Driving Challenge Phil Berardelli, 2011-09-10 20 000 Collisions Waiting to Happen That s what faces America s driving population each and every day No wonder An exploding population of poorly trained overconfident aggressive drivers cram themselves into a barely growing network of pavement That s why crashes shut down parts of our metropolitan arteries almost daily It s why bad weather always brings a spike in the number of incidents And it s why driving remains the most dangerous thing most of us do in our lives The Driving Challenge was written to help reduce the odds that you ll be involved in one of those 20 000 daily collisions It is drawn from Phil Berardelli s years of painstaking observations and research and from his own experiences as a reformed aggressive driver Just as in Safe Young Drivers his acclaimed book for parents and teens Phil provides sound advice and simple rules that can make a big difference in your safety starting with the next time you slip behind the wheel You can be safer and happier on the road All it requires is a willingness to change to refuse to accept the status quo on the roads any longer **To Be Sung Underwater** Tom McNeal, 2011-06-02 Judith Whitman always believed in the kind of love that picks you up in Akron and sets you down in Rio Long ago she once experienced that love Willy Blunt was a carpenter with a dry wit and a steadfast sense of honor Marrying him seemed like a natural thing to promise But Willy Blunt was not a person you could pick up in Nebraska and transport to Stanford When Judith left home she didn t look back Twenty years later Judith s marriage is hazy with secrets In her hand is what may be the phone number for the man who believed she meant it when she said she loved him If she called what would he say To Be Sung Underwater is the epic love story of a woman trying to remember and the man who could not even begin to forget **Blunt Impact** Lisa
