## **Francois Mauriac Visions And Reappraisals:**

**François Mauriac** John Flower, Bernard Swift, 1989-09-28 Examines aspects of Mauriac's work and career that have been unduly neglected and suggests new critical approaches

**François Mauriac** Edward Welch, 2006-01-01 While François Mauriac's reputation as a novelist is well established it is often forgotten that fiction forms only part of his output and that in the post war years especially it was principally his activities as a journalist which kept him in the public eye His interventions in the key debates of the period helped to consolidate his position as a major intellectual alongside Jean Paul Sartre and Albert Camus This book examines the evolution of François Mauriac's career during the twentieth century and his gradual transformation from novelist to intellectual Situating Mauriac and his activities firmly in their socio cultural context it draws in particular on the insights provided by Bourdieusian sociology to explore the mechanisms and social processes which allow Mauriac to emerge as an authoritative voice of moral conscience In doing so it offers new perspective on key moments in his career from his changing fortunes as a novelist in the 1930s examined here for the first time through the prism of his reception by the influential *Nouvelle Revue française* to his unlikely collaboration with the then radical *L'Express* in the 1950s At the same time it argues that tracing Mauriac's trajectory helps to crystallise the broader changes affecting the literary and cultural landscape in France during the twentieth century

**Mauriac** Paul Cooke, 2021-11-22 Although internationally renowned as a novelist journalist and essayist Nobel Prize winning author François Mauriac 1885-1970 never established a reputation as a poet Yet it was Maurice Barrès's favourable review of his first collection of verse *Les Mains jointes* that launched Mauriac's career in 1910 He went on to publish three further collections of poems and insisted to the end of his life that despite critical neglect of his verse he remained first and foremost a poet This book offers the first ever in depth exploration of the whole of Mauriac's verse output After a chapter tracing his general conception of poetry and comparing his ideas to those of other poets and theorists each of Mauriac's verse collections is analysed in turn as are many of his poems that were published exclusively in literary journals A final chapter explores the significant relationship between Mauriac's verse and his novels revealing the multiple connections between these two series of texts This volume will appeal to those with an interest in twentieth century French poetry and more generally to those interested in the relationship between verse and prose

**Thérèse Desqueyroux** François Mauriac, 2005-03-11 François Mauriac's masterpiece and one of the greatest Catholic novels *Thérèse Desqueyroux* is the haunting story of an unhappily married young woman whose desperation drives her to thoughts of murder Mauriac paints an unforgettable portrait of spiritual isolation and despair but he also dramatizes the complex realities of forgiveness grace and redemption Set in the countryside outside Bordeaux in a region of overwhelming heat and sudden storms the novel's landscape reflects the inner world of *Thérèse* a figure who has captured the imaginations of readers for generations Raymond N MacKenzie's translation of *Thérèse Desqueyroux* the first since 1947 captures the poetic lyricism of Mauriac's prose as well as the intensity of his stream of consciousness narrative

MacKenzie also provides notes and a biographical and interpretive introduction to help readers better appreciate the mastery of François Mauriac who was awarded the Nobel Prize in Literature in 1952 This volume also includes a translation of *Conscience The Divine Instinct* Mauriac's first draft of the story never before available in English [The Facts on File Companion to the World Novel](#) Michael Sollars, Arbolina Llamas Jennings, 2008 [Encyclopedia of the World Novel, 1900 to the Present](#) Michael David Sollars, Arbolina Llamas Jennings, 2015-04-22 Praise for the print edition a useful and engaging reference to the vast world of the novel in world literature **Humanities Research Centre** Glen St. John Barclay, Caroline Turner, 2004-05-01 A history of the HRC at the ANU but also an examination of the role and predicament of the humanities within universities and the wider community and contributes substantially to the ongoing debate on an Australian identity

*'Inquiétude' in the work of Pierre Mac Orlan* Roger W. Baines, 2021-10-25 This is the first major study in English of the work of the French novelist essayist journalist poet and chansonnier Pierre Mac Orlan 1882 1970 It assesses Mac Orlan's contribution to the post 1918 phenomenon of intellectual disillusionment and disorientation which was termed the *nouveau mal du siècle* or *inquiétude* Although he has largely been ignored by critics thus far Mac Orlan was part of mainstream French literary production and a major exponent of *inquiétude* Where he differs from his contemporaries is in his subject matter in his use of sociological rather than abstract intellectual material His expression of *inquiétude* encompasses *le fantastique* social adventure marginality *le cafard* and sadistic sexuality His originality lies in his invention of *le fantastique social* in his constant use of certain techniques as well as the subject matter of German Expressionism via the depiction of the disturbing landscape of the modern city post 1918 inflation and decadence prostitutes and criminals doomed adventurers the mystery of modern technology and in the expression of a morbid interest in sexual violence This volume will be of particular interest to students of inter war French literature and thought **Stolen Limelight** Margaret E. Gray, 2022-05-15 Who has not in a favored moment stolen the limelight whether inadvertently or by design The implications of such an act of display its illicitness its verve its vertiginous reversal of power its subversiveness are explored in this book Narrative crafting and management of such scenarios are studied across canonical novels by Gide Colette Mauriac and Duras as well as by African Francophone writer Oyono and detective novelist Japrisot As manipulated within narrative acts of display position a viewer or reader from whom response from veneration or desire to repugnance or horror is solicited but this study demonstrates that display can also work subversively destabilising and displacing such a privileged spectator As strategies of displacement these scenarios ultimately neutralise and even occult the very subject they so energetically appear to solicit Powered by gendered tensions this dynamic of display as displacement works toward purposes of struggle resistance or repression
