Alexander,2018-04-16 There have been many books written about Johnny Cash but *The Man in Song* is the first to examine Cash s incredible life through the lens of the songs he wrote and recorded Music journalist and historian John Alexander has drawn on decades of studying Cash s music and life from his difficult depression era Arkansas childhood through his death in 2003 to tell a life story through songs familiar and obscure In discovering why Cash wrote a given song or chose to record it Alexander introduces readers anew to a man whose primary consideration of any song was the difference music makes in people s lives and not whether the song would become a hit The hits came of course Johnny Cash sold more than fifty million albums in forty years
