Franco The Man His Nation:

Franco; the Man and His Nation George Hills,1967 **Franco** George Hills (Author of "Latin America and Communism".),1967 **Franco. The Man and His Nation. [With Plates, Including Portraits.]**. George HILLS (Hispanist.),1967 *The Biography Book* Daniel S. Burt,2001-02-28 From Marilyn to Mussolini people captivate people A E s Biography best selling autobiographies and biographical novels testify to the popularity of the genre But where does one begin Collected here are descriptions and evaluations of over 10 000 biographical works including books of fact and fiction biographies for young readers and documentaries and movies all based on the lives of over 500 historical figures from scientists and writers to political and military leaders to artists and musicians Each entry includes a brief profile autobiographical and primary sources and recommended works Short reviews describe the pertinent biographical works and offer insight into the qualities and special features of each title helping readers to find the best biographical material available on hundreds of fascinating individuals **Airpower in Small Wars** James S. Corum,Wray R. Johnson,2003 The use of airpower in wartime calls to mind the massive bombings of World War II but airplanes have long been instrumental in small wars as well Ever since its use by the French to put down rebellious Moroccan tribes in 1913 airpower has been employed to fight in limited but often lengthy small conflicts around the globe This is the first comprehensive history of airpower in small wars conflicts pitting states against non state groups such as insurgents bandits factions and terrorists tracing it from the early years of the twentieth century to the present day It examines dozens of conflicts with strikingly different scenarios the Greek Civil War the Philippine Anti Huk campaign French and British colonial wars the war in South Vietnam before the American escalation counterinsurgency in southern Africa Latin American counter guerrilla operations and counterinsurgency and counterterrorist campaigns in the Middle East over the last four decades For each war the authors describe the strategies employed on both sides of the conflict the air forces engaged and the specific airpower tactics employed They discuss the ground campaigns and provide the political background necessary to understand the air campaigns and in each case they judge the utility of airpower in its broadest sense In their historic sweep they show how forms of airpower evolved from planes to police helicopters aircraft of the civilian air reserve and today s unmanned aircraft They also disclose how small wars after World War II required new strategies operational solutions and tactics By taking this broad view of small war airpower the authors are able to make assessments about the most effective and least effective means of employing airpower They offer specific conclusions ranging from the importance of comprehensive strategy to the need for the United States and its allies to expand small wars training programs Airpower in Small Wars will be invaluable for educating military professionals and policy makers in the subject as well as for providing a useful framework for developing more effective doctrine for employing airpower in the conflicts we are most likely to see in the twenty first century Reader's Guide to Military History Charles Messenger,2013-10-31 This book contains some 600 entries on a

range of topics from ancient Chinese warfare to late 20th century intervention operations Designed for a wide variety of users it encompasses general reviews of aspects of military organization and science as well as specific wars and conflicts The book examines naval and air warfare as well as significant individuals including commanders theorists and war leaders Each entry includes a listing of additional publications on the topic accompanied by an article discussing these publications with reference to their particular emphases strengths and limitations

Guernica! Guernica! Herbert Southworth, 2023-09-01 *Guernica Guernica* A Study of Journalism Diplomacy Propaganda and History offers a riveting exploration of one of the most infamous events of the Spanish Civil War the bombing of Guernica on April 26 1937 Through meticulous research and an incisive critique of historical narratives Southworth unpacks not only

the event itself but also the layers of controversy propaganda and misinformation that have surrounded it for decades His work shines a light on how journalism political agendas and historical memory converge to shape our understanding of such tragedies Southworth approaches his subject with a passion for uncovering truth amid the fog of war and propaganda He delves into primary sources including press dispatches diplomatic archives and firsthand accounts while scrutinizing the mechanisms of censorship and misinformation The book is structured in two major parts The Event which examines the facts surrounding the destruction of Guernica and The Controversy which traces the enduring debates and manipulations that have kept this tragedy at the forefront of historical and political discourse As Southworth reveals Guernica was not just a military event but a symbolic one reverberating globally as a testament to the horrors of modern warfare and the power of propaganda This work is a masterful combination of historical scholarship and media analysis offering profound insights into the complexities of documenting and interpreting history This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1977 *Making and Unmaking of Francoist Kitsch Cinema* Alejandro Yarza, 2018-12-31 This book examines five highly influential Francoist films produced from 1938 until 1964 and three later films by critically acclaimed directors Luis Buñuel Guillermo del Toro and Alex de la Iglesia that attempt to undermine Francoist aesthetics by reimagining its visual and narrative clichés **Medical Record** George Frederick Shrady, Thomas Lathrop Stedman, 1881 **Media Power and Democratization in Brazil** Mauro Pereira Porto, 2012 In this book Porto analyzes the role of TV Globo in the democratization of Brazil TV Globo one of the world's largest media conglomerates has a dominant position in Brazil's communications landscape It also exports telenovelas to more than 130 countries and has established joint ventures with transnational media conglomerates Beginning in the mid 1990s TV Globo began a process of opening replacing its authoritarian model of journalism with a more independent reporting style Representations of Brazil in prime time telenovelas have also shifted Given this shift Porto considers some of the following questions What explains these changes in Brazil's most powerful media company How are they related to processes of political and social democratization How did TV Globo's opening affect Brazil's emerging democracy especially in terms of the quality of political accountability mechanisms Porto uses the Brazilian case of TV Globo to analyze the larger links between democratization civil society mobilization and media change in transitional societies
