission and appeal of apocryphal legends throughout the Middle Ages and demonstrates the significant impact that the Christ Child had in shaping the medieval religious imagination

Soundings in the Christian Mystical Tradition Harvey D. Egan, 2010-10-01 Called in a special way to listen to God's whispers the mystics amplify not only what it means to be baptized into the life death and resurrection of Jesus Christ and to having the Trinity living in them but also what is deepest in the human spirit Mystics experience themselves as an infinite question to which only God is the answer as an immense longing that only Love can quench as a nothing in the face of the No Thing They are God's fools troubadours the great artists and poets of the interior life whose

learned ignorance articulates the art of loving God neighbor self the Church and the world In Soundings in the Christian Mystical Tradition Harvey Egan draws on fifty years of reading and teaching the mystics to sketch the varieties and passion of the mystical life across more than two millennia Through their stories and words Egan reveals that all were conscious of the paradox of human identity supremely and unsurpassably manifested in the God Man that the genuinely human is disclosed only through surrender to God and that the search for God cannot bypass the genuinely human Harvey D Egan SJ is the author of numerous works on Christian mysticism and the thought of Karl Rahner He is currently professor of systematic and mystical theology at Boston College *ST. FRANCIS OF ASSISI* G.K. CHESTERTON,1924 **Mikhail Gorbachev Is**

Gog and Magog, the Biblical Antichrist Randolph Wright,2010-04-30 This book outlines prophecies that Gorbachev has fulfilled according to biblical scriptures In the authors view he has fulfilled more than ten prophecies related to the antichrist Did Gorbachev plan the coup de tat in 1991 in order to fulfill biblical prophecies A coming showdown between Russia Iran vs America Israel that will lead to WWII The Gorbachev Osama Bin Laden connection Proof that we are living in the final days before the second coming of Jesus Christ **Memories of Jesus** Halvor Moxnes,2021-02-09 This is a different book about Jesus It does not study the Gospels as sources for the historical Jesus but reads them as memories about Jesus each Gospel with its characteristic picture of Jesus The book traces the transmission and growth of memories of Jesus in various contexts and in different historical periods It also introduces readers to the little known counterstories to Christian memories in Jewish sources as well as to the rival stories in the Quran A central perspective in the book is the troubling fact that for centuries the memories of Jesus contributed to hate speech against the Jews in Europe The passion narratives in the Gospels put the blame for the death of Jesus upon Jewish leaders and these stories were transmitted across the centuries as historical truth Memories of Jesus have served as identity markers not only for churches but also for societies and countries The last chapters focus on how the memories of Jesus have played an important role in supporting the identity of oppressed and marginalized groups in particular in the contemporary United States *St. Francis of Assisi* Gilbert Keith Chesterton,1924

Franciscan Prayer Ilia Delio,2022-03-08 Masterfully written and intensely enlightening Franciscan Prayer could very well be considered the essential handbook for all those seeking to pray and live the Franciscan way With exquisite execution Franciscan theologian Ilia Delio clearly outlines what it means to pray as a Franciscan Through her experience as a disclaled Carmelite nun and then her transformation into Franciscan scholar Sister Delio brings to light the contemplative cosmic and evangelizing aspects of Franciscan prayer Everyone says Delio seems to know about Francis life his miracles his devotion to evangelization and his dedication to living a simple and humble life yet few know about his prayer life which seemed over the centuries to get lost in the paper shuffle between theologians followers and historical biographers It is through Clare of Assisi Delio asserts that we have insights into the Franciscan path of prayer Clare provides the road map of prayer for evangelical life she was able to do this because she lived under monastic rule while ardently desiring evangelical life Through

Clare's letters and actions we find the rudiments of Franciscan prayer Gaze Consider Contemplate Imitate Delio also uses the insights of Saint Bonaventure as well as Saint Francis to fully show the meaning and purpose of prayer in the Franciscan tradition *St Francis of Assisi* G. K. Chesterton, 2021-07-31 Francis of Assisi is after Mary of Nazareth perhaps the greatest saint in the Christian calendar and one of the most influential men in the whole of human history By universal acclaim this biography by G K Chesterton is considered the best appreciation of Francis's life the one that gets to the heart of the matter Goodreads *Calvin's Doctrine of the Knowledge of God* T. H. L. Parker, 2015-06-10 **The Alliance Weekly**, 1929

Dancing with Metaphors in the Pulpit Rodney Wallace Kennedy, 2024-07-30 Dancing with Metaphors in the Pulpit is a prequel to the writing and delivery of the sermon The work of invention which includes the gathering of material is the primary focus of the book The hard work of preaching takes place in the thinking reading and writing The cross disciplinary study provided here covers lessons learned by preachers and by novelists poets philosophers and rhetoricians
