Frank Tate A Biography:

Frank Tate Richard Joseph Wheeler Selleck, 1982 **Eugenics at the Edges of Empire** Diane B. Paul, John Stenhouse, Hamish G. Spencer, 2017-11-16 This volume explores the history of eugenics in four Dominions of the British Empire New Zealand Australia Canada and South Africa These self governing colonies reshaped ideas absorbed from the metropole in accord with local conditions and ideals Compared to Britain and the US Germany and Scandinavia their orientation was generally less hereditarian and more populist and agrarian It also reflected the view that these young and enterprising societies could potentially show Britain the way if they were protected from internal and external threat This volume contributes to the increasingly comparative and international literature on the history of eugenics and to several ongoing historiographic debates especially around issues of race As white settler societies questions related to racial mixing and purity were inescapable and a notable contribution of this volume is its attention to Indigenous populations both as targets and on occasion agents of eugenic ideology *From the Ruins of Colonialism* Chris Healy, 1997-03-27 This book throws fresh light on the history of memory forgetting and colonialism It considers key moments of historical imagination and analyses the strange ensemble of elements that constitute Australian History It is an innovative and stimulating investigation of historical cultures and narratives *History of the State of California and Biographical Record of Coast Counties, California* James Miller Guinn, 1902 *Alex Lord's British Columbia* John Calam, 2007-10-01 Alex Lord a pioneer inspector of rural British Columbia schools shares in these recollections his experiences in a province barely out of the stage coach era Travelling through vast northern territory utilizing unreliable transportation and enduring climatic extremes Lord became familiar with the aspirations of remote communities and their faith in the humanizing effects of tiny assisted schools En route he performed in resolute yet imaginative fashion the supervisory functions of a top government educator developing an educational philosophy of his own based on an understanding of the provincial geography a reverence for citizenship and a work ethic tuned to challenge and accomplishment These memoirs invite the reader to experience the British Columbia that Alex Lord knew Through his words we endure the difficulties of travel in this mountainous province We meet many of the unusual characters who inhabited this last frontier and learn of their hopes fears joys sorrows and eccentricities More particularly we are reminded of the historical significance of the one room rural school and its role as an indispensable instrument of community cohesion John Calam organizes the memoirs according to the regions through which Lord travelled Included in the introduction are a biography of Alex Lord a brief description of the British Columbia he knew a sketch of the province's public education system and an assessment of the place Lord's writing now occupies among other works on education and society *History of Universities* Oxford, 2005-10-20 Volume XX 2 of *History of Universities* contains the customary mix of learned articles book reviews conference reports and bibliographical information which makes this publication such an indispensable tool for the historian of higher education Its contributions range widely geographically

chronologically and in subject matter The volume is as always a lively combination of original research and invaluable reference material

Imperial Culture in Antipodean Cities, 1880-1939 J. Griffiths, 2014-03-11 Drawing on a wealth of primary and secondary sources this book explores how far imperial culture penetrated antipodean city institutions It argues that far from imperial saturation the city Down Under was remarkably untouched by the Empire

Women who Taught Alison L. Prentice, Marjorie R. Theobald, 1991-01-01 In an era when women are moving into so many areas of the labour force we all remember some of the first working women we ever encountered women teachers as they were too often known The impact of women on education has been enormous throughout the English speaking world It has also been ignored for the most part by mainstream historians of education Alison Prentice and Marjorie R Theobald have addressed this omission by bringing together a wide range of essays by feminist historians on the role of women in education at all levels in Canada Australia Britain and the United States All the essays were ground breaking when first published Among the subjects they explore are the experience of women in private or domestic schooling and the rigours of teaching as single women in remote areas Other essays discuss the impact on women s working schools in the nineteenth century the growth of professional teachers organizations and the blurring of public and private in the lives of twentieth century teachers The editors provide an introduction that traces the growth of the emerging field of the history of women in teaching and identifies new directions currently developing A bibliography offers further resources

Born to Play Thomas P. Hustad, 2012-05-03 Jazz trombonist Jack Teagarden once referred to Ruby Braff as the Ivy League s Louis Armstrong That legacy of great trumpet performance and recording is brought to readers in Thomas Hustad s Born to Play The Ruby Braff Discography and Directory of Performances Braff s uncompromising standards musical taste and creative imagination informed his consummate artistry in creating music beautifully played He achieved swiftly what few musicians accomplish in a lifetime by developing a unique and immediately recognizable style For a reminder of that we need but play any of the more than 150 released recordings on which he appears These records span a total of 54 years from 1949 to 2002 a feat almost unmatched in jazz recording This was five years longer than even Louis Armstrong Although prepared in discographical style capturing information about both commercial recordings and previously undocumented performances Born to Play serves as a biography of the artist detailing the path he paved as a performer and featuring personal recollections of his musical career with commentary from other figures Images over the course of his half century of playing fill out this comprehensive survey of Braff s performing and recording career This bio discography of the man who jazz drumming legend Buddy Rich declared one of my favorite trumpeters and singing giant Tony Bennett described as my great friend who now holds the reigning position of the best cornet player in the world is sure to be of interest to jazz fans and scholars alike

Australia's First Fabians Race Mathews, 1993-01-01 Many of Australia s first Fabians are known as legislators priests jurists men and women of letters diplomats feminists and educators yet few are recognised as Fabians Until this book little attention has been given to

Australian Fabian thinkers activists and organisations and their long term influence on Australian political and intellectual life This book recreates the lives of the first Fabians in Australia their political ideas and strategies and presents their visions for society in a lively and entertaining way It also explores the similarities between the Fabian Society s development in Britain and Australia The book will fill a long standing gap in Australian intellectual history and the history of early socialist movements in Australia

The Shop Richard Joseph Wheeler Selleck,2003 Telling as much a social educational and cultural story as institutional history this detailed account chronicles the ideological patterns internal and countrywide conflicts and student experiences at the University of Melbourne from 1850 to 1939 The daily life of staff professors and students are recounted during times of turmoil and peace in Australia including the depression of the 1890s and World War I The account offers a window into the pedagogical conflicts and research achievements of one of Australia s oldest continuing educational institutions

The Life and Music of Kenny Davern Edward N. Meyer,2010-07-09 Clarinetist Kenny Davern ranked among the best jazz musicians for over 50 years The unique and instantly recognizable sound of his clarinet coupled with a wide ranging intellect and quick sense of humor drew praise and applause and endeared him to his fans and friends The Life and Music of Kenny Davern tells the story of this fascinating musician who had a vision of how he wanted his music to sound and who persisted in the face of adversity until he achieved that vision Edward N Meyer conducted interviews with friends family colleagues and critics of Kenny Davern as well as the man himself to gain a comprehensive and personal narrative of the artist s life Beginning with the tragic events that shaped his early life Meyer traces Davern s growth from a young boy raised in an atmosphere of conflict into an acclaimed self assured musician and a warm and loving husband and father Meyer describes the state of the jazz music business in the last half of the 20th century and fully establishes Davern s status within that scene Meyer also explores a side of Davern that the public never saw Davern s hunger for reading made him a knowledgeable and well respected person with experts outside the world of jazz With more than 30 photos a comprehensive discography bibliography and index this volume will fascinate jazz students fans and scholars
